**QUICK RESULTS ASTONISH HONOLULU**

There is astonishment in Honolulu at the QUICK results received from simple buckthorn bark, glycerine, etc., as mixed in Adler-ika, the remedy which became famous by curing appendicitis. This simple mixture drains such great amounts of foul matter from the body that a SINGLE DOSE relieves constipation, sour stomach and gas on the stomach almost IMMEDIATELY. The speedy action of Adler-ika is surprising. The Hollister Drug Company.—advertisement.

**PLEASING SPECIALTIES PUT ON BY SPAULDING MUSICAL COMEDY CO.**

Prettily costumed chorus girls, clever dancers and several pleasing specialties in a one-act travesty entitled "Tiger Island" served as an introduction for the Spaulding Musical Comedy Company to two large audiences at the Bijou theater last night. When the initial curtain rose at 7:30 the theater was packed to the doors and a crowd had commenced to gather for performance number two. At the conclusion of the first show so dense was the throng of ticket-seekers that it was with difficulty that those leaving the theater were able to break through the line. The S. R. O. sign was a necessity.

"Tiger Island" proved merely a foil for the several clever specialties, the best of which was the "Syncopeated Hokey-Boo," in which the De Von sisters rendered and which can best be described as a "limber dance." They danced as though they had never had to do anything else and had worked consistently at their own particular style of dancing until they had found further improvement impossible. The "Apache Dance" by Paisley Noon and Miss Geraldine Delwood also was cleverly executed, while the parody on this dance by Spaulding and Murray proved a big laugh-getter. Eddie Murray proved a versatile

comedian and in his comedy work demonstrates his ability to fall to the stage from any angle and, apparently miraculously, escape without any broken bones. Murray's comedy is considerable on the slapstick order, which proves pleasing to the audience and "gets by" Murray's single fault, and the criticism applies to others in the cast, is "cussing." While it is only of a mild variety its elimination would not hurt the show and previous companies have demonstrated the aptness to increase rather than decrease the number of cuss words used until they have become positively obscene and indecent. Should Mr. Spaulding put a crusher on this "coarse" work at the start it would prove popular with the Honolulu audiences, which are capable of enjoying shows minus vulgarity. Miss Emma Audelle possesses a pleasing voice and might well be supplied with an additional song or two. "Tiger Island" pleased the audiences at each show last night, and will be on the boards for the balance of the week. Producer George L. Spaulding promises that during the 10-week stay in Honolulu a number of good bills will be put on and specialties introduced by each and every member of the company. W. W.

**DECORATIONS FOR SIMMONS WILL BE SENTENCED ON SATURDAY**

Orders for Lei Materials Duplicated to Meet Demand of Enthusiastic Public

Once again the decorations committee of the floral parade has had to duplicate its lei-material orders, in order to meet the demands of those who are preparing to fly the Carnival colors among their decorations for the fete days. The additional order was placed this morning by Albert Afong of the lei section, and shows that the decorations movement is more than coming up to expectations. A large number of downtown decorations are being prepared by Edward B. Webster, general manager of the Oakland Merchants' Transportation Company, who came here on a recent steamer to be in Honolulu during carnival times.

"I had an idea from a poster I saw in an Oakland transportation office that this was an Elks' carnival," said Mr. Webster, "and thought I would come along. The poster must have been a notice of the special Oakland Elks' excursion. Decorations is my business and I have done a lot of it for the Elks before. I found Honolulu ready to decorate and have jumped in and made arrangements with a lot of merchants, submitting to them drawings of designs for decorating. In all of them I use the carnival colors. They make a very effective scheme. One thing seems sure, that your city is going to be quite thoroughly decorated. I find business men very ready to enter into arrangements for decoration schemes. The scheme suggested by your decorations committee is an inexpensive one, and it provides for lots of color."

Mr. Webster yesterday called at the Promotion Committee rooms with a plan for decoration of the B. Shop street front, and it will be carried out under his supervision. "The design shown by Mr. Webster is a very good one," said H. P. Wood, secretary of the committee, "and it makes good use of the carnival colors and emblem."

The sale of season tickets for the carnival is to open at the Promotion Committee rooms Friday morning at 9 o'clock. The tickets are in script form and are good for seats at all of the events of the carnival period, in grandstands which are now being constructed, and are good also for admission to the masked ball in the armory. The following is a list of the events covered by the tickets:

Carnival ball of all nations, at Capitol grounds, massed band concert at Capitol grounds; pyrotechnic display at Mollili park; Hawaiian hibiscus flower, fern and palm exhibit in the Armory; production of "The Mayor of Tokio," at Oahu College grounds; Hawaiian pageant "The Wooling of Umi and Pitikea" at Waikiki beach; grand masked ball at the Armory; water carnival and nautical pyrotechnic display on the waterfront; Mid-Pacific championship swimming meet; the ninth annual floral parade; grand assembly of floats and other parade entries in Mollili park; Japanese 'antenn' parade; grand military parade, military tournament and maneuvers at Kapiolani Park.

Many things cause headaches — late hours, unsuitable food, nervousness, eye-strain, overwork, etc. One thing cures them—"Shac." It is without an equal, as it acts very quickly and is easy to take, having no bad taste. Insist on "Shac."—advertisement.
