### LOSING HOPE WOMAN VERY ILL

Finally Restored To Health  
By Lydia E. Pinkham's Vegetable Compound.

Bellevue, Ohio.—"I was in a terrible state before I took Lydia E. Pinkham's Vegetable Compound. My back ached until I thought it would break, I had pains all over me, nervous feelings and periodic troubles. I was very weak and run down and was losing hope of ever being well and strong. After taking Lydia E. Pinkham's Vegetable Compound I improved rapidly and today am a well woman. I cannot tell you how happy I feel and I cannot say too much for your Compound. Would not be without it in the house if it cost three times the amount."—Mrs. CHAS. CHAPMAN, R. F. D. No. 7, Bellevue, Ohio.

**Woman's Precious Gift.**

The one which she should most zealously guard, is her health, but it is the one most often neglected, until some ailment peculiar to her sex has fastened itself upon her. When so affected such women may rely upon Lydia E. Pinkham's Vegetable Compound, a remedy that has been wonderfully successful in restoring health to suffering women.

If you have the slightest doubt that Lydia E. Pinkham's Vegetable Compound will help you, write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass., for advice. Your letter will be opened, read and answered by a woman, and held in strict confidence.

### GOVERNMENTAL HEADS DISCUSS INSURANCE ACT

At an impromptu meeting of the heads of territorial government departments held in Territorial Treasurer C. J. McCarthy's office last night, the Workmen's Compensation Act, in so far as it affects the territorial government, was discussed, the question of whether or not the territory should take out accident insurance policies forming the principal theme of discussion.

The legislature in creating the act and providing that the territorial and county governments be held equally responsible for accidents to employees on the same basis as private employers, failed to make an appropriation to meet the territory's expense in coming under the act. It was suggested last night that insurance be taken out and that the premiums be paid from the office and incidental funds of the various departments or from the governor's incidental fund.

Colonel McCarthy was appointed a select committee of one to receive lists from the heads of the various departments showing the number of employees, their salaries and occupation and how much it would cost for insurance premiums.

### "MADE IN HONOLULU" LABEL FOR UKULELES

"Made in Honolulu, U. S. A." is to be the legend printed upon all ukuleles sent out from here to the mainland, if A. P. Taylor, acting secretary of the Promotion Committee, can have his way about it. Mr. Taylor will propose at the next meeting of the Promotion Committee the adoption of some such uniform label for Hawaiian instruments.

Mr. Taylor says that the ukulele craze that has lately sprung up in the states has brought out a host of instruments which are made there and which are decidedly inferior to the Hawaiian brand. It is said that local dealers would welcome a uniform label for their instruments.

### REPEAT SUCCESSFUL CONCERT AT KANEHOE

Members of the Knights of Kamehameha, an organization of the Y. M. C. A. intermediate department under the supervision of J. Brooks Brown, will give at Kaneohe tomorrow night, the concert that they recently gave so successfully in Honolulu. The trip to Kaneohe will be made by automobile, and the boys will spend the night there, returning on the following afternoon.

## THEATRICAL OFFERINGS

### 'INSIDE STUFF' IS SNAPPY ACT

**THE CAST:**  
Jim Hagen (a crook).....Broderick O'Farrell  
Peg O'Neil (Jim's pal).....Jame O'Roark  
Mr. Graham (Prosecuting Attorney).....Rupert Drum  
Detective-Sergeant.....Clarence Paul

The Jane O'Roark-Broderick O'Farrell Company presented a clever vaudeville "crook" sketch entitled "Inside Stuff" at the Bijou last night. "Inside Stuff" is an expose of the versatility of these artists. All are cast in entirely different roles from in "The Law," their previous offering. In "Inside Stuff" the "heavy work" is divid-

ed between Miss O'Roark and Mr. O'Farrell. Both are exceedingly clever and, excepting for the fact that occasionally a society rather than a "crook" pronunciation is given to a word, it would be difficult to pick flaws in the offering.

"Miss," the photo-play offering is adapted from a Bret Harte story and deals with the early mining days in Nevada and California.

The weekly news letter will be of particular interest to Honoluluans from the fact that it is largely given over to the wreck of the bark Hanaie off the Golden Gate. Incidentally it carries a section on the last Army-Navy football game.

