**STORM EFFECT FELT ON MAUI—FREEZING WEATHER REPORTED**

[Special Star-Bulletin Correspondence]  
 WAILUKU, Maui, Jan. 15.—Very unusual weather has been experienced on Maui during the last 10 days. For the first time in two years snow has been seen in large patches on Haleakala, and the wind has been blowing at a terrific rate. In fact, the seas at Hana have been so high and the wind so powerful that no landing could be effected at Hana yesterday. This is the first time in the run of the Claudine, so report says, that a landing was impossible. The boat is leaving Hana today at 2:30 and will not stop at Kahului, but go on direct to Honolulu.  
 Above Olinde ice has formed on the small ponds, and the weather has been bitterly cold. At Kahului the mercury stood at 52 one day last week, and at Wailuku yesterday evening at 6:30 it stood at 61. The weather has felt decidedly like winter. Open fires have been a pleasure and heavy blankets at night have been a necessity. There have been but few days of sunshine and the showers both day and night have been frequent.  
 The telephone lines between Lahaina and Wailuku have been down for two days because of the winds. At Ukamohane the telephone repair gangs were able to get one line up this afternoon.

**MISS CLARK MAKES DEBUT**

Speaker's Daughter Presented to Society at Notable Function

BALLET GIRLS REFUSE TO DANCE BARE-LIMBED Row in German Theater Leads to Dismissals and Retaliatory Blacklisting

[By Latest Mail]  
 WASHINGTON.—Speaker and Mrs. Champ Clark presented their daughter, Genevieve, the New Year's debutante, to American society at a reception which rivaled in point of attendance and brilliance former White House New Year's receptions. It proved to be the most notable social event of the day in the national capital.  
 Every circle of Washington society was represented and the democratic debutante was greeted by hundreds from diplomatic and official worlds, while an equal number of private citizens and friends joined in the welcome. No cards were issued for the event and the doors were flung wide to all well-wishers.  
 Shortly before her reception began Miss Clark presided over a linen shower at the gospel mission, a favorite charity in which she has interested many Washington society folk. The dolefuls of the mission were all interested in the pretty debutante and she gladly consented to shake hands with each as they filed past.  
 The reception at her home began at four o'clock in the afternoon and lasted four hours.  
 Miss Clark and a bevy of her young girl friends, all in dainty pastel color, chiffon gowns, made a most pretty picture amid a surrounding of hundreds of floral offerings for the debut which came from all parts of the United States.  
 Mrs. Clark's usual practice of having the most interesting women in Washington assist her was followed today. Among those who received with her were Mrs. David Jayne Hill, Mrs. George Harvey, Mrs. James A. Mann, Mrs. Timothy Ansberry, and Mrs. Henry C. Woodvard.

The interesting color of girls who assisted Miss Clark were representative among debutantes of this year. Among them were Miss Helen Cox, daughter of the Governor of Ohio; Miss Madeline Edison, daughter of Thomas A. Edison; Miss Marie Alright to Peary, the famous "snow baby," daughter of the discoverer of the North Pole; Miss Alice Preston, daughter of the Mayor of Baltimore; Miss Dorothea Owen, daughter of Senator and Mrs. Owen; Miss Irene Thompson; Miss Marie Murdoch, daughter of Representative and Mrs. Victor Murdoch; Miss Eleanor Conolly, Miss Agnes Bennett, Miss Jean Winter, Miss Jean Roberts, Miss Ruth Roberts, Miss Laura Graves, Miss Amy Bennett and Miss Ruth Patterson.  
 Miss Clark's debutante gown was of pale pink chiffon over white satin, embroidered in conventional designs in old blue. A girlish girde with cash ends of old blue ribbon and touches of blue tulle and filmy cream lace on the bodice completed her costume.

