### WOOL DRESS GOODS

AS THE FARMER mows the second crop of grass in the same season, and gathers into his great barns the second crop from the same soil, so will the buying public reap the "After Math" of bargains from the same great store. Many times the second mowing brings even greater returns for the outlay of labor, than did the first. And following the promptings nature has given us, we give you—in this After Math of the season—bigger and better values for the money expended, than ever before; allowing you to gather into your store house summer wearables at less than first cost; but there is no argument half so convincing as the evidence of your eyes. So come to The Four Room Store on the Ground Floor.

### Special Oxford Sale Monday

On next Monday morning we place on sale 250 pairs of Ladies' fine Oxfords. In our east window will be seen several pairs of each style, that you may see the kind and quality. The quality of these Oxfords is something extra. Black Vici Kid and Russet Leathers, with plain and patent leather tips; welt or turned sole; either lace, two-button "Blucher" or one strap sandals; some with silk vesting tops, balance in plain Kid. Colors, tan, oxblood and black. The former price of most of them was \$2.50 per pair, and several as high as \$3. The reason we sell them to you at this low price is because the only sizes left are 3 1-2, 4 and 4 1-2. If you wear these sizes, here is your chance.

Choice, Monday, \$1.50.

### At 9 o'Clock Tomorrow Morning

We place on sale five dozen "Mercerized Velour" Underskirts. These are the same kind we sold you some time back, but failed to supply half the crowd that came for them. There are but sixty of these skirts—after they are gone we can get no more—so be on time if you want one. They are made of "Mercerized Velour," with full sweep and five rows of cording around entire skirt; colors, navy blue, purple, cardinal and wine. Would be cheap at \$2 each.
