Edmund Dennis Miller, a member of the bar of Louisiana for many years, has been admitted to practise in all Territorial courts by the Supreme Court. For eight years he was a judge of the fifteenth judicial district court of Louisiana, retiring of his own volition at the end of that period.
In an opinion written by Justice De Bolt, the Supreme Court has reversed the judgment of non-suit by the First Circuit Court in the ejectment case of Leialoha (K), Lahapalili Bush and John F. Colburn vs. Edward H. F. Wolter, and remanded the cause to the court below for a new trial.

Treasurer Konkling has received a letter from Dow, Jones & Co., Wall street brokers, asking for information regarding harbor and civic improvements made and contemplated here in anticipation of the increased commercial importance of Honolulu from the Panama canal. It was stated that the data was desired for a forthcoming article in the Wall Street Journal.
Up to Sept. 30 the Sugar Factors Company will have shipped 473,000 tons of sugar out of an estimated 484,000 to be handled by that concern for the season. All of the crop will be out of hand by the end of October, when preparations will be made for shipping the new crop. Possibly the American-Hawaiian Steamship Co. will dispatch a steamer for Salina Cruz every ten days instead of eleven as at present.

ON TRAIL OF FUGITIVE

Chief of Detectives McDuffie and officers were led a merry chase last evening, when they were tipped off that Sam Kalau, who had escaped from the prison chain gang, was seen prowling about the Beach road.
Kalau was reported as having encamped on some vacant property along the lonely thoroughfare. The story that reached the police was to the effect that a quantity of plunder was in the possession of the man.
McDuffie and his men started on the trail by machine, and leaving the car, took up the pursuit over alh-way and swamp.
The chase was maintained at high pressure for some hours, but Kalau is said to have eluded his pursuers, though it is expected that he will soon be landed within the toils and the man hunt has not been abandoned.

BIG OPEN HOUSE STAG SOCIAL AT Y.M.C.A. TONIGHT

The big, rousing stag open house social will be pulled off at the Y. M. C. A. tonight to mark the opening of the fall work. Elaborate preparations have been made for the affair and no pains have been spared by the association to prepare for the entertainment of those attending. Invitations, both written and personal, have been scattered broadcast over the city so that the men of Honolulu may be given a chance to inspect the building and to see the main features of the association in operation.
During the evening a meeting of the visitors will be called in Cooke Hall, where Messrs. Super, Lau, Larimer and Killam will give brief talks on the plans of the association for the coming year.
Among the various entertainments during the evening will be an indoor baseball game between a team from the business men's department and one from the students' department, a champion handball game and a wrestling match. The bowling alleys will also be open to the visitors as will be the billiard room.
Music will be furnished during the evening by Kaul's orchestra, and the social committee will serve light refreshments.

APPEAL FROM SENTENCES TO CIRCUIT COURT

Some interesting appeals from Honolulu District Court are included in a batch just filed in the Circuit Court.
J. Niau and Kualau, who were sentenced to one month's imprisonment for stealing 20 cents' worth of fish—a co-defendant of theirs having sentence suspended—are seeking their liberty by the appeal route.
J. J. Coombs is not content to pay a fine of 10 cents for driving an automobile at night without a light.
James Pierce is another victim of the auto ordinance, who is not willing to part with \$50 and costs for alleged reckless speeding, whereby it was charged he endangered the personal safety of Mrs. Lutgin, Miss Schutte and Mr. and Mrs. Samuel G. Wilder.
Ah Won and eighteen others wish to save \$5 and costs each, assessed to them for shaking dice, no matter what the saving may cost them in law expenses.
A. Lundgren's liberty for one year is at stake, he having received that sentence for stabbing C. Bjorn on July 5, from which he appeals.
M. Yamashiro wants to be spared the payment of \$3 and costs for sweeping rubbish off a roof into the street near St. Louis College.

PARTITION SALE.

A central piece of business property has been decreed for sale in a partition suit between Joseph P. McDonna and B. R. Banning, being land at the corner of Hotel and Smith streets. It is found by the court that the property cannot be advantageously divided, therefore James W. Pratt is appointed commissioner to sell at auction, for the benefit of the parties at suit, on Saturday, October 5, at 12 o'clock noon, in front of the present house, Hotel street.

