Is this your story?

Every morning I have a bad taste in my mouth; my tongue is coated; my head aches and I often feel dizzy. I have no appetite for breakfast, and what food I eat distresses me. I have a heavy feeling in my stomach. I am getting so weak that sometimes I tremble. My nerves are all unstrung. I am as tired in the morning as at night.

New Fables In Slang

A Tired Business Man who spends most of his day with his feet coked up on the Office Desk and with the Electric Fan basting Home Runs on the back of his neck complained bitterly to his Molly Lou. "Business is like a Mango that a Fruit Fly has Stung. The Heat Indicator has Sky Rocketed to the top of the Pole and I think I shall go to the Coast." But Molly Lou was a wise Little Person with an Idea. She Batted a stray Anopholes for a Three-Bagger as she cooled the Fevered Brow of the Tired Business Man with a Wind Producer. "Why," she sired, "should we go to the Coast. Let us Hover around the Home Plate. I was reading about the Hotelery at the Promotion Committee's Wonder of the World. Let us go there?" When they got back there was a Live Business Man and a Molly Lou with Roses in her Cheeks. The Genus Homo now boosts for the Local Product and Molly Lou hatched her Idea for she has a new summer Dress.
