

# CASTORIA

for Infants and Children.

## What is Castoria?

**CASTORIA** is a harmless substitute for Castor Oil, Paregoric, Drops and Soothing Syrups. It is pleasant. It contains neither Opium, Morphine nor other Narcotic substance (Narcotics stupefy). Its age is its guarantee. It destroys Worms and allays Feverishness. It cures Diarrhoea and Wind Colic. It relieves Teething Troubles, cures Constipation and Flatulency. It assimilates the Food, regulates the Stomach and Bowels, giving healthy and natural sleep. The Children's Panacea—The mother's Friend.

The signature of *Dr. J. C. Fletcher* is on every wrapper of genuine Castoria. Physicians Recommend Castoria.

"My patients invariably praise the action of your Castoria." W. W. TUCKER, M. D., Buffalo, N. Y.

"During my medical practice I know of several cases where your Castoria was prescribed and used with good results." K. MORGAN, M. D., St. Louis, Mo.

"Your Castoria is certainly the greatest remedy for children I know of. I know no other proprietary preparation which is its equal." B. S. SCHWARTZ, M. D., Kansas City, Mo.

"I use your Castoria and advise its use in all families where there are children." J. W. DISSEL, M. D., Chicago, Ill.

"Your Castoria is the best remedy in the world for children and the only one I use and recommend." AARON V. SWETLAND, M. D., Omaha, Neb.

"I have used your Castoria as a purgative in the cases of children for years past with most happy effect, and fully endorse it as a safe remedy." H. D. BENNER, M. D., Philadelphia, Pa.

**Children Cry for Fletcher's Castoria.**  
In Use For Over 30 Years.

### LATEST NEWS BULLETIN.

San Francisco faces a dilemma in her efforts to acquire the Hetch Hetchy water supply. Secretary Fisher wants the city's promise that the water and electrical power will be developed immediately. It is not thought by the city officials that this can be done at once.

Beatrice Turnbull, the young lad who made a desperate fight to get hold of some of "Lucky" Baldwin's fortune and lost, has received and accepted an offer from Chas. Froham to go on the stage.

The college of agriculture in Peru has sent to Luther Burbank for a large shipment of spineless cactus. A bird's nest stopping up a chimney of an Illinois home caused the asphyxiation of a couple who lit the gas stove and went to bed. The fumes were forced back down the chimney and caused death.

Eleven sailors from the Black Sea fleet, recently condemned to death for inciting mutiny on the Russian war vessels, were shot to death yesterday by firing parties from the various vessels of the fleet.

Secretary of War Stimson and party which includes Miss Helen Taft, have left the Panama Canal on their return to the United States.

An old woman who had a fortune of \$30,000 was murdered in San Francisco yesterday. Her son has been arrested and is under direct suspicion.

Andrew Carnegie announces that he has given away all of his fortune but \$25,000,000, which will be disposed of under his will to the Carnegie Corporation in New York.

Harold Havens, son of the Oakland millionaire real estate man, though only recently divorced from his first wife, Hope Cheney, is said to be engaged to a Mills College girl, Miss Estelle Houston.

Witnesses at the dynamiting trials at Indianapolis all tell the same story to the effect that plants were blown up as fast as possible by the union men after the owners had refused to unionize.

Because Wilson has indigestion, and also because there are no good turkeys in Bermuda, the next president will not eat the national bird on Thanksgiving.

Taft announces that he will do all he can to rejuvenate the Republican party, and that he will make many political speeches as a private citizen, but that he will not permit his name to be used in any way as a future presidential possibility.

Former senator Beveridge of Indiana declares that the Conservatives will soon capture the Democratic party, and now the Republicans are "extinct" the Progressive party simply can't help being "it."

Wilson is now ahead in California but the Bull Moosers have filed suits which if settled may give them the state.

### EASTERN NEWS

Delegates to the National Woman suffrage convention at Philadelphia held a jubilee meeting and gave thanks to the Almighty for their recent victories.

Lieuts. Archie Miller, Arthur H. Wilson and John Kennedy; and Quartermaster's Sergeant J. Henderson, all of the Sixth Cavalry, and Captain Julian Gaujot of the First Cavalry have been awarded the medal of honor by Taft for bravery in the Philippines and in Arizona fighting.

Senator Benjamin Tillman is again suing for the custody of his two grandchildren whose mother contemplates removing them from the state. He admits that his son, the father of the children, was a drunkard, but is reformed.

S. S. Plenchner and Howard James, both officials of the Great Northern railroad, were killed in an automobile accident near St. Paul.

Representative Bursleson of Texas has prepared a provision for the legislative, judicial and executive appropriation bill which, if carried, will make all future ex-presidents representatives at large of the people, with an annual salary of \$17,500 and a seat in the house.

Captain "Bill" McDonald, who has been Woodrow Wilson's bodyguard for many months refused any pay for all his time and trouble. He was finally induced to accept all his traveling expenses from Texas, so he "blew" it all in on a dinner for the "boys."

In the last two years Mrs. E. H. Harriman has received over 6,000 begging letters which in money requests totaled \$267,000,000.

The dynamiting trial at Indianapolis brought out the fact that the labor leaders had made plans to eventually dynamite the Panama Canal locks.

