CARNIVAL A BIG SUCCESS, DECLARE LEADING CITIZENS OF HONOLULU

Many business and professional men
of the city have been sounded by the
Star-Bulletin for impressions on the
Carnival. Sifting these down, there
seems to be a very unanimous impres-
sion that the big show was exceeding-
ly well worth while. That it is a fea-
ture that must be put through annual-
ly, and elaborated on each year, is also
universally taken for granted.

There are not a great many criti-
cisms to be heard concerning the car-
rying out of this year's show—or at
least there is very little "knocking."
Almost everybody has ideas and sug-
gestions for future events, mostly
based on experience or observation
during the past ten days. And in this
respect the men who had the most to
do with the real work of the Carnival
are possibly the ones who see the most
things that could be improved upon
were they to be done over.

"There have been mistakes made,"
said L. J. Warren, president of the
Mid-Pacific Carnival, Ltd., "but they
have been honest mistakes and may
be avoided in the future."

It cannot be told as yet how the fi-
nances of the Carnival stand. It was
estimated that the outlay would
amount to between \$20,000 and \$21,-

000. It may run over this, but some
of those in a position to judge, think
that it will not exceed the estimate.
Treasurer S. M. Lowrey of the Carni-
val Limited stated this morning that
he will probably not be in a position
for several days at least to settle this
question to his own satisfaction. In
the meantime, he asks that all per-
sons holding any account against the
Carnival submit their bills at once as
it is the intention of the company to
balance its accounts as of March 1.

At the present time it looks as
though it may be necessary to have
another assessment on the stock—
possibly 10 per cent. It is known that
something like \$13,000 was taken in
from seat sales at the various events.
To this amount must be added several
thousand dollars from the baseball
series, but this amount is not defini-
tely known, and there will be perhaps
in the neighborhood of \$1000 received
from the second production of "The
Mayor of Tokio" last evening. From
the original 10 per cent assessment on
the stock of the corporation, and also
from those who paid in larger part
for their stock, something like \$6000
was received. From this it will be
seen that something like \$20,000 or
more is in sight.

ITINERARY OF AD CLUB'S TRIP TO KAUAI ANNOUNCED

"Off to Kauai," the latest slogan of
the Ad Club, is on the tongue of every
member of that organization, and
plans for the large time that is antic-
ipated while visiting the Garden Is-
lands are already under way. March 27
is the date set to commence the trip,
the Mauna Loa sailing in the evening,
probably after dinner, so that all the
time that will be lost by the "busy
businessman" will be a half-day Sat-
urday. The party reaches Honolulu on
the return trip early Monday
morning, March 30.

Following is the itinerary of the
trip to Kauai:

Start from Honolulu Friday even-
ing, March 27, S. S. Mauna Loa.
Saturday, arrive Waimea 6:30 a. m.
Breakfast, 7 to 8 a. m.
Start from Hotel Waimea 9 a. m.
auto to Waiaua and return, taking in
the famous Olokele canyon.
Luncheon, Hotel Waimea, 2 p. m.
Motor to Lihue via Kukulolono
park and Koloa, taking in the Sport-
ing Horn.

Public dinner at Lihue, 7 p. m., fol-
lowed by reception.
Sunday, motor to Hanalei, Waipiha
and Huana, with lunch at Hanalei.
Board steamer for trip along the
Napali coast, where famous cliffs are
to be seen. Home to Honolulu, arriv-
ing early Monday morning.

MOTHER! IF CHILD'S TONGUE IS COATED

If cross, feverish, constipated, bilious,
stomach sour, give "California
Syrup of Figs."

A laxative today saves a sick
child tomorrow. Children simply will
not take the time from play to empty
their bowels, which become clogged up
with waste, liver gets sluggish,
stomach sour.