**PROGRAM OF MUSIC IS ARRANGED FOR CENTRAL UNION CHURCH SERVICE**

At Central Union church Sunday evening the 7:30 service will be devoted to a special musical program prepared by Director Ingalls and his double quartette. A rich treat for music lovers has been arranged. The numbers comprise "The Call to Worship," by Reed; "O Come Every One That Thirsteth," in which Mr. Wall sings the tenor solo. Barnaby's beautiful rendition of "Abide With Me" will be given by Mrs. Mackall, Mr. Wall, Mr. Brown and choir. The full choir will also render Vogrich's Te Deum in D and Tours' "Rejoice in the Lord," with Mrs. Mackall taking the soprano solo in the latter. Dr. Scudder will read a short Christmas story. A warm invitation to all to attend is cordially extended.

**Fort Shafter Notes**

[Special Star-Bulletin Correspondence]  
 FORT SHAFTER, Jan. 15.—A wholesale moving day is at hand for the garrison in the near future. It is the result of the completion of the quarters in the cantonment whereby separate quarters will be available for all officers and the inconvenience of doubling-up done away with. In addition to those now quartered in the garrison the officers who have been living in Honolulu in houses secured at their own expense will move back into the post and Shafter will become a united garrison. This latter class includes Captain W. H. Johnson, Lieutenants F. A. Barker and E. L. Hoffman, 2d infantry, and F. F. Black and R. R. Love, signal corps.  
 Of those now quartered in the permanent houses all but Major Smith, Major Williams, Captain Rosenbaum, Captain Culler and Lieutenant Campanole will take part in the "grand right and left" performance of moving out and moving in.  
 All officers met at post headquarters on Thursday and made selection according to rank of the individual. The result is that as soon as the preliminary moves across the gulch are completed the big shake-up will begin. The selections are as follows:  
 Main garrison—Colonel French, No. 5; Lieutenant-colonel Atkinson, No. 10; Major Smith, No. 12; Major Lenthall, No. 11; Major Williams, No. 3; Captain Jamerson, No. 7; Captain Malone, No. 8; Captain Rosenbaum, No. 6; Captain Lincoln, No. 12; Captain McCleave, No. 4; Captain Gibbs, No. 9; Captain Harris, No. 17; Captain Watkins, No. 15; Captain Bell, bachelor's mess; Captain Cooke, No. 16; Captain Culler, bachelors' mess; Captain Gibson, bachelors' mess; Lieutenant Campanole, bachelors' mess.  
 In the cantonment—Captain Parker, No. 1; Captain Chamberlain, No. 32; Captain Johnson, No. 2; Lieutenant May, No. 5; Lieutenant Jackson, No. 31; Lieutenant Booth, No. 28; Lieutenant Boller, No. 10; Lieutenant Mathews, No. 7; Lieutenant Black, No. 3; Captain Scott, No. 4; Lieutenant Love, No. 6; Lieutenant Preston, No. 30; Lieutenant Wright, No. 8; Lieutenant Longenecker, No. 29; Lieutenant Cook, No. 9; Lieutenant Sharp, No. 20; Lieutenant Crockett, No. 34; Lieutenant Barker, No. 23; Lieutenant Reed, No. 21; Lieutenant Foster, No. 25; Lieutenant Hoffman, No. 27; Lieutenant Silvester, No. 26; Lieutenant Halverson, No. 19; Lieutenant Camp, No. 32; Lieutenant Polhemus, No. 18; Lieutenant Calder, No. 25; Lieutenant Hardig, No. 18; Lieutenant Greene, No. 18.

