

DELEGATES WORKED IN HARMONY

Oklahomans Make a Fair Compromise on Statehood.

OKLAHOMA BY ITSELF

If It Is Not Feasible to Include Indian Territory.

COMMITTEE IS NAMED

For the Purpose of Presenting Memorial to Congress.

Guthrie, O. T., Jan. 30.—(Special)—For once in the history of Oklahoma there has been a statehood convention free from disagreeable wrangling. The proceedings of today's convention were entirely harmonious except for the presentation at tonight's session of majority and minority reports; but subsequent debate developed no bitterness of feeling. The majority report asked for immediate statehood for Oklahoma with such boundaries as congress may see fit to establish. The minority report expressed demand for immediate statehood for Oklahoma, if single statehood with Indian territory included be not feasible...

To remove the bone of contention, on motion of Havana, the following words were adopted by majority vote: "And if it be in the wisdom of congress to add to the territory or any portion thereof at the same or future time, we shall favor such act."

Resolutions were adopted commending Governor Barnes' annual report as unanswerable argument in favor of immediate statehood, and as an approved presentation of Oklahoma's resources and needs to the legislature to provide for the establishment of ten thousand copies of them.

The following is the new executive committee, chosen by counties: Mayor, Geo. H. Healey; Chairman, E. L. Lockwood; Secretary, E. E. Gillette; Clerk, A. M. Furbush; Treasurer, T. B. Nichols; Attorney, W. Carr; Deputies, R. G. Brownlee, George H. H. Haves; Grant, J. A. Simpson; Ray, J. E. Williams; Houghton, Virgil M. Hobbs; Lincoln, John M. Hale; Logan, Joseph Fisher; Payne, F. E. Miller; Pottawatomie, James Kirkwood; Oklahoma, Billie H. Hester; Osage, T. M. Moore; Washita, F. T. Cooke; Woods, Ed Madison; Woodward, C. R. Alexander.

A representative from Greer county moved that the convention endorse the Fairbanks and Flynn bills now pending in congress, which was carried unanimously. A committee of five, consisting of S. H. Clark, A. J. Ray, R. A. Nett, F. E. Gillette and Dick T. Morgan, was selected to memorialize congress.

Delegates in today's statehood convention contained some of the majority of which are familiar in every public gathering in Oklahoma, such as Joe McNeal, ex-Governor; Frank Newsom, A. H. Venable, E. J. Simpson, Joe W. W. Sidner, Clark, O. B. Fagan, Frank Gillette, Tom Hennessey, Bobb Nett, Leslie Nicks, Tom Shookling, Harry Thompson, Col. Havelin, J. L. Brown. The attendance was not as large as anticipated, which is ascribed to the general belief that the executive method of action has had its day and that congress will pass the necessary enabling act without further urging aside from the constant effort of Delegate Flynn.

In calling the convention to order this afternoon Senator Clark, who is chairman of the statehood executive committee, read the following address: "Gentlemen of the Convention, In calling this convention to order tonight I am constrained to congratulate you on the auspicious circumstances under which we are assembled. In all this great territory no intelligent man can be found who will deny that Oklahoma has now all the necessary qualifications to enter the Union as a sovereign and independent state. The

"A Bright Little Boy"

Would be sure of a welcome in almost any home. But what a welcome he would have in a home where the hope of children had been extinguished. What a welcome this particular "bright little boy" did have in such a home, may be judged by the closing paragraph of his mother's letter: "There is no room for the whole letter, which recounts a story of fifteen years of suffering and a perfect cure by the use of 'Dr. Pierce's Favorite Prescription.' Two bottles of 'Golden Medical Discovery' and some of the 'Pelle's'."

In many instances childlessness is the result of conditions which are curable. It has often happened that when "Favorite Prescription" has cured a woman of female weakness and the nervous condition attending it, her return to health is signalled by the birth of her first child. "Favorite Prescription" makes weak women strong, sick women well.

"Disinfectant Pellets" clear the complexion.

results of the federal census have settled that question, not only in Oklahoma, but with the national congress and with the people of the United States. With a population existing on one-half million, with a territory having a total value of one hundred and seventy million dollars, and rapidly increasing; with all branches of trade and business enjoying a non-complexed prosperity; with an agricultural production greater than that of a dozen and more of the eastern states; with a system of common schools and higher educational institutions, which are the pride and glory of all our people; with a vast variety of resources which assure us of a magnificent future, and with a determination and purpose to build upon this one of the greatest and grandest commonwealths, we take no step in the dark when we throw off the uncertainties and impediments of a territorial government, and step out into the bright sunlight of a government of our people, by the people, and for the people of Oklahoma.

"I congratulate you, gentlemen of the convention, without distinction of party, upon this substantial unanimity among our people in demanding prompt action on the part of congress to pass an enabling act for Oklahoma at the earliest possible moment."

