

WOMAN'S RASH ACT

Mrs. Peters Makes an Attempt to End Her Life.

WAS DETERMINED TO DIE

She Fought Off Assistance and Wanted More Morphine

Throb of life and weaned of the troubles of this world, Mrs. A. Peters made an attempt to commit suicide in her rooms in the South Station building last night by taking an over dose of morphine.

When found Mrs. Peters had almost succumbed to the effects of the drug. Assistance was immediately called, and several of the ladies who live in the adjacent apartments went into the room and tried for the unfortunate woman with medical assistance was sent for.

It is reported that it was impossible to arouse any flickers in the neighborhood. It was several hours before a physician arrived to care for the woman. Meanwhile the value of the house was being estimated and it is believed that the woman's condition is such that she will not recover.

At about 12 o'clock, it being impossible to get a doctor, the police were notified and immediately took charge, calling Dr. H. P. Harris, who answered the summons at once.

After working with Mrs. Peters for a little while giving her medicine, he succeeded in getting her to this point where she was pronounced to be out of danger.

Mr. Peters, the unfortunate woman's husband, in talking to an Eagle reporter stated that this was his wife's second attempt to take her own life.

Yesterday he arrived home a little later than usual. He then went out and returned about 8 o'clock. Later he went to the theater and on returning found his wife almost dead from the effects of the drug she had taken.

Mr. Peters stated that after his wife had a hysterical attack in St. Louis, and a young son, Gus Williams in this city, and a beautiful daughter, Mrs. Peter in Topeka, both of whom were her children by her first husband.

Mr. Peters is a native of St. Louis, Mo., and has lived in this city for the past several years. He is a well-to-do man and has a comfortable home in the city.