Captain Honnum, Lieutenants Gen. Matheson and A. K. B. Lyman, engineers, are also quartered in the cantonment in houses assigned to the engineer section of that part of the garrison. Lieutenant A. K. B. Lyman will have with him in quarters, his brother, Lieutenant C. B. Lyman, 2d infantry.  
 Corporal Arthur J. De Courcy has been promoted to sergeant in Company L, vice Byrns, appointed color sergeant and Lance Corporal Edward Dare of the same company has been appointed corporal to fill the vacancy caused by De Courcy's promotion.  
 In B company, Private Arathoon A. Arathoon has been appointed corporal, vice Mills, reduced, and in the regimental detachment, Private Frederick A. Silber has been appointed corporal, vice Whitaker, discharged.  
 Corporal Silber was transferred from Company G to Company L prior to his promotion. Other changes are: Private Edgar E. Taylor was transferred on the 15th from Company M to Company D.  
 Chief Musician Albert Jacobsen, band 2d infantry, has gone to Schofield Barracks today, accompanying Captain Berger of the Royal Hawaiian band, to confer with the leaders of the regimental bands at that post, in the matter of arranging the details for the big consolidated band for the Mid-Pacific Carnival. This consolidation of the service bands with the county band will undoubtedly be a big feature of the carnival as it will make an aggregation of a total musical strength of 165 pieces. Their concerts will draw heavily, it is predicted, for the selections will be distributed over a wide range as the united band will have not only augmented numbers but carefully balanced instrumentation.

Captain and Mrs. Clyde B. Parker, recent arrivals from the mainland, are guests of Captain and Mrs. O. B. Rosenbaum until their own quarters can be settled. Mrs. Parker is a sister of Mrs. Rosenbaum and Captain Parker has been assigned to duty at Fort Shafter and, it is expected, will by later orders be assigned to the 2d infantry, to fill the vacancy covered by the promotion of Captain E. A. Shuttleworth. Pending his regular assignment Captain Parker has been attached to Company H, 2d infantry, relieving 1st Lieutenant A. J. Booth from command of that company. Lieutenant Booth returns to duty with B company.

Weather permitting the presentation of the new regimental colors of the 2d infantry will take place this afternoon at 4:30, the hour for the usual weekly parade having been moved forward from 5 o'clock for that purpose. A number of prominent officers have indicated their desire to be present at this interesting ceremony. The list includes Brigadier-general Macomb, the brigade commander.

The post-graduate class of the officers' school will undertake a tactical ride under Major H. O. Williams this afternoon at 1:30. The direction of the ride will be the head of Kalihii valley.

**LITTLE INTERVIEWS**

—E. P. LOW: The Kaena succeeded in bringing the yacht Luika to port without mishap. It was no easy job at that.  
 —H. B. WELLER: I learned while on the coast that the Union Oil Company would soon have two large new steam tankers in commission.  
 —CHARLES KIBLING (purser Inter-island steamer Claudine): I will not say that the last trip in the Claudine was the roughest in my experience, but it was unpleasant enough.  
 —W. T. RAWLINS: The A. A. U. wants to give the amateur walkers a chance, so there will probably be a 2-mile walking event on the program of the big track meet March 21.  
 —A. E. LARIMER: The campaign for membership renewals now being conducted by the Y. M. C. A. is proving a distinct success. Renewals to the number of 167 have been received in the men's department to date, and 29 in the boys' department.  
 —GEORGE W. PATY: The temperance talk which Jeff McCarn delivered in the parish house of Central Union church yesterday afternoon was one of the finest I have ever heard. They certainly know how to do things down in Tennessee.

—MANLEY G. K. HOPKINS: Last Saturday night our shell-hunting society entrained for Lilehua and started the ascent of the Waianae range a short time after midnight. We spent the whole day Sunday exploring the crest of this range toward Ewa, and many of the views we had were worth ten thousand dollars apiece.  
 —Y. YOSHIMACHI (editor Hawaii Hochi): "Ontake" is not the correct name for the volcano in Japan that has just erupted. The right name is "Mitake," which means "honorable mountain." The name of the island on which is the site of the volcano is Sakurajima, and Kagoshima is the name of the city that was overwhelmed. Sakurajima means "chilly island" but it wasn't chilly last Sunday night and Monday morning.

The governor signed a decree yesterday granting John Simon Wiekosky, a private at Schofield Barracks, the right to change his name to John Samuel Wiker. The soldier, who is a naturalized citizen of the United States and 25 years of age, made application for the change several months ago, but Governor Frear was then in the East and action therefore delayed until the new executive could find time to consider the subject.