While the argument has passed the time for action has come. If any argument were needed, it could be found in the splendid report of the governor of this territory to the secretary of the interior, in which he summarizes the elements of our prosperity, our marvelous growth, and the complete position we have assumed in a single decade among the states and territories of the great trans-Mississippi region. Never before in the history of the world has there been such a mobilization of human energy, coupled with such magnificent results as have been exhibited here. A territory settled in a day—statehood in a decade—will be the romance of the closing years of the nineteenth century. It will present to posterity a panorama of American history more stupendous than that of any other period in the history of the great republic of the western hemisphere. Truly, the achievements of peace and civilization are more renowned than those of war.

"The question as to what our boundaries shall be in connection with the final destiny of the Indian territory need not be any impediment to the prompt admission of Oklahoma to statehood. Congress will unquestionably reserve to itself the power to modify the boundaries of the Indian territory when the troubled conditions which exist there are composed, when tribal relations are extinguished, when the land now held in common is allotted in severalty, and when a peaceful system of taxation can be imposed upon the territory. The rights of Indians and the exercise of good faith on the part of the United States Oklahoma, in my judgment, will be admitted to statehood, and ought to be admitted under the conditions set forth in the Fairbanks bill now pending in the United States senate."

"In the last analysis I believe that the country of the new Indian will become part of the state of Oklahoma, and that notwithstanding the almost universal opposition that now exists on the part of the Indians and the white population residing there, they will finally welcome the state as the best possible solution of the complex problems and the conditions by which they are surrounded. This result is contemplated by the Fairbanks bill, by which people of Oklahoma are clothed with the authority of immediate statehood, for which there is now ready, and it which they are justly entitled."

"Great in her territorial area, heroic in her history and purpose, and confident of the future, Oklahoma will enter the Union with conditions more favorable than ever enjoyed by any other state of an American state. She will take her place among the slow commonwealths, confident of her ability to perform well her part as one of the integral sovereignties of the great republic of the earth. Her voice in the councils of the nation will be no unimportant part of that consensus of opinion which constitutes public policy, and which legislation which may serve or retard the prosperity of the people. In a word, Oklahoma will become a state with a vigorous American and independent character, demanding equal rights for all, and special privileges for none."

Hon. F. R. Fagan, president of the Guthrie Club, welcomed the delegates to the hospitality of the city and was responded to in fitting terms by Sen. F. E. Gillette, of El Paso, Col. H. E. Haves of Elkhart, was elected temporary chairman and in his speech made the substantial opening talk this would probably be the last statehood convention held in Oklahoma.

Hon. E. J. Simpson, of Elkhart, was made temporary secretary, and after the naming of the usual committees, adjournment was taken until after supper.

FIGHT ON FEE BILL

Committee Acts Unfavorably on Council Bill No. 24.

BIG FLOOD OF ORATORY

Turned Loose Which Occupied the Entire Morning.

Guthrie, O. T., Jan. 30.—Neither branch of the Oklahoma legislature was in session this afternoon on account of the statehood convention. The principal debate in the council this morning was occasioned by an unfavorable report submitted by a majority of the judiciary committee on council bill 24, which provides for the payment of fees to witnesses and jurors in criminal cases. Senator Miller submitted a minority report, and a motion to adopt the latter report lost a vote of 13 to 9. The council then turned to the consideration of a bill creating the office of district court clerk. The announcement of the vote raised the question of what constituted a constitutional majority of the house. Prior to the session of 1899 it had been uniformly held that it required fourteen votes, or a majority of all the members elected, to pass a measure in the house, but in 1899 the precedent was reversed in ruling upon the vote by which the governor's veto of the famous council bill No. 10 was not sustained. The ruling was that at that time, and so announced by Speaker Stevens this morning was that to pass a bill it required only a majority of the members present and voting.

The house this morning concurred in the council resolution which provides for a committee of three to visit and inspect the grounds and buildings at Camp Supply. The clerk of the house read a communication inviting the members to be the guests of the city of Alva on the occasion of the Woodward junket. No action was taken for the present. Bills were introduced in the house today as follows: H. B. No. 101, by Seelye, an act to repeal article 4, chapter 20, session laws of 1899, entitled, public libraries.

H. B. No. 102, by Hardley, an act to provide for the construction of a dam and to regulate its sale, transportation, etc., by the territory. H. B. No. 103, by Mathews, of Greer, an act to amend section 26, chapter 15, session laws of 1897, relating to fees and salaries.

