

AFTERMATH OF ILLUMINATED RUN

Harley McCall Seriously but Not Dangerously Hurt.

INFORMATION GIVEN OUT

Fair Lady Was Harry Byers a Carey Bellboy.

Harley McCall, foreman of hose house No. 2 has seriously, but not dangerously wounded at his home near Eighteenth street and Topoka avenue, and Harry Byers, has injured at the Wichita hospital, as a result of the escape from the fifth story of the Hotel Carey at the time of the illuminated fire run.

The lad Byers, for such he is, was the fair lady and McCall was the rescuer. Byers was employed as a bell boy at the Carey. In making the rescue too much of a swing resulted as McCall and Byers left the fifth story window, and each struck violently against a window sill of the third story as they made the descent.

Mr. McCall's back and right shoulder were badly bruised. At the time of the arrival at the first story, the descent was being made too rapidly. The rope which was a new one burned McCall's hands and he was compelled to let go. But prompt work on the part of Assistant Marshal Shamer, who saw that McCall had let go of the rope and who broke their fall, the two would no doubt have been killed.

As it was the tendency of McCall's right leg were ruptured and he is seriously wounded. The Byers boy received a badly wrenched leg and he is also bruised. Each has a burn on the neck as a result of coming in contact with the rope as they came down.

McCall's right hand is also burned considerably and a glove which he wore was burned in two as if cut by a knife. Byers, it was said at the hospital last night, will be able to be out in the course of a week or ten days.

McCall's condition is more serious. Dr. Fuller, who has had charge of the patient, said last night: "While Mr. McCall's injuries are serious, none are dangerous. It will be, however, five or six weeks before he will be able to use the injured leg and foot. I found it necessary to place the limb in a plaster cast which cannot be removed sooner than four weeks at the earliest. Other wounds, consisting of bruises and burns will require probably a week or ten days to heal."

An air of mystery has surrounded the accidents to the participants in the rescue at the time of the fire run and it was not until last evening that the exact particulars were obtained.

Before that those who were supposed to know of the accident, refused to tell. Others who didn't know much about it, but who thought they did, were served. It was reported at one time, that McCall was dead. Another time it was supposed to be the boy who was seriously injured and the man was supposed to have escaped being hurt.

Immediately after the fall, a cab was summoned and Byers was taken to the hospital. McCall was immediately sent to his home. All effort was exerted to get the details of the accidents out of no avail. The few who knew of the details keeping them strictly to themselves.

DIED LAST EVENING.

D. E. Markel Succumbed Suddenly to Liver Trouble.

Richard Markel died suddenly last evening, about 6 o'clock, at his home, 47 Wabash avenue. He had been troubled for many years with liver complaint, but his disease was not thought to be serious. Prior to several days ago he had been up and around as usual.

Mr. Markel had resided in Wichita for nearly twelve years. He came here from Pella, Iowa. He leaves a wife and two children. During his residence in Wichita, Mr. Markel was engaged continuously in the railroad business. He held responsible positions at different times with the Rock Island and Missouri Pacific railroads. On a short time ago he quit a position at the Missouri Pacific and had accepted another which he was soon to have commenced work at.

Mr. Markel was a brother of Mrs. W. H. Herbig. Funeral services will be held from the residence, Tuesday morning, at 9 o'clock.

JAMES CHRISTIE, DEFENDANT.

Is Charged With Obtaining Money Under False Pretense.

A suit has been filed in the district court against James Christie by Charles and Otto Poinisch, charging the former with obtaining money to the amount of \$50 from them under false pretense. They allege that on the 4th day of June, 1903, Christie applied to them for a loan of \$50 and in order to induce them to believe that he was worthy of credit, pretended that he was solvent and stated that he was drawing a salary of \$50 per month from his employers, the Watson Milling company, and that he had been promised an advance in salary of \$50 additional per month beginning with the first of July. They state that they relied on his statements and loaned him the \$50. Later, they allege, they learned that he was not

solvent, that he was drawing a salary of only \$100.00 from the Watson Milling company, and that he had not been promised an advance in salary of \$50 per month. The plaintiffs ask that they be given judgment against the defendant for \$50 with interest at the rate of 10 per cent per annum from June 4, 1903.

James Christie, the defendant in the suit, together with Selig & Lytle, was interested in the Lytle Drug company, which was declared insolvent a short time ago.

SEARCHING FOR DAUGHTER.

Heartbroken Father Says His Child Deserted Him.

G. W. Vanduzen, an old gentleman of Medford, O. T., was in the city yesterday with a sad story of an ungrateful daughter, who, it appears, has deserted her home and parents for a life with a roving band of movers. Mr. Vanduzen came here looking for his daughter, and enlisted the services of the police force, but after searching all over the city yesterday he was unable to find her and returned to his home last night a heartbroken father. The daughter's name is Ethel Vanduzen, and she is about 14 years of age, but large for her age and apparently 16 years old, according to the statement of her father. Last week she went with her parents to a carnival at Blackwell and when the parents were ready to return to Medford the girl asked to remain for a couple of days with a friend in Blackwell. Her parents consented and returned home. They heard nothing from the daughter and finally learned that she had left Blackwell. Mr. Vanduzen went there in search of her and found that she had departed with a man in a covered wagon. He secured a description of the man and wagon and then started on a long hunt. Friday he heard that she had come to this city and he hurried here, but although it is thought that the girl has been here during the week she could not be found yesterday. Mr. Vanduzen visited all the camps around the edges of the city but to no avail. He left a complete description of the girl and the outfit with the police and gave them instructions to wire him in case she is located.

