

Gossip

The terrible disaster to the schooner "F4" has made the entire territory and in consequence of this a number of social affairs scheduled for this week will be postponed or given up immediately upon receipt of the news that the ship had plunged to the bottom of the sea with her crew.

Both officers and men of the "F4" were well known and greatly liked in Honolulu. The accident cast a shadow of sorrow even over individuals and organizations whose the men were not known. In the deep sympathy and general distress for the men of the service, many prospective hosts and hostesses at once gave up their plans for entertainment.

The last few days has been further quiet socially speaking because of the wide observance of Holy Week. Much of Honolulu put on its sober garb and simultaneously put away temporal amusement.

Flower Show's Postponement a Disappointment.

The postponement of the flower show is a disappointment to many members of Honolulu's social set. The younger set especially, who were to have danced in a cotillion for the affair, are bewailing the fact that in this instance they will not be able to show their skill in the dance. Then, too, the exhibit of Hawaii's flowers would be most interesting to the visitors, who are not always enabled to see them all. Mrs. Charles Bromwell re-

Alameda Elite to Remain in Honolulu.

Prophecies which were circulated about the delightfully winsome Alma Robinson of Alameda, when she left on the transport Thomas for the Philippines some weeks ago, may not have been without foundation; as Alma has been kept busy by the attentions of a certain lieutenant in Honolulu, on whom she apparently has quite "a case." If reports are true, the bachelors will have something to say within the next month or two. Alma has been corresponding with her girl friends, and is keeping the curious buds on the qui vive to know whether or not she will have a ring when she returns. In each missive she tells of her affair, and the stories she narrates of her wooer are exciting and interesting. Alma has no thoughts of returning to her Alameda home for the present.—Oakland, Cal. Observer.

She is a member of the Delta Delta Delta Sorority and is now president of the alumnae of that Greek letter society.

Mr. Kirchoff is a graduate of the university with the class of 1908.