H. B. No. 104, by Ferguson, an act to amend sections 1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14, 15, 16, 17, 18, 19, 20, 21, 22, 23, 24, 25, 26, 27, 28, 29, 30, 31, 32, 33, 34, 35, 36, 37, 38, 39, 40, 41, 42, 43, 44, 45, 46, 47, 48, 49, 50, 51, 52, 53, 54, 55, 56, 57, 58, 59, 60, 61, 62, 63, 64, 65, 66, 67, 68, 69, 70, 71, 72, 73, 74, 75, 76, 77, 78, 79, 80, 81, 82, 83, 84, 85, 86, 87, 88, 89, 90, 91, 92, 93, 94, 95, 96, 97, 98, 99, 100, 101, 102, 103, 104, 105, 106, 107, 108, 109, 110, 111, 112, 113, 114, 115, 116, 117, 118, 119, 120, 121, 122, 123, 124, 125, 126, 127, 128, 129, 130, 131, 132, 133, 134, 135, 136, 137, 138, 139, 140, 141, 142, 143, 144, 145, 146, 147, 148, 149, 150, 151, 152, 153, 154, 155, 156, 157, 158, 159, 160, 161, 162, 163, 164, 165, 166, 167, 168, 169, 170, 171, 172, 173, 174, 175, 176, 177, 178, 179, 180, 181, 182, 183, 184, 185, 186, 187, 188, 189, 190, 191, 192, 193, 194, 195, 196, 197, 198, 199, 200, 201, 202, 203, 204, 205, 206, 207, 208, 209, 210, 211, 212, 213, 214, 215, 216, 217, 218, 219, 220, 221, 222, 223, 224, 225, 226, 227, 228, 229, 230, 231, 232, 233, 234, 235, 236, 237, 238, 239, 240, 241, 242, 243, 244, 245, 246, 247, 248, 249, 250, 251, 252, 253, 254, 255, 256, 257, 258, 259, 260, 261, 262, 263, 264, 265, 266, 267, 268, 269, 270, 271, 272, 273, 274, 275, 276, 277, 278, 279, 280, 281, 282, 283, 284, 285, 286, 287, 288, 289, 290, 291, 292, 293, 294, 295, 296, 297, 298, 299, 300, 301, 302, 303, 304, 305, 306, 307, 308, 309, 310, 311, 312, 313, 314, 315, 316, 317, 318, 319, 320, 321, 322, 323, 324, 325, 326, 327, 328, 329, 330, 331, 332, 333, 334, 335, 336, 337, 338, 339, 340, 341, 342, 343, 344, 345, 346, 347, 348, 349, 350, 351, 352, 353, 354, 355, 356, 357, 358, 359, 360, 361, 362, 363, 364, 365, 366, 367, 368, 369, 370, 371, 372, 373, 374, 375, 376, 377, 378, 379, 380, 381, 382, 383, 384, 385, 386, 387, 388, 389, 390, 391, 392, 393, 394, 395, 396, 397, 398, 399, 400, 401, 402, 403, 404, 405, 406, 407, 408, 409, 410, 411, 412, 413, 414, 415, 416, 417, 418, 419, 420, 421, 422, 423, 424, 425, 426, 427, 428, 429, 430, 431, 432, 433, 434, 435, 436, 437, 438, 439, 440, 441, 442, 443, 444, 445, 446, 447, 448, 449, 450, 451, 452, 453, 454, 455, 456, 457, 458, 459, 460, 461, 462, 463, 464, 465, 466, 467, 468, 469, 470, 471, 472, 473, 474, 475, 476, 477, 478, 479, 480, 481, 482, 483, 484, 485, 486, 487, 488, 489, 490, 491, 492, 493, 494, 495, 496, 497, 498, 499, 500, 501, 502, 503, 504, 505, 506, 507, 508, 509, 510, 511, 512, 513, 514, 515, 516, 517, 518, 519, 520, 521, 522, 523, 524, 525, 526, 527, 528, 529, 530, 531, 532, 533, 534, 535, 536, 537, 538, 539, 540, 541, 542, 543, 544, 545, 546, 547, 548, 549, 550, 551, 552, 553, 554, 555, 556, 557, 558, 559, 560, 561, 562, 563, 564, 565, 566, 567, 568, 569, 570, 571, 572, 573, 574, 575, 576, 577, 578, 579, 580, 581, 582, 583, 584, 585, 586, 587, 588, 589, 590, 591, 592, 593, 594, 595, 596, 597, 598, 599, 600, 601, 602, 603, 604, 605, 606, 607, 608, 609, 610, 611, 612, 613, 614, 615, 616, 617, 618, 619, 620, 621, 622, 623, 624, 625, 626, 627, 628, 629, 630, 631, 632, 633, 634, 635, 636, 637, 638, 639, 640, 641, 642, 643, 644, 645, 646, 647, 648, 649, 650, 651, 652, 653, 654, 655, 656, 657, 658, 659, 660, 661, 662, 663, 664, 665, 666, 667, 668, 669, 670, 671, 672, 673, 674, 675, 676, 677, 678, 679, 680, 681, 682, 683, 684, 685, 686, 687, 688, 689, 690, 691, 692, 693, 694, 695, 696, 697, 698, 699, 700, 701, 702, 703, 704, 705, 706, 707, 708, 709, 710, 711, 712, 713, 714, 715, 716, 717, 718, 719, 720, 721, 722, 723, 724, 725, 726, 727, 728, 729, 730, 731, 732, 733, 734, 735, 736, 737, 738, 739, 740, 741, 742, 743, 744, 745, 746, 747, 748, 749, 750, 751, 752, 753, 754, 755, 756, 757, 758, 759, 760, 761, 762, 763, 764, 765, 766, 767, 768, 769, 770, 771, 772, 773, 774, 775, 776, 777, 778, 779, 780, 781, 782, 783, 784, 785, 786, 787, 788, 789, 790, 791, 792, 793, 794, 795, 796, 797, 798, 799, 800, 801, 802, 803, 804, 805, 806, 807, 808, 809, 810, 811, 812, 813, 814, 815, 816, 817, 818, 819, 820, 821, 822, 823, 824, 825, 826, 827, 828, 829, 830, 831, 832, 833, 834, 835, 836, 837, 838, 839, 840, 841, 842, 843, 844, 845, 846, 847, 848, 849, 850, 851, 852, 853, 854, 855, 856, 857, 858, 859, 860, 861, 862, 863, 864, 865, 866, 867, 868, 869, 870, 871, 872, 873, 874, 875, 876, 877, 878, 879, 880, 881, 882, 883, 884, 885, 886, 887, 888, 889, 890, 891, 892, 893, 894, 895, 896, 897, 898, 899, 900, 901, 902, 903, 904, 905, 906, 907, 908, 909, 910, 911, 912, 913, 914, 915, 916, 917, 918, 919, 920, 921, 922, 923, 924, 925, 926, 927, 928, 929, 930, 931, 932, 933, 934, 935, 936, 937, 938, 939, 940, 941, 942, 943, 944, 945, 946, 947, 948, 949, 950, 951, 952, 953, 954, 955, 956, 957, 958, 959, 960, 961, 962, 963, 964, 965, 966, 967, 968, 969, 970, 971, 972, 973, 974, 975, 976, 977, 978, 979, 980, 981, 982, 983, 984, 985, 986, 987, 988, 989, 990, 991, 992, 993, 994, 995, 996, 997, 998, 999, 1000.

