

MRS. M. E. KLENTZ DIES OF PNEUMONIA

Wichita's Oldest Milliner Succumbs to Illness

HAD LIVED HERE 27 YEARS

Woman Was Charter Member of Lutheran Church.

Mrs. Marie E. Klentz, aged 65 years, the well known milliner of North Main street, and one of the city's oldest and most prominent settlers, passed away at her home, 168 North Main street, yesterday afternoon at 1:30 o'clock after a short illness of tubercular pneumonia.

For several months past Mrs. Klentz had been in ill-health, but she was confined to her home only three weeks and her condition was not considered dangerous until just a few days ago. Her death came as a great shock to her devoted family.

Marie E. Klentz was born in Mecklenburg-Schwerin, Germany, April 23, 1839, and moved to America with her parents while a young girl. She married Mr. Klentz in Marshalltown, Ia., thirty-eight years ago. In the spring of 1877 they came to Wichita and Mrs. Klentz embarked in the hair-dressing and hair goods business, while her husband worked for some outside concern. Two years later she enlarged her business and established a stock of millinery goods, in which business she has been very successful.

She is survived by four children, George, Sophie, Maudie and Fred. Mr. Klentz having died twelve years ago. In the death of Mrs. Klentz Wichita not only loses one of her earliest and highly respected settlers, but also a clever business woman whose loss will be deeply felt by both the city and its surrounding country.

As yet no arrangements have been made for the funeral services.

SHOWERS AGAIN PREDICTED.

However, the Weather Man Anticipates a Warmer Climate.

Showers are predicted for this section today, but it will be somewhat warmer than yesterday.

There were local showers over practically all the state yesterday, but the average rainfall was very light.

The highest temperatures were shown yesterday over the Pacific northwest. A temperature of 91 degrees was shown at El Paso and 88 degrees at Phoenix.

The maximum temperature in this section was 69 degrees, with a minimum of 54.

BIGGEST CROWD YET.

Pike Fairly Swarmed With Visitors Last Night.

The largest crowd of the week attended the Pike last night, and standing room was at a premium in most of the shows, especially so in the "Tyrant of the Alps," which is an attraction of the highest class, showing wonderful workmanship in making such a realistic scene of the village in the Alps.

The electrical fountain is fine and one of the crowning features of the carnival. It is one of the best attractions. Also the high dive, another fine attraction, was successfully performed and was of the exciting order.

Confetti was sprinkled just a little more generously than usual on every one present. All seemed to enjoy the sport until the closing order.

DYSPEPSIA REMEDY THAT CURES

W. S. S. L. Does Not Cure Gehrings & Higginson Will Refund Your Money.

Among all the remedies in this popular drug store there are few that they are willing to sell on a guarantee to refund the money if they do not cure. W. S. S. L. the famous dyspepsia remedy, has made so many cures among their customers that Gehrings & Higginson say "if this remedy does not cure you, bring back the empty box and we will cheerfully refund your money."

Any one who has dyspepsia, indigestion, headaches, dizziness, or other troubles, should take advantage of this chance to be made well without any risk of spending money to no purpose. W. S. S. L. will cure; will regulate the digestion; will enable any one to eat what he wants. If it does not do all this, the medicine will not cost you a cent.

Gehrings & Higginson have sold a great many boxes of W. S. S. L. in the last few weeks and have yet to receive the first complaint from any customer. Such a record is simply marvelous and speaks volumes for the merit of the remedy.

It is easy enough to fill a column with the symptoms affecting those who have dyspepsia, but there is no need of describing their condition. What they want is a cure. And they have it in W. S. S. L.

Do not suffer a day longer with disordered digestion. If W. S. S. L. cures you it costs you 50c a box, and if it does not, is an absolute guarantee to return your money.

Catarrh Invites Consumption

It weakens the delicate lung tissues, deranges the digestive organs, and breaks down the general health. It often causes headache and dizziness, impairs the taste, smell and hearing, and affects the voice. Being a constitutional disease it requires a constitutional remedy.

Hood's Sarsaparilla

Radically and permanently cures catarrh of the nose, throat, stomach, bowels, and more delicate organs, and builds up the whole system. No substitute for Hood's acts like Hood's. Be sure to get Hood's.

TWENTIETH ANNIVERSARY.

First Wichita Daily Eagle Was Published May 20, 1884.

Today the Daily Eagle is twenty years old. This issue is the beginning of volume 20. Just a fifth of a century ago the initial number of the Daily Eagle was taken from the press, but the weekly edition of the paper had been running for years.

