RALLY OF HOLY NAME SOCIETY BIG SUCCESS

Moanalua Gardens Scene of Picnic Where Many Sports Keep Visitors Engaged

Members of the Holy Name Society of the Catholic Cathedral and of the Young Men's Institute, nearly 200 in all, gathered yesterday in the first annual rally of the former society, at Moanalua gardens, and engaged in baseball, track and other contests.

Immediately after a special mass for which the crowd gathered at the cathedral in the morning, the members went to the polo grounds, arriving there about 11 o'clock. The picnic lasted until 4:30 in the afternoon, and those who attended report an excellent time.

In the principal event of the day, a ball game between the members of the Holy Name team and the Young Men's Institute, the former team won, 3 to 2. Prizes when distributed proved the cause of much hilarity, as instead of the real articles advertised, they turned out to be merely toy motorcycles, toy fuses and toy horses and wagons. To Brother Louis of St. Louis college is due much of the credit of making the day a success.

With its object the promotion of reverence for God and the suppression of profane and indecent language, the Holy Name society has reached a membership of 600 from the young men of the city. Its ranks are open to all denominations, although the Catholic members receive the communion on the first Sunday of each month.

BRONCHIAL COUGHS

When the bronchial tubes are affected with that weakening, tickling cough, they need immediate and sensible treatment. The breath seems shorter because of mucous obstructions; usually fever is present and your head jars with every cough. Your chest aches and the inflammation often spreads to the lungs.

The food- tonic that has proven its worth for forty years—is Scott's Emulsion. It drives out the cold, which is the root of the trouble, and checks the cough by aiding the healing process of the enfleebed membranes.

If you are troubled with bronchitis or know an afflicted friend, always remember that Scott's Emulsion builds strength while relieving the trouble.

HEEN IS HONOR GUEST AT BIG HILO DINNER

(Special Star-Bulletin Correspondence)

HILO, Oct. 8.—Here's luck to Bill Heen, seemed to be the popular toast at the big dinner that was given in honor of the retiring deputy county attorney last night at the Hilo hotel. It was a fine gathering of people and everyone who was present took the opportunity of remarking how sorry they were to lose Mr. Heen. However, everybody realized that in moving to a larger city and by being more closely in touch with the administration, Mr. Heen was climbing the ladder that reaches to still higher success.

The dinner was given by the admirers of Mr. Heen and it was a representative gathering. The tables were laid out in such a manner that everyone could hear what was said by the different speakers and nearly everyone had at least a few words to say.

Speeches of appreciation of the work done by Deputy Heen were made by many speakers. The tone of all the talks was the same—a true conception of the worth of the retiring county official and an ardent hope that he makes the greatest of success in his new position in Honolulu, where Heen's title, after November 1, will be second deputy attorney general of the territory of Hawaii.

Y. W. C. A. GIRLS RECEIVE MESSAGES FROM KAUAI

With L. W. Branch, electrician of the wireless department of the Mutual Telephone Company, and three operators of the local plant acting as guides, the first outing of the Y. W. C. A. girls made a trip to Wahiawa last Saturday and studied the operation of wireless at first hand. Despite the rain they found the trip most enjoyable and each of the 14 girls received a message from Kauai. Later the baseball and war news came by wire from Honolulu and was sent by wireless to the other islands. Next Saturday the trip will be to the aquarium, and will include a beach supper at the Outrigger Club.

GAME OF POOL ENDS IN DEEP GASH ON CRANIUM

After engaging in a game of pool in a Maunakea street pool parlor at 7 o'clock Saturday night, J. Friedenberg, a Hawaiian, got into an argument with one of the Japanese attendants at the place and in the midst of the talk the Jap seized a club and laid out the Hawaiian. The latter walked to the police station and Dr. Ayer dressed a wound in his scalp.

CROSS, FEVERISH CHILD IS BILIOUS OR CONSTIPATED

Look, Mother! If Tongue is Coated Give "California Syrup of Figs"

Every mother realizes, after giving her children "California Syrup of Figs," that this is their ideal laxative, because they love its pleasant taste and it thoroughly cleanses the tender little stomach, liver and bowels without griping.

When cross, irritable, feverish or breath is bad, stomach sour, look at the tongue, mother! If coated, give a teaspoonful of this harmless "fruit laxative," and in a few hours all the foul, constipated waste, sour bile and undigested food passes out of the bowels, and you have a well, playful child again. When its little system is full of cold, throat sore, has stomach-ache, diarrhoea, indigestion, colic—remember a good "inside cleansing" should always be the first treatment given.