WIRELESS NOT NEEDED

Remarkable Discovery of Prof. Slaby of Berlin.

FROM THE COAL DIRECT

He Thinks He Can Produce Electrical Power.

Berlin, Jan. 30.—Prof. A. Slaby, of the Berlin Technische Hochschule, in the course of a remarkable interview on the "Coming Electrical Revolution," which is to appear in the forthcoming number of a new technical periodical, asserts that his recent invention, multiplex wireless telegraphy, will produce a very great transformation in existing methods. It will be possible, he declares, to apply the principle to submarine cables in such a way as to send hundreds and even thousands of messages simultaneously upon the same wire, thus enormously cheapening rates. Prof. Slaby believes that the problem of direct production of electricity from coal will be solved. Germany, he predicts, will be the foremost nation of the 20th century in technical production, and electric power will be the main source of power and light. He is confident of the success of the electrical express locomotives now being constructed in Berlin for a speed of 200 kilometers an hour.

LOGAN STONE WRITES

He Suggests a Practical Land Opening Plan. El Reno, O. T., Jan. 30.—Editor of The Eagle: I have heard to different plans concerning the opening of the Kiowa and Comanche lands, but none that I think proper, therefore I send you the following proposition: From the outlook it is apparent that the Kiowa and Comanche lands are settled with a run of life, for many are already declaring their intention to go well armed, and have homes if they have to fight for them. Prof. Slaby will be the main source of power and light. He is confident of the success of the electrical express locomotives now being constructed in Berlin for a speed of 200 kilometers an hour.

GOOD PROSPECTS

OKLAHOMA SUPREME COURT BILL IN FAVOR

Benford, Irwin and Flynn Urged Its Passage Yesterday.

Washington, D. C., Jan. 30.—(Special)—It is not improbable that Oklahoma supreme court may be enlarged from five to seven members. Delegate Flynn with Judge Burford and Irwin today appeared before the committee of judiciary of the house. Flynn presented the needs of Oklahoma and then introduced the judges for detailed explanation. In his remarks Flynn stated that the Oklahoma territory is a separate court. There was no precedent, however, and rather than lose any relief he favored the bill to increase from five to seven members under present conditions. The passage of the bill means more home rule, for Flynn proposes in it that the judges selected shall be practicing attorneys of at least a year's residence in the territory. The bill is a separate court. There was no precedent, however, and rather than lose any relief he favored the bill to increase from five to seven members under present conditions.