Many things of importance and interest to the city, state and country have transpired during those twenty years and the Eagle has lived and prospered through them all. In that length of time five presidents were elected, new territories have been acquired, new industries have sprung up and Wichita has grown into a magnificent city.

Twenty years ago the times were turbulent for the launching of a daily publication. Wichita was not as flourishing as it might have been, the adjacent country was not as healthy, financially, as it has been since, and general conditions were not as congenial to fresh enterprises as could be wished for.

Illustrative of the relentless energy and ambition of the broad and hopeful outlines and plans of Editor-in-chief M. M. Murdoch the following, taken from the first issue of the Daily Eagle, is given: "It has been our life's ambition to stand at the head of a daily journal. For this in the early days of this city, we severed ties which bound very strongly, left the people who not only sympathized with and sustained us for a long term of years, but who honored us over and above our deserts, to come to a town in whose future we thought we saw some of the grand possibilities now being realized. For six years past we have laid away in boxes the necessary extra material for a daily paper, awaiting the auspicious hour when the demand should warrant the venture." This is taken from an editorial which was headed, "Although and But That Now."

The leading feature in the way of telegraphic news was the "Eric Bank Failure in Pennsylvania." There was also some important Washington correspondence given besides many stirring news items from various parts of the country. The telegraphic service on the first issue was the first of the kind in the city.

In looking over the file of the first number the following advertisers were found, each having a large amount of space: Rock & Wells, A. Smith, Killeen & Stockinger, Carvin & Rhodes, Harker & Jackson, J. P. Allen, John Davidson, W. J. Albee, B. K. Brown, Freeman & Peckham, J. F. Stafford, Oliver Brothers, Edman Brothers, Israel Brothers, M. A. Newton, Smith & Hahn, J. E. Richmond, W. B. Mead, Larimer & Silcock, Snelberger, Imboden & Oliver, William Kassel, Robinson Brothers, J. M. Allen, H. W. Kendle, Hollowell & Doran, S. D. Pallett, Kansas State bank, N. P. Nordlander, W. E. Jett & Co., Frank C. Weir, F. Ross, Hibarger Brothers, the Davidson Loan company, Manuel & Dresler, H. C. Wilson, Peckham & Heller, H. F. Friend & Co., the German Grocery, Bank of Commerce, Lombard Mortgage company, Wichita National bank, Citizens' bank, Cooper, etching, M. Kohn & Co., Bloss & Melvin, Innes & Ross, Lawrence Drug company and several other smaller ones.

The paper was then an eight column folio, since having been changed to a seven column paper with ten and twelve pages on week days and twenty-eight pages on Sundays.

COOPER AND FAIRMOUNT.

Sterling College to Play Ball With Local Team.

Cooper college will play Fairmount on the home grounds today. Cooper has an exceptionally strong team this season. They have lost only two out of twelve games, having beaten Bethany and Friends university. Their crack pitcher, McCarroll, will be in the box. He struck out thirteen of the "Terrible Swedes" in a game last Sunday. "Big Bill" Davis will pitch for the locals. The two teams will line up as follows:

Table with 2 columns: Name, Position. Cooper: McCarroll, Pitcher; Davis, Catcher; Hoss, Infielder; Ramsey, Infielder; Salter, Outfielder; Gutteridge, Outfielder; Smith, Outfielder; Cole, Outfielder; Browder, Outfielder; Barker, Outfielder; Caldwell, Outfielder; Burton, Outfielder. Fairmount: Hoss, Catcher; Davis, Pitcher; Ramsey, Infielder; Salter, Infielder; Gutteridge, Outfielder; Smith, Outfielder; Cole, Outfielder; Browder, Outfielder; Barker, Outfielder; Caldwell, Outfielder; Burton, Outfielder.

LEWIS ACADEMY LOSES.

Commercial College Wins Baseball Game by Good Score.

The Commercial college won from Lewis academy yesterday evening by a score of 4 to 2. The game was called at 4:30 on the Hess field. Both teams started in well, but in the second two hits and three errors netted the Commercial four runs.

Lewis shut them out in the third and sent a man over the rubber, but in the fourth the Commercial sent two more men around. That ended the scoring for either team until the ninth, when the Academy scored one more on a single and Merry's long drive to center.

The fielding of both teams was ragged, although some star work was done. Merry pitched good ball for the Academy all through, striking out ten men and allowing no walks. Birch, for the Commercial college, also pitched some good ball, but was lacking in control, giving five bases on balls and striking out eight men.

Commercial won by timely hitting, each team making numerous errors, but those of the Academy coming at critical times.

