**TANGO, BUNNY HUG AND WIGGLE DANCES TABOOED**

University Faculty Bars All the Terpsichorean Athletics at Parties

(By Latest Mail)  
 MADISON (Wis.).—A ban on the tango, bunny hug and wiggle dances will be put on all parties at the University of Wisconsin, according to information that is given out by some of the members of the faculty. At the close of the college year last semester, these dances were forbidden at the university parties, but it is now proposed to extend the ban to all dances given by students attending school here.

It is said that the rule will be announced by the faculty and approved by the board of university regents, and that all persons violating it will be expelled, the same as for drunkenness.

**AD CLUB MAY DOUBLE FIGURE SET AS HIGH MARK FOR SALE OF STOCK**

(Continued from page one)

A. L. C. Atkinson, chairman of the day, and G. B. Curtis, vice-president of the club and captain of the team with the highest standing, in the "steerage," the two hours sped by long before it was realized. James Dougherty, at the head of the Mid-Pacific Carnival committee, was present and heartily thanked the club for what it had done, which, he said, could be taken as an assurance of the fiesta's success.

J. M. Riggs, A. K. Ozawa, Mr. Atkinson, James D. Levenson, Ed Towse, J. D. Dougherty, T. M. Church, Charles Frazier, Harry Strange, Thomas Sharp, Mrs. Charles Crane, C. A. Cottrill and Sherwood Lowrey were among those called on, and their remarks varied from a few words to five or 10 minutes of speaking. Yells, cheers and songs often interrupted them, and often they stopped to take part in them.

Mr. Cottrill, one of the first called on by President Farrington, offered a resolution signed by himself, Raymond C. Brown and J. M. Riggs, which is given below. The resolution was heartily and lustily cheered and unanimously passed. It reads:

"Whereas, the Ad Club accepted the invitation of the carnival committee to assist in financing the coming Mid-Pacific Carnival by spending one day in the sale of stock in the Mid-Pacific Carnival, Limited; and

"Whereas, the sales committee of the club were unable to reach all who were willing to subscribe for stock in said corporation, although in the one day as many persons as possible were reached and 30,000 shares of stock were subscribed; and

"Be it resolved, That we respectfully urge all who were not solicited by the Ad Club committees to notify the carnival committee of their willingness to subscribe for stock, so that a representative of the said carnival committee may call on them; and

"Be it further resolved, That we extend our sincere thanks to all who so willingly subscribed for stock when solicited by the several committees of our club, and that at the time certificates of stock are mailed to subscribers there shall also be mailed a card of thanks expressing the appreciation of the Ad Club and such subscriber's civic pride as shown by their subscription."

To Mrs. Charles Crane falls the honor of securing the last subscription needed to make up the \$30,000, and to Charles

as chairman of this committee, pleading too much personal business. However, he was finally persuaded to take hold, it being realized that he was in close touch with the work from his experience in other years.

Commenting on the committee this morning, Mr. Frazier said:

"The floats committee will have charge of all horse-drawn and motor-truck floats. This committee will endeavor to have represented symbolical floats of each of the great nationalities which constitute Hawaii's population; patriotic and allegorical floats to be entered by business houses; floats representing each of the islands; characteristic scenes of native life and local industries; the volcano Kilauea; floats from educational institutions; military floats from regular soldiers and national guard; naval floats; Boy Scout float, etc. Also, it is likely that Professor Bryan's suggestion of floats representing each state will be worked out. The committee has set 100 floats as the minimum number to be entered, and will have on hand a wealth of ideas for those who would like suggestions.

"The floats committee is the largest and probably has the most enthusiastic membership of any ever given this important task. Each member is pledged to do his share of the work to his utmost ability. Almost daily meetings will be held to discuss plans and report progress.

"Though we will have many suggestions to offer, we are also anxious to receive suggestions, plans, data and especially, pictures which will help us in our work. These can be sent to my office or mailed to my post office address, box 589."

**HEALANI BOYS SAVE NIPPONESE FROM DEATH**

According to a story related to the Star-Bulletin this morning, five members of the Healani Boat Club, namely, George Cunha, Allen Cunha, William Rowat, Clarence Hawkins and Harold Kruger, were instrumental in saving the life of a Japanese who, probably intent on committing suicide, leaped into the waters of the harbor from the deck of the Pacific Mall liner Persia yesterday afternoon shortly after that vessel had left pier 7 at 5 o'clock.