HOME FOR JAPANESE GIRLS WILL BE BUILT ON MAUI

Association Acts for Hawaiian Board in Securing Site at Wailuku

WAILUKU, Sept. 26. — S. Kimura has transferred his lease of the large piece of property belonging to the Wailuku Sugar Co., fronting on Vineyard street and Iao Valley road, to the Maui Aid Association. This association is acting for the Hawaiian Board of Missions, in securing the property for a home for Japanese girls of Wailuku and other parts of Maui. It is possible, also, that girls from other portions of the Islands may come here, for the home will be one of the best in Hawaii for young girls. Its purpose is to provide a shelter for girls who work out, and also to take girls whose parents wish

them in a home of this kind. There will be some class work in the evenings, and the younger children in the home may have classes during the day.
There are at present several buildings on the premises, one or more of which will immediately be used for the needs of the home. A large sum of money has been promised and will soon be available from the Japanese themselves. This with other sums that will be later collected will go toward the land and an adequate accommodation which, in addition to the building now available, will make room sufficient for a large number of girls.
The project is something new in the work for Japanese girls, and has met with great favor among the Japanese people and many interested in educational and social work among them.

LATE NEWS FROM PEKIN

PEKIN, Aug. 31.—Dr. Sun Yat Sen, in an interview with an American journalist in Pekin last week said in reference to the bankers' demands for supervision of the country's finances that he is opposed to any supervision whatever and does not see the necessity for it. When told that the bankers would not lend without it, he stated he would raise funds internally.
News reached Pekin last week that on the 26th a body of one thousand Mongolians attacked a place called Sitakow, which five hundred gendarmes defended valiantly but who were eventually defeated. A similar number of gendarmes, who are a hundred miles distant from the scene of the fighting, are hastening forward. The Chinese now believe that the Japanese are fermenting the trouble, but reports generally tend to show that the Mongolians are acting quite on their own.
Chino-Mongol Situation.
The gravity of the Chino-Mongol situation appears to be increasing, for though the Chinese authorities are restricting themselves the measures which are entirely defensive the Mongols hold two prefectures to the south of Taonan-fu. The whole movement, says Reuter's correspondent, is apparently based upon the contention of the Hukaituku the Inner Mongolia extends as far as Kuangchengze, and it is plain that the Chinese intend to drive the Mongolians out of the disputed area. It is not improbable that the present situation may lead to general hostilities between the Chinese and the Mongols. China does not wish this to occur, but is prepared to fight if pacific measures fail. The denial issued by the Russians of the rumors that Russia was connected with the movement to leave China free to pursue independent action toward Mongolia in view of the fact that the Mongolians were the aggressors, though the Russian Government will not admit that the Taonan-fu district is a part of Manchuria.
Hung Hsing Charged.
It has been freely stated of late in the vernacular Press, that General Huang Hsing, who was to have gone to Pekin with Dr. Sun Yat Sen, and backed out at the last moment, was associated in the conspiracy which led to the execution of two other Generals in Pekin. It is said that his refusal to go to Pekin was due to information that the authorities had obtained possession of certain documents which

disclosed his association with the plot.

We observe that General Huang has sent the following telegram to the President on the subject:—
Owing to my having been indisposed I proceeded to the West Lake (Hangchow) to obtain medical treatment. When I returned to Shanghai I saw a telegram sent to me by Dr. Shi from Tientsin in which it states that when he interviewed a certain secretary of the President's office, the secretary stated that when the late Chang Chen Wu was arrested he had in his possession a letter which would be sent to me asking me to kill Li Yuan Hung and everything had been properly arranged, etc. I also noticed in one of the foreign papers in Shanghai a telegram received from Pekin to the effect that it is rumored that Huang Hsing is also an accomplice of Chang Chen Wu, who was to raise a second revolution and that was the reason he did not proceed to Pekin, etc. I was exceedingly surprised at seeing these two telegrams. The charges lodged against Chang have not yet been fully promulgated both in Hupoh and Pekin under the allegation that there would be great inconvenience if the charges were announced. Now people in Pekin and Shanghai are suspicious of me, and if Chang's case is not announced as clearly as possible, the suspicions of Chinese and foreigners cannot be removed. Under these circumstances I crave your kindness to investigate into the matter without showing delay and leniency, and if there is any evidence against me in connection with Chang's case, I shall be very pleased to be tried by the Court of Justice, and I also request that if it is a false accusation the libellous party should be dealt with accordingly.

HAWAII THEATER

The program offered by this cozy little house for tonight's change is a first one and will no doubt fill the house.
"A Red Man's Gratitude" is a very fine Bison feature. "The Sheriff's Daughter," "The Ghost at Circle Camp" and "Oh! My Mother-in-Law" make up a very interesting show and these pictures are bound to please both young and old.
The management is striving with all its power to put on pictures that will please, and not offend anyone, and from present indications it looks like the Hawaii is all that is claimed for it.
The Scott expedition of explorers arrived at St. John's, N. F., having discovered no gold deposits, but much ivory and valuable fur. They brought with them the members of another shipwrecked expedition.
