### LIQUOR BILLS WILL BE PRESENTED NEXT SPRING

The following drafts of bills to be presented to the legislature next spring by the Anti-Saloon League were submitted and discussed at a meeting of the legislative conference this week. The bills are for the extension of temperance and to guard against abuses of the liquor laws.

**AN ACT RESTRICTING THE ISSUANCE OF LICENSES TO SELL INTOXICATING LIQUORS.**  
Be it enacted by the Legislature of Hawaii:

Section 1.—The board of license commissioners shall not issue any license to sell intoxicating liquors of the second class under section 9, act 119 of the session laws of 1907, in the city proper of Honolulu except within the district bounded by the westerly side of Beretania street, the northerly side of Alakea street, the easterly side of Queen street and the southerly side of Smith street and a line extending from the terminus of Smith street westerly to Queen street. This provision shall not apply to hotel and restaurant licenses.

Section 2.—This act shall take effect from and after its approval.

**AN ACT TO PREVENT THE USE OF SCREENS AND OTHER DEVICES IN BARS MAINTAINED BY HOLDERS OF LICENSES TO SELL INTOXICATING LIQUORS.**  
Be it enacted by the Legislature of Hawaii:

Section 1.—It shall be unlawful for any licensee under section 9, act 119 of the session laws of 1907, holding a retail license, or for his agent or employe to place outside or inside of his saloon premises or upon the glass of the windows or doors of the same,

anything that will obstruct the view of the bar maintained under his license. It shall be unlawful for such licensee to use any other glass in the windows or doors of his saloon except clear glass so that the bar maintained under such license may be plainly seen by persons outside.

Section 2.—Any person violating any of the provisions of section 1 of this act shall be guilty of a misdemeanor and shall be punished by a fine of not less than \$50 nor more than \$500.

Section 3.—This act shall take effect on and after July 1, 1915.

**AN ACT PROHIBITING THE USE OF LIQUORS IN RESTAURANTS, TEA HOUSES, HOTELS OR OTHER PLACES OF RESORT WHERE FOOD IS SOLD FOR PROFIT UNLESS THE PROPRIETOR OF SUCH PLACE HAS A LICENSE TO SELL INTOXICATING LIQUORS.**  
Be it enacted by the Legislature of the Territory of Hawaii:

Section 1.—In any restaurant, tea house, hotel or other place of public resort where food is served for profit, it shall be unlawful to bring or to allow to be brought, or had upon the premises by patrons or others, served or consumed upon the premises, any intoxicating liquors of any kind, provided, however, that this prohibition shall not apply to premises for which a liquor license is held.

Section 2.—Any person who shall violate any of the provisions of this ordinance shall be deemed guilty of a misdemeanor and upon conviction thereof shall be punished by fine of not less than \$5 nor more than \$250 or by imprisonment for a term not exceeding 90 days, or by both such fine and imprisonment.

Section 3.—This act shall take effect from and after its approval.

**AN ACT TO PROHIBIT TREATING IN LIQUOR SALOONS OR BARS.**  
Be it enacted by the Legislature of the Territory of Hawaii:

Section 1.—It shall be unlawful for the holder of a second class license under section 9, act 119 of the session laws of 1907, or for his employe to sell any intoxicating liquor at any bar maintained by such licensee under said section to be drunk on the premises by any person other than the purchaser.

Section 2.—Any person violating the provisions of section 1 of this act shall be guilty of a misdemeanor and shall be subject to a fine of not less than \$25 nor more than \$50, and for a second offense the license of such licensee shall be forfeited.

Section 3.—This act shall become law from and after its approval.

**AN ACT TO PROVIDE FOR THE EARLY CLOSING OF LIQUOR SALOONS ON SATURDAYS.**

### WOMEN OF ENGLAND AID IN HEADING OFF WORK OF THE GERMAN SPIES

[Associated Press]

LONDON, England.—Women's clubs in England have been enlisted in the movement to head off the activities of possible German spies and Austrian and German women have been asked to resign or discontinue their attendance at many clubs which formerly welcomed them.

A number of prominent literary women have urged that English women should be as cautious as English men about their associates and should shun all women of German or Austrian sympathies at a time when chance remarks might give valuable information to the enemy.

Reports from Belgium and Holland of the activities of women spies who served as governesses and servants in Belgium and Dutch families have also thrown suspicion on German and Austrian women in service in various parts of England. The Belgian refugees who are in England have issued general warning against German women as well as German men, and their tales of how Belgian cities were betrayed by German spies in all walks of life have alarmed the English.

Alarming tales have been printed in London papers of alleged German spies high in social and financial circles, and practically all of the leading men's clubs have asked men of German or Austrian birth to resign or refrain from frequenting the clubrooms during the war. Many supposed spies high in official life voluntarily left England before the movement against suspected persons became so acute. Charges were generally made that even Germans who had become naturalized had often done so only for business and social reasons and were at heart Germans as much as ever.

Be it enacted by the Legislature of Hawaii:

Section 1.—It shall be unlawful for any licensee holding a retail license under section 9 of act 119 of the session laws of 1907, or for his agent or employe to sell intoxicating liquors under such license between the hours of 6 o'clock p. m. on Saturdays and 6 o'clock a. m. on the following Mondays. This provision shall not apply to hotel and restaurant licenses.

Section 2.—Any licensee or his agent or employe who shall sell intoxicating liquors between the hours designated in section 1 of this act shall be guilty of a misdemeanor and be punished by a fine of not less than \$50 nor more than \$500 and upon a second conviction the license of such licensee shall be forfeited.

Section 3.—This act shall take effect on and after July 1, 1915.

### 'TEMPERANCE SALOONS' OPENED IN LONDON FOR SOLDIERS' WIVES

LONDON, England.—Realizing the need of recreation centers for women whose protectors have entered the army, American and English women are making an effort in London to provide wholesome amusement and temporary refreshments for women who might otherwise go to public houses to hear war news and discuss the progress of the armies of Europe.

Lady Henry Somerset and a number of associates have established a temporary public house exclusively for women and children, which is the first of a chain they expect to open throughout London, to offset the temptations of the ordinary public houses during the war.

A disused beer house on Arthur street has been converted into what is called the Women's War Club. Little change has been made in the bar except that only temperance drinks will be served.

In discussing the new movement, Lady Henry said: "The club is being formed for the wives of soldiers fighting abroad and the subscription is to be two-pence a month."

"It will be a meeting place where these women can talk over the war news, read the papers, write letters

and obtain light refreshments. We are providing a gramophone and in addition will arrange for some sort of concert almost every evening.

"Women will be permitted to bring their children with them and a matron will be provided whose duty it will be to assist mothers in looking after the little folks in a room especially arranged for their amusement."

Lady Jellicoe, wife of the head of the English navy, has established a temperance hall for women in Hammersmith Road, a section which has afforded many recruits and abounds in public houses.

Mrs. B. Lathrop, a prominent member of the American committee, has instituted a similar recreation center on Copenhagen street, Islington, in a square where there are five public houses which have the patronage of many women. Mrs. Lathrop will limit the service of her club to women and children whose living conditions have been changed as a result of the war and will make wholesome food at the lowest possible price the feature of the organization. One quart of nourishing soup and one-fourth loaf of bread are supplied to war widows for 2 cents.
