

CRUCIAL GAMES IN BALL SERIES NOW COMING UP

If Oahu Lose Today, Winner of Tomorrow's Game Will Have Clear Lead

Tomorrow's ball game between the All-Service and Asahi teams is probably the crucial one of the Inter-Island series, for victory for the latter will give the Japanese players four straight wins, leaving only the Oahu in the path of a clean sweep.

Lawson will be in the box for the soldiers tomorrow, and in the event of anything going wrong with his delivery, Willis will be available as a reserve.

This afternoon's game between the Puns and Oahu should be a good one to watch, and owing to the closeness of the race, the result will have a great bearing on the winning of the trophy.

INDOOR BALL TO BEGIN SCHEDULE AT 'Y' TONIGHT

The Club Indoor Baseball League which has just been organized at the Y. M. C. A. and begins its schedule this evening, will introduce some new blood into the life of the local indoor diamond.

Tonight's game will bring together the Hitites and XX teams, both of which have been practicing eagerly for the match.

Physical Director Lau has secured S. Bunn and Charles Barbosa for umpires and A. E. Larimer will act as scorer.

OAHU COLLEGE GIVES TEAM GREAT SEND-OFF

With speeches by the different members of the track team and by the coaches, and vigorous cheering all round the Oahu College students gave their track runners a hearty send-off yesterday morning.

Cosch Midkiff was given a rousing welcome when he made his appearance and his speech also pertained to the work that the track meant.

'COWARDLY FOOL' CABLED TO ELOPING HUSBAND

BOSTON.—"Cowardly fool! How about the children?" was the text of a cable message which Charles Cale, a passenger on the steamer Arctic, found awaiting him on his arrival from Liverpool.

It was from his wife, whom he is alleged to have left with two children at Burnley, England, when he eloped with Mrs. Florence Beavers. The couple, who had crossed the ocean as "Charles Heap and wife," admitted their identity, according to immigration officials. They were ordered deported.

GOING TO TAKE A PLEASANT DIP IN DELAWARE RIVER

Samuel Richards, Jr., the South Boston aquatic star, has accepted the challenge sent him by Charles B. Durburrow of Philadelphia for the amateur long-distance swimming championship.

Richards declared Monday night that he would accept the challenge and that he would waive some of the rights which are his and permit Durburrow to handle the matter in his own way.

In a letter Durburrow announced that he would swim Richards over this course, and named two dates in the latter part of July.

However, as Richards hopes to swim in the New York harbor race, which is scheduled for the latter part of July, he asks that Durburrow agree to swim in the Delaware earlier in the same month.

BLUE RIBBONS DECORATE PREP. SCHOOL STARS

When the youngsters of the prep. gave three cheers for Miss Winne and all the blue ribbons had been presented to the winners by the same teacher, the Punahou Preparatory brought to a close its most successful school track meet held this year.

Track, to the boy of the prep., is about the most interesting and the most important sport that the schools of the grammar league have adopted.

Harold Harvey of the seventh grade left the field with five bright blue ribbons to his credit. Harvey was one of the smallest men running but nevertheless proved his prowess in track events when he won the 50 and 100 yard dashes, broad jump, and was on the winning relay team in class B.

His best performance was in the pole vault when he tied Fred Peterson, of those over a hundred, by clearing 8 ft. 6 in.

"Buzz" Smith was another man who surprised the spectators by his stellar running. It was in the 80-yard race and Peterson had a good thirty yard lead when he was within 200 yards of the finish.

To the winners the presenting of the ribbons was the biggest part of the meet. Miss Winne, one of the teachers of the school, honored the youngsters pinning the ribbons on the winners as they were announced.

FOUGHT ENTIRE NIGHT IN THE EASTERN WOODS

It was 26 years ago today that Ike Weil, "the all-night fighter," defended his title of featherweight champion of the world against George Siddons, "the all-day fighter."

Before he became a pugilist Siddons was a soldier in the United States army, and fought Indians in the wild and woolly West.

Besides Siddons, Joe Grim and Tim Collins were among the fighters who were popularly called "iron men."

The fast traveling ball team of Battery A, 1st Field Artillery, jumped into a tie for first place in the inter-battery league series last Thursday by defeating E Battery by a score of 7 to 5.

