## MUNICIPAL DANCE HALL IS FAVORED

Believing in the principle of a municipal dance hall, which has been discussed at different times by the supervisors, the following resolution, from the pen of P. L. Weaver, first deputy city and county attorney, will be introduced before the board soon, it does not carry an appropriation, but it does put the board on record as favoring the municipal dance hall proposition, and it also authorizes the parks committee to take steps to convert the public bathhouse at Kapiolani park into a dancing pavilion. The resolution reads:

"Whereas, We believe that the welfare of the people of Honolulu will be promoted by the fostering of the amusement of dancing under proper supervision in the open air or in the parks of the city and county; and, whereas, We believe that proper amusement under healthful conditions promotes the efficiency as well as the happiness of the community, and is a fundamental requirement for the best growth of a community.

"Now, therefore, be it Resolved, That the mayor and the board of supervisors of the city and county of Honolulu are in favor of the use of public parks in Honolulu for dancing under proper supervision and control, and to that end we hereby resolve that the mayor and the committee on parks be authorized and instructed to take steps to use the public bathhouse at Kapiolani park, Honolulu, as a dancing pavilion at such times and under such conditions as it may think best, provided, however, that careful supervision and control of the said dances be maintained.

"That the said committee be authorized and instructed to prepare such rules and regulations with regard to the carrying on of dances in the parks as they may deem best."

## SUGAR RISEN; MARKET FIRM

Alexander & Baldwin, Ltd., received the following cablegram yesterday afternoon from its New York branch: "There was a sale last Friday of 96 degree centrifugals, that affects the Hawaiian basis, at 3.51, being Cubas afloat for delivery at New York. Federal sugar refinery was the buyer. This sale has just been reported. The ship John Ema arrived Monday on the basis of 3.51. The market is firm at the advance."

This afternoon Alexander & Baldwin, Ltd., received the following cablegram from New York, showing a further advance from that reported yesterday as below, in the price of raw sugar: "A sale of centrifugals today, affecting the Hawaiian basis, was at 3.61. Holders of raws are asking 3.67."

**GIRLS! DRAW A MOIST CLOTH THROUGH HAIR**

Try this! Hair gets thick, glossy wavy and beautiful at once—Stops falling out.

Immediate?—Yes! Certain?—that's the joy of it. Your hair becomes light, wavy, fluffy, abundant and appears as soft, lustrous and beautiful as a young girl's after a Danderine hair cleanse. Just try this—moisten a cloth with a little Danderine and carefully draw it through your hair, taking one small strand at a time. This will cleanse the hair of dust, dirt or excessive oil and in just a few moments you have doubled the beauty of your hair.

A delightful surprise awaits those whose hair has been neglected or is scraggy, faded, dry, brittle or thin. Besides beautifying the hair, Danderine dissolves every particle of dandruff; cleanses, purifies and invigorates the scalp, forever stopping itching and falling hair, but what will please you most will be after a few weeks' use when you will actually see new hair—fine and downy at first—yes—but really new hair growing all over the scalp. If you care for pretty, soft hair, and lots of it, surely get a 25 cent bottle of Knowlton's Danderine from any drug store or toilet counter and just try it.—advertisement.

## MERCHANT OFFERS A REWARD FOR DETECTION OF HIS TORMENTORS

Bernard Liebmann, who keeps a string of four department stores on Emma street near the corner of Vineyard, seems to be the victim of persecution by certain residents of that district. Tuesday night a large banner extending nearly the full length of the fronts of the stores, was torn down and destroyed, a number of electric lamps were broken and other damage done that Liebmann estimates will total about \$20.

Liebmann claims that there are residents in the vicinity who congregate in front of his place of business each evening and accost intended customers with "Don't go to the Jew. He keeps rotten goods."

Liebmann figured in an exciting affair some time ago when a section of his store caught fire during the night, and which Liebmann claims was incendiary, and alleges a neighbor was seen coming from a window of his store all burned about the hands and that a can of benzine was found in the store, as evidence. Liebmann states that he entered complaint with the police but for some reason there was nothing done effectively to bring the guilty parties to justice.

Liebmann has now offered a reward for the detection of the parties who committed the depredations of Tuesday night and has reported the matter to the police.