Here is the story as told by William Rowat:

"George Cunha, Clarence Hawkins, Harold Kruger and myself were cruising around in one of the Healani club's row boats and watching the Persia go out. When we were about 100 yards from the vessel we saw something drop over the side. At the same time someone on the vessel shouted 'Man overboard.' The person who had either jumped or fallen off the vessel was a Japanese man, and we started rowing toward the spot where he had struck the water. Before we got to him he had gone down three times, and when we reached for him his head was about two feet under the water. We got the Japanese into the row boat and Allen Cunha, who was standing on the dock in his bathing suit, swam out to our boat. We worked over the Japanese for some time and finally succeeded in getting the water out of him. The Persia had stopped, and a line was dropped down to us, which we fastened around the Japanese. They hauled him on board and we went back to the boat house."

**CARNIVAL OPINIONS**

W. R. FARRINGTON: In my canvass for Carnival stock I was particularly impressed with the cordiality with which we were received by the men of small means. They were all glad to come in for a dollar anyway—pleased to be numbered among the citizens of Honolulu who help in community affairs. I was thus further impressed with the responsibility of all citizens of Hawaii in doing our utmost to promote the prosperity of the islands in order that these men of small means may always have work and thereby gain a surplus to invest.

A. L. C. ATKINSON: It is a proud day for Honolulu. We have all worked together for a great, common good. I say three cheers!

HARRY STRANGE: The Ad Club snowed once more that it can do things. Yesterday was a great day.

CHUCK HOY: The Chinese have not yet put in all their subscriptions.

CHARLES FRAZIER: The last subscription needed to make the \$30,000 was won by a dance!

T. M. CHURCH: The whole-day goes to show what the Ad Club can do when it starts out.

JAMES D. LEVENSON: The newspapers deserve to be thanked for their part in making the campaign the success it proved to be.

THOMAS SHARP: We all quit business to do our part in the stock selling for the carnival yesterday, and it was well worth while.

ED. TOWSE: I have never enjoyed a thing more in my life. We have shown that the honor of Honolulu is ours.

G. B. CURTIS: One of the pleasant things about the sale was that persons in all classes did their part. The poor man and the rich man bought stock.

MRS. C. S. CRANE: I enjoyed working for the Ad Club and the Carnival yesterday. I feel as elated over the success of the day as the club does.

Christmas shoppers in a suburb of Kansas City, Kas., were thrown into a panic by a steer which broke out of a car and charged through the streets.

**NEW MOTTO FOR CITY FATHERED BY ED TOWSE**

Honolulu was given a new motto last night. Ed Towse in speaking before the Ad Club following its whirlwind campaign yesterday, distributed little buttons with the motto on them. It was taken from the inscription under a portrait of a famous old burgomaster who devoted his life to the defense and uplift of the community in which he lived. The inscription, which Mr. Towse now offers as the new motto for Honolulu, is: "The Honor of My City is Mine."

**GOVERNOR'S VISITORS.**

Among those who called on the governor this morning were J. F. C. Hagens, J. L. Holt, R. C. Lydecker, F. E. Colby, the Democratic territorial committee, consisting of Chairman M. C. Pacheco, Ben Kahalepuna and J. H. Wilson; Henry Davis, Noa W. Aulii, A. E. Harris, C. G. Bockus and James McCallister; J. A. C. C. W. R. Farrington, Judge Frank Andrade and Alonzo Gartley.

**CASTORIA**  
 for Infants and Children.  
 Save the Babies.

INFANT MORTALITY is something frightful. We can hardly realize that of all the children born in civilized countries, twenty-two per cent., or nearly one-quarter, die before they reach one year; thirty-seven per cent., or more than one-third, before they are five, and one-half before they are fifteen!

We do not hesitate to say that a timely use of Castoria would save a majority of these precious lives. Neither do we hesitate to say that many of these infantile deaths are occasioned by the use of narcotic preparations. Drops, tinctures and soothing syrups sold for children's complaints contain more or less opium, or morphine. They are, in considerable quantities, deadly poisons. In any quantity, they stupefy, retard circulation and lead to congestions, sickness, death. Castoria operates exactly the reverse. It causes the blood to circulate properly, opens the pores of the skin and allays fever.

The signature of *Chas. H. Fletcher* guarantees genuine Castoria.  
**Physicians Recommend Castoria.**

"I have used your Castoria in cases of colic in children and have found it the best medicine of its kind on the market." J. E. STURSON, M. D., Chicago, Ill.

"A medicine so valuable and beneficial for children as your Castoria is deserves the highest praise, and it is in use everywhere." J. S. ALEXANDER, M. D., Omaha, Neb.

"I have prescribed Castoria to families for several years. It is all right. Mothers like it, for children will take it without any trouble." C. A. WILSON, M. D., St. Louis, Mo.

"Your Castoria is a splendid remedy for children, known the world over. I use it in my practice and have no hesitancy in recommending it for the complaints of infants and children." J. A. SHANLEY, M. D., Kansas City, Mo.