FAIRMOUNT THE WINNER.

In Football Game With Wellington Team Yesterday.

Fairmount won from the Wellington football team yesterday by a score of 10 to 0 on the Fairmount field. The Fairmount team showed marked improvement in handling the ball over their first game. The Wellington boys were a heavy set and played hard. But lock, Fairmount's old tackle, was in the game with Wellington, but found his old place well filled by Russell. There was only one disagreeable feature attached to the game: Wellington showed a disposition to delay the game by wrangling. The first half opened with Wellington kicking off. This has changed hands a couple of times, but Fairmount showed Foster over the line for the first touch-down. Davis missed goal.

The second half showed much better ball. Solter distinguished himself by a couple of fine end-runs, one of which resulted in a touch-down. Bates also acquitted himself well on line backs. Both sides resorted to punting in which Fairmount had the best of the argument. The game closed with the ball in Fairmount's possession on Wellington's 10 yard line. The line-up was as follows: Wellington. Fairmount. Wentworth.....Center.....Hedrick Hullock.....R. Tackle.....Foster Rimmell.....R. Guard.....Patterson Augner.....R. End.....Kirk Crowell.....L. Guard.....Solter Chapman.....L. Tackle.....Kirk Houshonger.....L. End.....Hoop-Stall Massey.....R. Half.....Davis Gillard.....L. Half.....Brown Haughey.....Full.....Bates

Line of halves 25 and 20 minutes; touch-downs, Solter, Foster, Houshonger, Houshonger, Wakelind, Houshonger, Houshonger. On next Saturday Fairmount will meet the strong St. Normal team. It will be the best team that will appear in Wichita this season and the people will have a chance to compare Fairmount's strong team with a state team.

HIS NINETEENTH YEAR

Of Law in Wichita Completed by George Adams Yesterday.

Last evening George Adams completed his nineteenth year in the practice of law in Wichita. That long ago he put his single out in the old Eagle building. But one of his neighbors of that day remains, and that one his landlord, Judge Little, to whom George has paid the rent in that long period. Mr. Adams started in with Assistant Postmaster McCoy as a law student in his office. Near him was the law office of Hutton, Ruggles & Pearson, where Yank Owens presided as chief clerk. Near by, too, was Judge Holter's court, also Les Holing's Arrow. Beneath on the first floor was the Wichita National bank and the dry goods store of Hovey & Jackson. During all these years George Adams has been a hard worker and a hard student and at the end of his nineteenth year his friends feel gratified that he ranks with the most talented legal talent of the state.

BACK TO SOUTH AFRICA.

Eugene Calhoun Cuts Wichita Visit Shorter Than Was Expected.

Eugene Calhoun, who has been visiting friends and relatives in the city for the past few weeks, was called yesterday by cablegram to South Africa, on urgent business. He will start for that place this morning.

Mr. Calhoun, who is a former Wichita boy having grown up in this city and lived here for a number of years, is connected with a big laundry concern in South Africa. Tomorrow morning he will take the train here and go direct to New York City. From New York he will go to London, and from that place to East London, Cape Colony, South Africa, at which place he has headquarters. Mr. Calhoun travels some in and out of the last named city.

He had intended to spend several more weeks visiting friends here, but a cablegram from the firm for which he is working summoned him to South Africa to report for duty at once.

Miss Hallie Tucker, of Arkansas City, is in the city, the guest of the Misses Hester and her cousin, Ernest Tucker, on the West Side.

SAMPLE ACQUITTED

IN CITY COURT

Hearing Occupied the Whole Day Yesterday.

JURY OUT 30 MINUTES

Andrews Was Released on Bond of \$1,000

Charles Sample, the young man who has been out on bond under the charge of defrauding the firm of Wallenstein & Cohn, while acting as an employee of the Wells-Fargo Express company, was acquitted in the city court about six o'clock by a jury, after it had been out less than half an hour. Sample was represented by Adams & Adams while County Attorney Eckstein represented the state.

The charge on which Sample was arrested was that of defrauding the firm of Wallenstein & Cohn out of \$1.7 and was said to have been committed on September 1. It was alleged that he delivered a package to that firm which had been expressed with the Wells-Fargo people from Philadelphia, and upon which the charges were \$3.40. That he represented that the charges were \$3.47 and collected that amount, turning in to the express company only \$3.40, thereby defrauding Wallenstein & Cohn out of \$1.7.

The hearing of the case was not for last Thursday but the attorneys for the defendant demanded a jury trial and the case was continued until yesterday. Court was called at 5:30 and the Sample case was the first one called. It required until the middle of the afternoon to take the evidence and the arguments which followed lasted until 6 o'clock.

The legal fight was a hard one and proved very interesting for those who had gathered in the court room. Sample, with some of his relatives was present. The case was submitted to the jury at 6 o'clock and at 6:30 they returned a verdict of not guilty, much to the satisfaction of Sample, his attorney, Geo. Adams and to many friends who were present.

It was stated some time ago that two more charges were to be brought against Sample in case he was not convicted on the first charge but it is generally supposed that these charges will be dismissed.

A. S. Andrews, the other young man who was arrested on a charge practically the same as that of Sample and who has been in the county jail since his arrest which occurred in Kansas City, was released on a bond of \$1,000 yesterday afternoon. The bond was signed by J. E. Dadds and J. E. Brown as sureties. Mr. Andrews is still in the city and it is thought that with his wife he will remain here until after the trial in the district court which will occur some time in October.
