SUSPEND MONROE DOCTRINE?

PITTSBURG, Kansas, Jan. 7.—Congressman Campbell, in an address before a large crowd here tonight, devoted his remarks mainly to the situation in Mexico and strongly suggested that the manner in which peace can be restored in that troubled country is by an agreement by the United States to the temporary suspension of the Monroe Doctrine and a movement by all the powers to concert on Mexico, occupation to continue until peace is effectively restored in that country.

STUBBORN CONTEST PROMISED

PRESIDIO, Texas, Jan. 7.—Skirmishing between the outposts of the opposing federal and rebel forces began this afternoon, preliminary, it is believed, to what promises to be one of the most stubbornly contested battles yet fought in Northern Mexico. General Salazar is commanding the federal forces while General Francisco (Pancho) Villa is at the head of the rebel forces, now lining his troops before the city in preparation for battle.

GOV. WEST DETERMINED

SALEM, Ore., Jan. 7.—Governor Oswald West showed his further determination of enforcing the anti-vice law in Oregon yesterday by warning the district attorney of Baker county that he is expected to do his duty. Governor West stated that in the event that the district attorney fails to carry out the provisions of the law known as the Nuisance Act, which deals with houses of ill-repute, that steps will be taken to prosecute him for neglect of duty.

STRIKE BECOMES GENERAL

JOHANNESBURG, South Africa, Jan. 7.—Additional thousands will be added to the ranks of the striking railroad men tomorrow, the result of an order issued by the council of the Federation of Trades of South Africa last night in calling a general strike. The walkout, it is declared, is intended as an aid to the 35,000 employees of the South African state railway, who quit work Monday. The action of the federated trades tonight means the serious crippling of all lines of trade in South Africa.

PRESIDENT KEEPS BUSY

PASS CHRISTIAN, Jan. 7.—With the holiday recess of Congress nearing an end, President Wilson is closing his brief vacation here in preparing messages for the lawmakers. He began the most important today. It is that on anti-trust legislation. The tenor of the proposed message is not known, but it is believed that it will be completed and ready to submit to Congress when it convenes next Monday.

ESCORT FOR LIND

CITY OF MEXICO, Jan. 7.—It developed today, according to reports, that Sebastian Camacho, a member of the Conservative party during the administration of President Diaz, and Attorney Paradesk, an attorney representing the Catholic church, accompanied Special Envoy Lind from Vera Cruz on his secret mission to President Wilson at Pass Christian. These two emissaries, it is believed, went to aid Lind in laying before President Wilson a report of the conditions in Mexico.

REFUSES COSSACKS' AID

HERMOSILLO, Mex., Jan. 7.—General Carranza today announced the rejecting of an offer of 4000 Cossacks to aid him in his fight against Huerta in Mexico. The Cossacks, it is stated, are seasoned veterans and arrangements had been made to have them transported from Russia probably as immigrants, arms and equipment to be furnished them when they would report to Carranza for service. The offer was made by a Canadian promoter.

MANILA PAPER RAPS WILSON'S RECENT MESSAGE

President Wilson's recent message to Congress, in which the Philippines as well as Hawaii, Porto Rico and Alaska were dealt with, is treated with some criticism by the Manila Times, which says:

"On the subject of the Philippines, the President's message is disappointing; there is in it no comfort for the advocates of any of the various policies, and the effect would have been about the same if the president had failed to mention the islands. That Congress must bear in mind that the Philippines are ultimately to have independence is a caution that will not greatly surprise or startle Congress, accustomed to bear the same thing in various forms for these many years; Congress has apparently never had in mind any other idea as to the purpose of American administration of the Philippines.

The well-known prediction of Lt. E. L. Hoffman for matters nautical has culminated in his forming the Fort Shafter, Seaside Hotel and Pacific Ocean Navigation Company, Limited, to operate a fleet of passenger boats on the navigable waters in the territory described in the title of the company. The fleet will consist for the present of one 16-foot motor-boat built by the company under the direct superintendence of Lieutenant Hoffman assisted by Lieut. A. K. Polhemus. Associated with the two gentlemen named is Captain D. A. Chamberlain, who will contribute experience gained in sailing on the Great Lakes. The company expects to launch its fleet at an early date, with the loose and available tools around the post pumping plant, where the fleet is being constructed, have about been used up.

The work in the garrison school for officers, first year's course, has been resumed this week under Maor M. J. Enihan, as instructor. The present course will be in "Administration" and will continue for six weeks.

IE HEADACHY, DIZZY, BILIOUS, "CASCARETS"

Your Liver is full of Bile; Bowels Clogged, Stomach Sour, Tongue Coated, Breath Bad

Get a 10-cent box now. You're bilious, you have a throbbing sensation in your head, a bad taste in your mouth, your eyes burn, your skin is yellow, with dark rings under your eyes; your lips are parched. No wonder you feel ugly, mean and ill-tempered. Your system is full of bile not properly passed off, and what you need is a cleaning up inside. Don't continue being a bilious nuisance to yourself and those who love you, and don't resort to harsh physics that irritate and injure. Remember that most disorders of the stomach, liver and bowels are cured by morning with gentle, thorough Cascarets—they work while you sleep. A 10-cent box from your druggist will keep your liver and bowels clean; stomach sweet and your head clear for months. Children love to take Cascarets, because they taste good and never gripe or sicken—advertisement.

LOCAL DRUGGIST MAKES MANY FRIENDS

The Hollister Drug Company reports they are making many friends through the QUICK benefit which Honolulu people receive from the simple mixture of buckhorn bark, glycerine, etc., known as Adler-I-ka. This remedy became famous by curing appendicitis and it is the most thorough bowel cleanser known, acting on BOTH the lower and upper bowel. JUST ONE DOSE of Adler-I-ka relieves constipation and gas on the stomach almost IMMEDIATELY—advertisement.

Fort Shafter Notes

(Special Star-Bulletin Correspondence)

FORT SHAFTER, T. H., January 8.—The band of the 2nd Infantry lost four men by the last transport for the states, and to supply this reduction in part, Private Emmet A. Thorpe, Company A, and Private Harold H. Ross, Company D, have been detailed for temporary duty with the band. Captain W. R. Gibson, commanding the band, has been advised that additional bandmen may shortly be expected to join. The band started the new year in a most industrious manner as it played for the Charity Ball until after 2:30 New Year's morning, then for two hours during Colonel and Mrs. French's reception, from noon until two, and ended the day by appearing at General and Mrs. Macomb's afternoon reception that continued until seven in the evening.

The well-known prediction of Lt. E. L. Hoffman for matters nautical has culminated in his forming the Fort Shafter, Seaside Hotel and Pacific Ocean Navigation Company, Limited, to operate a fleet of passenger boats on the navigable waters in the territory described in the title of the company. The fleet will consist for the present of one 16-foot motor-boat built by the company under the direct superintendence of Lieutenant Hoffman assisted by Lieut. A. K. Polhemus.