### 'HEART INTEREST' AND WAR FILMS

A powerful drama embodying a theme which stirs the emotions, is offered to patrons of the Empire Theater today in "Hope Foster's Mother." It depicts the eternal triangle of love—mother, son and wife. All three are separated from one another for years, but the ending is happy. Jessie Stevens, an emotional actress, has a leading role. Miss Stevens is supported by Anders, Randolph, William Wadsworth, Edward Connors, Melvin Armstrong and Sylvia MacNeil.

A fantasy from the pen of Annie

Hamilton Donnell, "Twas the Night Before Christmas," is said to be a splendid offering. Ashley Miller has directed the production. It will make a telling appeal to children. Many of the scenes are laid in the land of "The Midnight Sun."

Franklin Harbinson will be welcomed to the Empire Theater today in the drama "He Made His Mark."

Much of the pictorial news to be shown on the screen will represent the struggles of the east and west fronts in Europe.

### NEW SERIAL AT LIBERTY IS HIT

In a clever stage offering several years ago, entitled "Baby Mine," dainty and entertaining Marguerite Clark scored a footlight triumph. Since that time, both in the animated and silent drama, this little actress has been steadily climbing the ladder of thespic fame, her topmost round being "Gretna Green," a photo-play now showing at the Liberty theater.

Daniel Frohman has made of "Gretna Green" one of the best of the Paramount picture offerings. It is a delightful evening's entertainment.

"The Adventures of Kathlyn," the new serial which will be the week-end offering at the Liberty, and which will appear in the Star-Bulletin each Thursday evening, features Kathlyn Williams and deals with scenes and incidents in India and Africa. This serial comes to Honolulu with a big reputation and the opening reels sustain everything that has been said about it.

### THREE STARS IN PLAY AT POPULAR

"When Fate Leads Trump," the feature offering this week at the Popular theater, drew a large audience last night. There will be the usual Saturday matinee tomorrow. The picture, which features an unusual plot and has splendid scenic effects, is acted by a cast that is headed by three stars of the silent stage, Octavia Handworth, Gordon De Maine and William A. Williams. They have the support of an excellent company.

The picture shows some of the most intensely gripping situations imaginable. The operations of the smugglers and the romantic career of the heroine, who becomes a bigamist after being stricken with aphasia, combine to make a plot of great interest.

**BORN.**  
GREIG—Born to Mr. and Mrs. W. T. Greig, at the Kapoli Maternity Home, on August 25, a son.

About 300 species of turtle and tortoises are known. Some of these attain a very large size.

### BUDDHIST LEADER IS ON HIS WAY TO JAPAN

One of Japan's foremost Buddhists, High Priest Nichibyo Asahi, is on board the Nippon Maru today, and will pass several hours in this city before the liner leaves tonight for Japan. The high priest has been attending the sessions of the International Congress of Buddhists at the Panama-Pacific International Exposition, San Francisco, as a delegate from Japan.

### WHAT CAUSES COLDS?

This question and "How to Prevent Colds" is asked a thousand times every day. A cold is really a fever, not always caused by the weather but due to a disordered condition of the blood or lack of important food-elements. In changing seasons fat-foods are essential because they distribute heat by enriching the blood and so render the body better able to withstand the varying elements.

This is the underlying reason why the medicinal fats in Scott's Emulsion quickly overcome colds and build strength to prevent more serious sickness. It contains nature's medicinal fats, so skillfully prepared that the blood profits from every drop, and it is free from harmful drugs or alcohol.

### Japan's Melba Bound Back to Native Land

Nobuko Hara, the sweet singer from Japan, who gave a concert in Honolulu earlier in the summer.

"The Melba of Japan," Miss Nobuko Hara, is on board the liner Nippon Maru, due here this afternoon, en route to Japan after passing several months at the San Francisco exposition, where she sang in exercises and programs at the Japanese exhibit.

Miss Hara is the leading prima donna of the Imperial Theater of Tokio, and was a visitor in Honolulu earlier in the summer on her way to the exposition. The noted Japanese singer will not stay in this city for a visit, but will go out tonight on the liner.

While here before Miss Hara gave a concert before going to San Francisco, and her friends, both among Honolulu Japanese and American music lovers as well, are many. It is probable that a reception committee of prominent Japanese will meet Miss Hara when the boat docks, to convey to her their respects on behalf of Honolulu's Japanese residents.

President Poincaré formally awarded the French war cross to King Albert of Belgium.