Score by innings: R.H.E. Commercial.....0 4 2 0 0 0 0 4 7 3 Lewis.....0 0 1 0 0 0 0 1 2 5 8

STABBING FRAY ON SANTA FE TRAIN

Boy Arrested for Assault with Intent to Kill.

PRISONER IN COUNTY JAIL

Thomas Blunt and Homer Pratt the Participants.

W. S. Hawk, deputy city marshal, returned from Valley Center last night where he arrested and later placed Thomas Blunt in the Sedgewick county jail. Blunt is charged with assault with intent to kill Homer Pratt, also of Valley Center.

The offense with which Blunt is charged occurred early yesterday morning on Santa Fe passenger train No. 18, between Wichita and Valley Center. Blunt, Pratt, Bruce Carpenter and Herbert Koble made up a party of four from Valley Center who attended the spring carnival. According to witnesses Pratt and Blunt engaged in an altercation while on the way home, in which Pratt was the aggressor.

Pratt, it is said, was slapping Blunt about the face when the latter drew a pocket knife and cut Pratt about the right shoulder. In a terrible struggle which ensued Blunt again stabbed Pratt, that time three blows in the breast. The wounds extended to a depth of several inches and Pratt's lungs were penetrated. Pratt was carried for the best possible until Valley Center was reached, when he was taken to the hospital and medical attendance was summoned. He had lost great quantities of blood, and due to that coupled with his severe wounds, it is feared that he will never recover. It was reported yesterday afternoon that Pratt was in a dying condition.

Late last night, however, he was reported as showing an improvement and the attending physician thinks he stands a little better show for recovery.

Homer Pratt, the injured man, is about 23 years of age, and a member of one of Valley Center's most prominent families. Thomas Blunt is about three years Pratt's junior. He is said to bear a good reputation and was never before known to have been in trouble. He is an orphan, his parents having died some time ago. Prior to about one year ago Blunt was a resident of Wichita. He was employed as a farm hand by a family named Reilly, about two miles west of Valley Center, when placed under arrest.

The warrant charging Blunt with assault with intent to kill was sworn out last evening by Oscar Pratt, a brother of the injured man. When Marshal Hawk arrived at the farm, where Blunt was employed "last evening, he found the young man engaged in plowing corn. Blunt made no attempt to get away and showed no fear at being arrested. He does not deny the charge, but claims self defense.

"I am sorry the trouble happened," said Blunt, "but it could not be helped. I had no desire to fight with Pratt, but he would not let me alone. I only cut him in self defense. I hardly thought that I would be arrested, although I have no fear of coming clear."

On his arrival in Wichita last night in custody of the officer, Blunt carried with him the names of several Newton people who witnessed the fight. Blunt says they all volunteered to give him their names and agreed to appear at the trial as witnesses for him should he be arrested.

The pocket knife with which Blunt cut Pratt is of an unusually large pattern. The blade with which the stabbing was done is fully three inches in length. Blunt had the knife in his possession when arrested and it was later taken charge of by the deputy marshal, who took the young man into custody.

The party of four from Valley Center, who were all together when the fight occurred, had spent the day visiting the spring carnival in Wichita. They boarded the Santa Fe train due to leave here at 10:20 p. m., but which was late and did not leave until 11 for their return trip home. The fight occurred while the train was passing through North Wichita. News of the fray did not reach Wichita until yesterday morning.

LOW RATE GRANTED.

Railroads Make Concessions for Wichita Fair Carnival.

H. J. Resting, secretary of the Commercial club, announced last night that a rate of one fare had been secured on all railroads from all points in Kansas and Oklahoma for the Wichita fall street fair to be held from September 23 to October 2. This will be another "good time" for Wichita and her visitors, and this low rate will no doubt enable all to attend.

There will be a regular meeting of the transportation bureau at the Commercial club rooms tonight.

Fifteen tons of nutrients from Alaska are to be given away to visitors at the World's Fair as souvenirs.

F. W. Woody, assistant postmaster, Champaign, Ill.: "Herpicide completely stopped my falling hair."

A Question of Price Many people judge quality by price—and so measure all advertisements by this one rule. It's a mistake. You can't measure "H. & H." Clothing with the offerings of ordinary stores. We seek the best and we get it. Other stores are not so particular. This is why H. & H. Clothing invariably gives more satisfaction in wear as well as appearance. If you're a bit particular see our new "Swell-Sak," a three-button sack suit of a fascinating combination of black, white and green, the white and green forming a faint overplaiding.