Millions of mothers keep "California Syrup of Figs" handy; they know a teaspoonful today saves a sick child tomorrow. Ask your druggist for a 50-cent bottle of "California Syrup of Figs," which has directions for babies, children of all ages and grown-ups printed on the bottle. Beware of counterfeits sold here, so don't be fooled Get the genuine, made by "California Fig Syrup Company."—Adv.

ARREST PEOPLE SUSPECTED OF AIDING SLAYER

(Special Star-Bulletin Correspondence)

HILO, October 8.—Sheriff Pua is working hard on the Mollers case and he has certain information that points to the fact that the much wanted murderer is now on this side of the island. Several persons have been arrested as accomplices after the fact in regard to the murder, and it is thought now that these people are in custody the murderer will be forced to try and get food and information from other quarters.

Five children are being taken care of under the juvenile law and they are the offspring of the men and women who are suspected of having assisted Mollers in getting from Kau to the Hilo district. The children tell a straight story and they are being held in safe custody in order that they may suffer no harm.

That the wanted man will soon be under arrest there is not much doubt, but there may be a fight before he is caught. There are certain facts which, in the interest of justice, cannot be divulged at present that point to an early capture.

MANY OLD FRIENDS AT CONTRACTOR'S FUNERAL

Beautiful floral pieces covered the urn containing the ashes of the late Arthur Harrison, contractor and builder of Honolulu and San Francisco, whose ashes were interred yesterday afternoon in the Nuuanu cemetery. The funeral services were held in the Masonic Temple, the Masonic ritual being observed.

Many old friends who knew Mr. Harrison when he lived here years ago were present at the services. A quartet consisting of A. F. Wall, Prof. L. G. French, Mrs. D. Howard Hitchcock and Mrs. Mackall sang beautifully "Lead Kindly Light" and "Abide With Me." The relatives attending were Frederick Harrison, brother, and family; Mr. and Mrs. Fred L. Waldron, Capt. Fred Haglund and wife, Mrs. A. Rasmann, Mrs. Mary Brown, James Nott, Sr., Thomas Nott, Capt. and Mrs. Will Bennett and Mrs. Frank Barrere.

The 1916 Republican convention will go to the city making the highest bid. Republican leaders say it will cost the selected city about \$500,000.

Fire destroyed a hotel and several houses at Chateaugay, N. Y. The loss is \$50,000.

MINISTER SAYS PICTURE BRIDE SYSTEM IS GOOD

Rev. D. Ebina Declares it Works Out Well, and Heightens Morality of Japanese

That the "picture-bride" system used by California and Hawaiian Japanese to obtain wives is based on sound eugenic principles, and has resulted most satisfactorily, is the belief of Rev. Danjo Ebina, moderator of the Congregational church in Japan, who is a through passenger on the Chiyo Maru, returning from two months passed in a campaign of religious and social education among California's Japanese.

"We cannot do better than the picture bride system in Japan," said Rev. Ebina while in Honolulu on Friday. "The plan has resulted in a much greater number of Japanese women going to California to marry Japanese. The morality of California's Japanese has been heightened in this way."

"The picture is the last thing considered in the selection of a bride. The young Japanese writes his parents to select a girl for him. They do this with great care, choosing a woman who is best adapted to their own requirements. In most cases the girl is selected from the prospective bridegroom's native village, so that his parents know all about her and can tell whether she will probably make a good wife. Her physique, disposition, health, accomplishments and various traits are carefully considered.

"After all this is done her picture is sent to the prospective bridegroom. The picture, however, is the last thing on the program. This system has worked out very satisfactorily. No better one has been devised to date."

Rev. Mr. Ebina denied the statement attributed to him by California papers that in one of his lectures on the mainland he had said "Japanese in Hawaii will thrive because they are oppressed." He declared he had said nothing of the kind, nor anything which could be construed into such a statement.

While in California Rev. Ebina addressed nearly 50 meetings for Japanese, and 14 for Americans. He said the condition of California Japanese has improved wonderfully since his last visit there seven years ago. He said the number of Japanese in California is decreasing because of the anti-alien law and the Japanese government's restrictions on immigration.

Rev. Ebina and Rev. William I. Chamberlain, one of his fellow passengers on the Chiyo, were guests at a

meeting of the Hawaiian Board of Missions. Rev. William Bancroft Hill, professor of the Bible at Vassar College, also was present.

Rev. Mr. Ebina, who is moderator of the Congregational church in Japan, has been visiting on the mainland since last July. During his brief stay in Honolulu while on his way to the coast, he delivered an address in Kawailoa church. Mr. Chamberlain is a missionary to Japan.
