## DIVORCE PLAY ON THE BILL FOR BIJOU TONIGHT

Tonight The Players All-Star Company will produce a late success, "A Butterfly on the Wheel," which recently ran one year in New York and played for three hundred consecutive nights in London. The play pertains to a young frivolous woman, mischievous and full of youthful sayings, the wife of a member of parliament. He being too busy to attend to social functions and she thinking it necessary for her to attend alone and have other amusements, she falls into a trap which causes gossip in all England and later ends in a sensational divorce trial, she being acquitted.

Miss Okley will be seen as the wife, a part well suited to her and one that will give her an opportunity to display ability. In the first act she is young and happy. Each act becomes more serious till the third act, which gives her a chance to reach a height of dramatic power. Mr. Guy Hittner will be seen as her husband, a member of parliament, while Mr. Webb will portray the role of Roderick Collingwood, a gentleman of leisure, who cares not how much trouble he causes between the man and wife. Each member of the company will be seen in good roles and all new scenery is promised. Tonight will be the second night of the photo souvenir. Each person attending will receive a photo of one member of the company.

## A CHILD'S LAXATIVE IS "SYRUP OF FIGS"

They love to take it and it doesn't harm the tender little stomach, liver and bowels.

If your little one's stomach is coated, it is a sure sign the stomach, liver and bowels need a gentle, thorough cleansing at once. When your child is cross, peevish, listless, pale, doesn't sleep, eat or act naturally, if breath is bad, stomach sour, system full of cold, throat sore, or if feverish, give a teaspoonful of "California Syrup of Figs," and in a few hours all the clogged-up, constipated waste, sour bile and undigested food will gently move out of the bowels, and you have a well-playful child again.

Sick children needn't be coaxed to take this harmless "fruit laxative." Millions of mothers keep it handy because they know its action on the stomach, liver and bowels is prompt and sure. They also know a little given today saves a sick child tomorrow.

Ask your druggist for a 50-cent bottle of "California Syrup of Figs," which contains directions for babies, children of all ages and for grown-ups plainly on the bottle. Beware of counterfeits sold here. Get the genuine, made by California Fig Syrup Company. Don't be fooled!

## WOULD HAVE ROBERTSON.

That A. G. M. Robertson, at present chief justice of the supreme court of the territory, is the man to run for delegate to congress, in case Prince Kuhio does not do so, is an opinion freely expressed by President Kennedy of the Inter-Island Steam Navigation company. Kennedy was at one-time campaign manager for the Republican party on Oahu and has always been active in politics, and he knows the game about as well as anyone. During his visit here this week he expressed the opinion that Kuhio would probably run again. If not, he said, he would like to see Robertson run and he thought that if Kuhio backed him, Robertson could beat McCandless. It is understood that Robertson would have liked to run some years ago, but has refused to consider the proposition this year. In any event, he is friendly to Kuhio, and would not oppose him.—Hawaii Herald.

## MUSIC OF HAWAII TO BE FEATURE OF ENTERTAINMENT

The special feature of the musical entertainment to be presented at the Opera house next Wednesday evening will be "The Music of Hawaii." This shows the evolution of the music of these tropical islands and this number of the program will greatly interest tourists and a very large number of the kamaeians. The instruments that were used by the old-timers for the accompaniment of their songs will be played by people who performed for the enjoyment of kings and queens of former days. Men and women will show how the ululu, pal ipu and ukeke were played. The music and the manner of playing the instruments used in the pulli are delightful and fascinating.

"In the Woods of Hawaii" is another attractive feature of the entertainment as it depicts the customs of the young people of the early days. The sweet music and the dancing of the pretty girls will surely please. The music lovers of Honolulu will have an opportunity of hearing a mixed chorus of fifty voices and a male glee club of twenty-six. The young men have good voices and they have been trained by Chas. E. King. The glee club's offerings that evening will be enjoyable. These include the "Kamehameha Waltz" and "A Basket of Chestnuts," a very cleverly-arranged medley of the popular airs of the land.

Tickets are now on sale at the Promotion Committee rooms.

## THAT TERRIBLE BACKACHE

from which so many women suffer is significant of organic trouble. It tells, with other symptoms, such as headaches, nervousness, and depression, that nature requires assistance. For forty years Lydia E. Pinkham's Vegetable Compound, a simple remedy made from roots and herbs, has been the one effective remedy in such cases. It speedily removes the cause and restores the system to a healthy normal condition.—advertisement.

Don't stay home—make your calls. Never mind that headache. Ask for Shac—take one wafer at the chemist's—no headache—pleasant calls.—advertisement.
