

PLAN MOTION PICTURES OF HAWAIIAN ISLANDS

According to Bertram Bracken, director of a company which passed through Honolulu yesterday on the Marama en route to the United States from New Zealand and Tahiti, the Melies Star Film company may take motion pictures depicting ancient life in the Hawaiian Islands for the use of photoplays.

CLAY TO BRING NOTED IRISH TENOR BACK

As the result of the renewal of an old acquaintanceship, which happened because Spencer Clay, accompanist for John MacCormick, the great tenor, happened to leave the Marama for a stroll about town while the ship was discharging its cargo, Honolulu will have an opportunity to hear John MacCormick again.

Linen Absorbs Therefore Deimel's Linen Mesh Underwear

Linen next the skin absorbs moisture rapidly; for that reason towels and handkerchiefs are made of that material. The touch of linen is most grateful to the human skin, and Deimel's Linen Mesh, unlike other material, promotes, rather than impedes, skin activity.

The office of the Wireless in the Telephone Building and is open on week days from 1 a. m. to 5:30 p. m. and on Sundays from 8 to 10 in the morning. Messages for ships at sea received up to eleven every night. Mr. Rosalie Hildesell, chairman of the committee of the Woman's Equal Suffrage Association, this morning corrected a statement in the morning paper that the women's quintet club of the association will participate in the Democratic rally this evening. A meeting of the Anti-Saloon League will be held Thursday afternoon at 3:30 o'clock in Cooke Hall, Y. M. C. A. building. A report of the work of the league will be read by Geo. W. Pavy, and the temperance situation with regard to the political campaign will be discussed. President Gilmore and family left today on the Wilhelmna for an extended trip on the mainland. They expect to be gone fully four months. Professor MacCauley will be in charge of affairs at the College of Hawaii during the absence of President Gilmore, and with his family will occupy the Gilmore residence. At the regular meeting of the chamber of commerce at 3 o'clock this afternoon, Vice President F. C. Atherton will give a report on the civic convention last month in Hilo. A special committee will be appointed on next year's convention in Honolulu. The meeting will receive a suggestion from the Spokane chamber of commerce that the name of the Panama canal be changed to American canal. Police court session was short and sweet this morning. One lone drunk failed to show up at the appointed time, and therefore forfeited bail to the amount of \$6. Eight other cases ranging from profanity to larceny in the first degree went over until later in the week. There appeared to be a general desire upon the part of prosecution and defense to break away from the lower court today. Not until the next meeting of the board of supervisors, on the 14th inst., will the question of the occupancy of Aala park stand for the closing rally of the campaign be decided. Last night the prior application of the Republicans was received by the board and referred to the road committee, but the Democrats registered a complaint that they have had to build a speaker's stand at the other end of the park for the closing rallies of two past campaigns. They think that, if they are to have second choice all the time the other parties should help them to pay the extra expense.

DATE SET FOR MEETING EVANGELICAL ASSOCIATION The Hawaiian Evangelical Association will hold its regular semi-annual convention at Kaunakapili Church beginning Friday, October 11 and lasting until Monday, October 14. There will be about one hundred and fifty delegates and pastors from the different churches connected with the association throughout the Islands in attendance. During the course of the convention, a smaller Sunday school convention will be held which was to have taken place at Kaneohe church, but as this church is not yet completed it could not be held there. On Saturday night the association will give a benefit concert in the K. of P. hall, the proceeds of which will go toward rebuilding the old Maunaloa chapel on Wylie Street. A first-class musical program will be given and Kaal's gee club will render several selections. Among the singers who will participate will be Mrs. Alapai Luke, Mr. and Mrs. Henry Carter and Mrs. Charles Hall. On Sunday a special memorial service will be held at the Kaunakapili church for the late Rev. Lowell Smith, father of Mrs. B. F. Dillingham and the organizer of this church. At this time the Dillingham family will present to the church some special memorial windows, beautifully colored and in three sections, costing about three thousand dollars. It is expected that Queen Liliuokalani will be present. There will be a special song service, the girls of Kamehameha school taking part as well as the regular church choir. Part of the \$272,000 loot robbers got from the Bank of Montreal, at Westminster, B. C., has been recovered by Chicago police. Chicago live stock experts are freely predicting that high grade steers will be selling at \$15 a hundredweight by Christmas.
