TEAMS ARE FINE ONES

And the Battle Will by a Royal Contest.

There has been a great deal of interest awakened recently in athletics in Wichita. Especially has this been true of the baseball game. News before have had such good baseball teams as this spring. Never have so many good games been scheduled for the amusement of the Wichita public.

The Fairmount team will be in good condition and expect to place the Fairmount team in a good position on an equal footing with the first college towns of the state.

The Washburn team will arrive in the city today, and it is expected that they will have a hard fight from start to finish. The Washburn team will arrive in the city today, and it is expected that they will have a hard fight from start to finish.

There are few lotions, salves or soaps that do not contain arsenic, or some other injurious ingredient, and their use only aggravates your trouble by clogging the pores of the skin and interfering with nature's efforts to relieve the system of impurities.