BATTERIES A AND E ARE NOW TIED

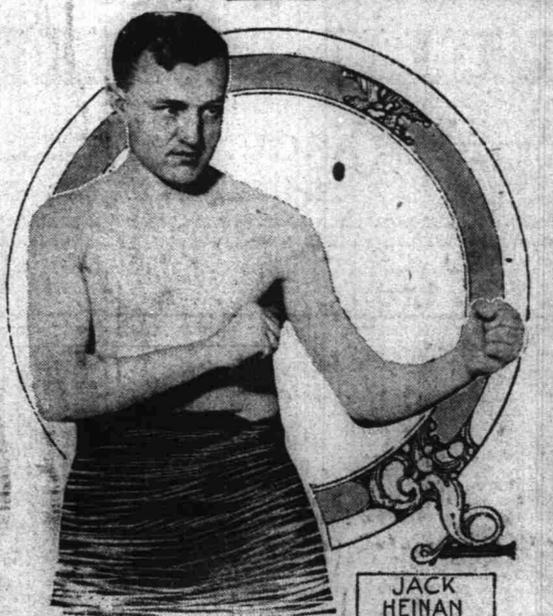

The individual batting averages of those who lead the batting in the 1st Field Artillery series are as follows:

Table with columns: Player Name, W, L, Pet. Battery E: 1000013-5 3 5. Battery A: 102030-5 4 7. Batteries-Battery E, Gray and Yeselski; Battery A, Burnett and Wilkinson; struck out by Gray 11, off Burnett 14; base on balls, off Gray 1, off Burnett 2; three-base hit, Cunningham. almost desperate. Water can be obtained from the pipe line only as far as Waialoa, and often the water will not reach that far. The situation at the Kula sanatorium is about as bad as it has ever been.

Two women, for the first time in the history of Bellevue hospital, New York, have passed the examinations for admission as internes.

Chicago Fighter, Who Whipped M'Carthy, Now After Smith

Jack Heinan, the new candidate for heavyweight fighting honors, is here shown in his training quarters at Jimmy DeForest's camp at Allenhurst, N. J. Heinan, who is hot on the trail of Gunboat Smith, is a remarkably fast man, both on his feet and with his mitts.

EDDIE COLLINS TALKS ON OUTGUSSING THE PITCHER

In a previous article I discussed some of the qualities that go to make what is known as a "good hitter."

One was a rifle-like shot of a drive in the third game of the Athletic-Cubs series in 1910. It skipped just once on the damp turf, struck Schulte on the shin, caromed off, and Sheppard relayed the ball in from left field, and the scorers gave the Cub right fielder an error on the play.

Some twirlers have as complete mastery over their own curve or splitter as they possess over their fast one. A man like Bender is just as liable to hand up a curve when the count is three and two as a fast one.

Let us use Bender as an example. If he only used the judgment at bat that a man like Cobb does he would be the greatest hitter that ever lived. But Frank cannot seem to let the ball get by that is anyway near the plate. He hits at a lot of bad balls, and in this way helps a pitcher out a lot.

Some one started a rumor around the league that "Bake" was bad on a slow ball. Pitchers tried it, and maybe for a couple of strikes made "Bake" look bad, but when they came back once more it was "good night."

HELEN TODD HURT IN COASTING ACCIDENT

NEW YORK.—Miss Helen Todd, a well-known speaker for women suffrage, was seriously injured in a coasting accident in Bronxville.

MIDDLEWEIGHTS NOT ALL DUBS, BY ANY MEANS

"Too bad poor old Stanley Ketchel isn't with us to clean up this bunch of middleweights," is a common assertion at almost any boxing club after the staging of a middleweight bout.

In the past year there has been much activity in the ranks of the "middle" boys, until today but half a dozen, at the most, stand out as worthy hustlers for the title.

Chip must possess some skill at that to conquer such a tough customer, and then repeat. Subsequent battles showed him to be improving steadily as a boxer.

Although Clabby and Gibbons are far below the limit notch of the middleweights, their class is so good as to more than offset the extra poundage others would carry into the ring with them.

STAR-BULLETIN'S SUGGESTION NOW WELL SECONDED

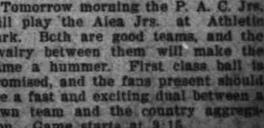

Advertiser Also Urges International Swimming Races on June 11

The Advertiser this morning seconded the suggestion originally made by the Star-Bulletin for an international swimming meet on June 11, Kamehameha Day.

"Home people and tourists alike are aquatic enthusiasts. The big event proposed for June 11 would undoubtedly attract a record-breaking crowd. It would increase an already high interest in this clean sport.

This morning the Advertiser said on the sporting page: "Forecasting it is the suggestion of the Advertiser that the swimming committee of the A. A. U. bentle themselves to bring together Perry McGillivray from Chicago, Robert Small from San Francisco, Harvey Wickham and W. Longworth from Australia and Duke P. Kahanamoku of Hawaii in a series of races on Kamehameha Day, June 11."

Tomorrow morning the P. A. G. Jrs. will play the Ala Jrs. at Athletic park. Both are good teams, and the rivalry between them will make the game a hummer.