Detective Burns says that he will soon go upon the stand at Indianapolis and tell some sensational incidents about the union labor dynamiters that have never been made public.

Fire destroyed the Brunswick Home for Idiots at Amityville, L. I. One man is dead and many missing.

Andrew Carnegie has reached his 77th birthday and in spite of his belief that it is a disgrace to die rich, he is still the possessor of \$200,000,000.

A woman forger captured in New York kept a card of her crimes. They were so many that she couldn't remember them.

It is believed that important bills will be rushed through congress in its last session under Republican rule. The Daughters of the American Revolution have demanded an explanation of Mrs. Matthew Scott, president general of the society, in regard to her order to place the Confederate flag on an equal footing with the Stars and Stripes in the decorations for the convention of the Daughters of the Confederacy.

A man 103 years old was found wandering in the woods near Memphis, Tenn. He had been lost five days.

A stamp-vending machine is being tried out in Washington. If it operates perfectly, it will in time supplant the stamp sellers in the postoffices.

Three army polo teams will compete in matches at Coronado Beach in January.

Bishop Hoffman of the Reformer Episcopal Church has just died in Philadelphia. He never accepted any salary from the church, but gave away thousands from his private estate to charity.

A board of arbitration has awarded a partial victory in wage raises to some 30,000 engineers employed on 52 railroads.

New York state is planning to spend a million dollars on its exhibit to the Panama-Pacific fair if that amount is needed. Over \$700,000 has already been appropriated.

The government has announced that the new issue of Panama-Pacific Exhibition stamps will be ready on the first of next year.

A chemical plant in Brooklyn blew up, hurt eighteen workmen and did damage amounting to over \$250,000.

The starch house of the Corn Products Company at Waukegan, Ill., blew up, killed 12 workmen, injured 27 more, and did \$100,000 worth of damage.

A friendless girl, who had become demented at the groundless thought that white slavers were after her pinned a cloth around her reading "Death before dishonor" and hurled herself from a twenty-story window in Chicago.

Records show that the Roosevelt campaign fund this year amounted to over \$665,000. Of this amount "angel" Perkins contributed \$130,000.

The board of arbitration examining the controversy between the locomotive engineers and fifty-two railroads east of Chicago has made an award in favor of the engineers and the most important labor dispute since the coal strike of 1902 is ended.

A campaign for laws preventing the use of profane language and ribald conduct in public places has been begun by the Clean Language of America League.

Boston is much disturbed by the increasing adoption of "best family" names by foreign fruit-venders and pawnbrokers.

Miss Elizabeth Kite, investigator for the state department of charities and corrections, has reported to Governor Wilson the frequent practice of trading wives and selling babies among New Jersey farmers.

A Washington newspaper correspondent in a dispute with the son of the minister from Costa Rica, knocked the latter down and out. The fight took place on the White House lawn.

Mrs. O. H. P. Belmont was completely routed in Philadelphia at the meeting of the National American Woman Suffrage Association, by Miss Jane Addams and her western forces. Mrs. Belmont "bolted." She tried to dictate the political activities of suffragists and lost by a 10 to 1 vote.

It is expected that with the incoming Wilson and a Democratic congress the Commerce Court will be Federal circuit.

For the thirty-second time Samuel Gompers has been elected president of the American Federation of Labor. He defeated Max Hayes of Cleveland by a 2 to 1 vote.

The Denver & Rio Grande and the Colorado Southern railroads have been indicted for granting rebates and issuing free transportation to influence interstate shipments.

The man who recently threatened to blow up a whole block in Los Angeles with an infernal machine says that he doesn't want to go to jail even for a year—he would be sure to come out a criminal because of the contamination.

The Southern Pacific is to build a new mission style station in San Francisco to cost \$600,000. It is to handle all the peninsula and New Orleans traffic.

A 17-year-old newsboy has just arrived in San Francisco after walking from Erie, Pa., a distance of 3200 miles in 114 days.

Four thousand sportsmen of California and Nevada partook of Sacramento's first "Big Goose Stew," which promises to become an annual event. The Rincon road which is to follow the coast from one end of California to the other was opened with a great celebration at Santa Barbara. Over 30,000 people were present at the festivities and barbecue.

A hot fight will be made by Reno merchants and divorce practitioners against the proposed change in the residence requirement for divorce.

Frederick Dorsey Stephens, a senior at the University of California, has been appointed to the Rhodes scholarship.

A Los Angeles man has just smoked a cigar he has been saving for fifteen years. It was left to him by his father with instructions that it was not to be smoked until a Democratic president was elected.

The famous Sierra Club of San Francisco has split wide open because some of the members are trying to prevent the city from acquiring the beautiful Hetch Hetchy valley for a reservoir site.

The Homestake Gold Mine Company of South Dakota has announced a \$100,000 Christmas present to its employees. Each employee will receive the equivalent of 7 per cent of a year's salary.

Seattle was shaken twice by an earthquake recently. Two slight shocks were felt.

## Sending the Baby Through College

The "honor man" last year in one of the best scientific schools in the country was a son of parents who were poor but very wise.

The year their baby was born they opened a "College Education Account in a saving bank. They laid aside only one dollar a week, but when the boy was eighteen these small savings had grown to a sufficient size to pay his way through a costly college.

One dollar will open an account in this bank in your baby's name or in yours.
