CHINESE GIVE IT BACK TO ARMY IN SECOND CONTEST

Turn Tables For Saturday's Defeat and Win By Score of 7 to 2

Corporal Ritcher's demands on China, the latter being exemplified in the Traveling Chinese, were flatly refused at Athletic Park yesterday and the All-Army nine went down to defeat, the results of the afternoon battle being: All-Chinese 7, All-Army 2.

An illustrated, the soldier boys not only donated their services, but the game as well. How the army players managed to win from the Chinese ball tossers on the previous day proved to be a mystery for the 500 matinee fans.

In the second, "Col." Dodson, the army's erstwhile second sacker, muffed up the ball and Kai Luke scampered to first base. Luke scored when Hoon Ki and Akana followed with singles.

In the eighth Yeh Bunn took first on another Dodson error and Kai Luke followed with another single. Both men scored when Hoon Ki hit a safety.

The soldiers started a near-rally in the third frame. Lawson singled and Hoadley followed with a home run into right field.

DONNA DEFEATS THEATRICALS IN SWIFT CONTEST

In one of the fastest games on an island diamond, "Col." Clymer's Donna team defeated the Honolulu theatricals in the Makiki League yesterday by a score of 2 to 1.

The contest was in the nature of a curtain-raiser at Athletic park, preliminary to the Army-Chinese game. Berger's band was on hand to bid the Chinese travelers a fond Aloha and his fast music made it almost necessary for the preliminary players to play fast, in order to keep time.

The game lasted one hour and seven minutes. The score: Donna, 2; Theatricals, 1.

INDOOR LEAGUE BASEBALL BOOMS WITH FAST PLAY

Saturday five games in all were played in the Indoor League. The Koreans dropped two to Kauluweia.

The first game between the Kauluweia Midgets and the Star-Bulletin Midgets was won by Kauluweia but it was a hollow victory as the Bulletin team was made up of a bunch of misfits for the reason that two of their best players are laid up sick and the substitutes that played in their place could neither field nor hit and as a result Kauluweia won 34 to 10.

The next game was between the Koreans and Kauluweia-Midgets and this also turned out to be a one-sided game, Kauluweia again winning 20 to 7.

The afternoon games were played on the Beretania playground and the first one between the Midgets resulted in a 18 to 11 score in favor of Beretania for no other reason than Ah Fer and Ah Fo gave a perfect exhibition of quiting and throwing their team down while in action.

BOWLERS SPEED UP FOR HOTTEST KIND OF FINISH

Y. M. C. A. Bowling Standings. Chamberlain's Colts 27 24 3 .898

Only two games separate the Cosmos and Coast Defense who will bowl this evening at 8 o'clock. The army men will struggle to get out of last place while the Cosmos who have been unlucky recently will try to show the class they displayed during the early part of the second round.

On Wednesday the match of the season will take place. The Honolulu victors in many a contest during the past four seasons, will roll the fast-traveling Colts. Capt. Chamberlain has got together an aggregation of bowlers who have hung on to first place by an eye-lash all through the season.

The Honolulu must take three games to go into first place, while two will leave them a single game behind in the race for premier honors.

SATURDAY GAME FAST BUT EASY WIN FOR ARMY

Good Crowd Helps Out Chinese Travelers' Fund In First of Benefit Contests

Several hundred Honolulu fans witnessed one of the fastest ball games staged on the Athletic park diamond since the departure of the mainland big leaguers, when Cpl. Ritcher's All-Army players conquered over the Traveling Chinese Saturday.

The travelers used Kau and Hoon Ki but to no avail. Peed, twirling for the soldiers, showed up in great form. His curves, drops and shoots could not be located by the travelers. In the second Dodson, for the soldiers, singled and scored when Dowsett tripled.

Dowsett was forced out when Dobsky got to first on fielder's choice. The latter scored when Peed tripled. In the fourth Dowsett made a home run and Huntley, Dobsky and Mangum singled for one more score.

COBB ONE LOYAL PLAYER

He Thinks, Too, That Other Players Are Seeing the Light. Ty Cobb is one of the many ball players who see no good for the players or the game in the Federal league since the outlaws have dragged the game into court.

Ty makes a strong statement in sizing up the present situation when he says: "I think baseball players are beginning to realize that subterfuge has no part in the successful promotion of the national pastime. The game has been injured greatly therefrom for the past season. And though it is still honest and always will remain so, the vacillating attitude of the many mercenary players has doubtless raised vague suspicions in the public mind in some quarters.

THE GREED OF SOME BALL PLAYERS IS GREAT

The prevailing greed of the players was well illustrated recently by the attitude of Pipp and High of Detroit and Bill James of the Boston Braves. Pipp and High refused to be transferred to New York unless Donovan would agree to increase their salaries.