Look at the tongue, mother! If
coated, or your child is listless, cross,
feverish, breath bad, restless, doesn't
eat heartily, full of cold or has sore
throat or any other children's ailment,
give a teaspoonful of "California Syr-
up of Figs," then don't worry be-
cause it is perfectly harmless, and in
a few hours all this constipation pos-
son, sour bile and fermenting waste
will gently move out of the bowels,
and you have a well, playful child
again. A thorough "inside cleansing"
is oftentimes all that is necessary. It
should be the first treatment given in
any sickness.

Beware of counterfeit fig syrups.
Ask your druggist for a 50-cent bot-
tle of "California Syrup of Figs,"
which has full directions for babies,
children of all ages and for grown-ups
plainly printed on the bottle. Look
carefully and see that it is made by
the "California Fig Syrup Company."
Don't be fooled!—advertisement.

MOTHER AND SON Y.M.C.A. BANQUET TO BE 'CHUMMY'

Mothers and sons who attend the
banquet at the Y. M. C. A. Friday
evening will go away feeling the best
chums ever, gripped by the spirit of
the evening.

Mrs. H. M. von Holt has the pro-
gram of the Mother and Son banquet
in charge and announces Dr. W. P.
Ferguson as the chief speaker and fun
dispenser of the evening. Mr. Albert
Horner, Jr., a Cornell man, has prom-
ised to sing a few college and comic
songs for the boys. The president of
the association, R. H. Trent, will act
as toastmaster of the occasion. In this
capacity he sits at ease and will keep
the mothers and their sons in the
best of spirits during the evening.

Mrs. J. P. Cooke is looking after
the "feats," the big feature of the even-
ing's program from the youngsters'—
point of view, and has some pleasant
surprises in store for the boys. The
menu is a secret but it is known that
the days are numbered for a few fat
island turkeys.

Mrs. A. A. Ebersole and Mrs. Char-
lotte Ewing are seeing to it that Cooke
hall is decorated for the evening and
are working out some fine decoration
schemes.

After the banquet, the members of
the Punahou prep. gymnasium class
are going to put on a gymnastic ex-
hibition for the mothers. After the
marching and gym work the boys will
divide into their H and Y clubs and
play games. The older sons and their
mothers will bowl in the bowling al-
leys.

HAWAII'S PRIMA DONNA WON'T GO INTO VAUDEVILLE

[Special Star-Bulletin Correspondence]

SAN FRANCISCO, Cal., Feb. 18.—
Mrs. Marion Dowsett Worthington,
"Hawaii's prima donna," has decided
not to go on the vaudeville circuit,
but will take up concert work on the
advice of many leading musical ex-
perts in San Francisco.

When Mrs. Worthington announ-
ced her intention of going upon the Or-
pheum circuit, her suggestion was
kindly received by Mr. Meyerfield,
head of the Orpheum, who, however,
advised her not to ruin the beautiful
voice which has been so delicately
trained. He was frank in saying that
it was a more beautiful voice than
was now being heard upon his cir-
cuit. Other musical experts were of
the same opinion and she will now go
into concert work.

It is quite possible Mrs. Worthing-
ton will give a concert in San Fran-
cisco in a few weeks, and that her
patronesses will be numbered among
San Francisco's leading society wo-
men.

YE LIBERTY THEATER

Herbert G. Ponting, Fellow of the
Royal Geographical Society, and the
last member of Captain Robert Falcon
Scott's Antarctic expedition, aside
from those who made the final trip
to the Pole, to see the leader alive,
has the following to say about the
wonderful motion pictures he took
with Captain Scott on that noble
hero's ill-fated pilgrimage to the
Antarctic.

"I accompanied Captain Scott on
the British Antarctic expedition and
had charge of the entire photographic
equipment. Captain Scott was the
first Polar explorer to make photo-
graph a separate department of such
a trip.

"The entire history of the exposi-
tion has been illustrated in the mov-
ing pictures, and all of the most thrill-
ing incidents and adventures that it
was possible to illustrate, have been
shown. The films are an animated
record of the expedition up to the
very minute that Captain Scott and
