Mrs. Frederick J. Lowrey, Mrs. Lorin Thurston, Mrs. Walter F. Frear, Mrs. Arthur G. Smith and Mrs. Isaac M. Cox gave brief talks on the work which the circle has done and of the plans the members have made to make Honolulu an ideal city.

Mrs. Thurston spoke largely upon the garden fete which the circle is to give on Saturday afternoon at the home of Mr. and Mrs. Charles H. Albritton on King street. It is to be a children's fete although there will be numerous attractions there to interest the grown ups.

As plans have been made it is to be an "animated afternoon," for the participants in the fete will be the prettiest of Honolulu's kiddies. There will be real live cabbages running around the lawns and bunnies and elephants will have their share in the fun.

There is to be an amusement zone which will probably be one of the most popular of the attractions. There will be fun in this section for the children as well as their parents and while it will not in any way resemble the joy zone at the exposition, many of its attractions will be quite as interesting.

There are to be numerous booths at the fete, some of them containing dainty eatables and others Christmas novelties, which at this season will be very welcome. Just at this period everyone is more or less interested in the customs of the Japanese, for this week the emperor has declared himself ruler of the Japanese people. And one of the prettiest features of the garden fete will be the ceremonial tea at which a number of Japanese ladies will preside.

Reception for Punahou Seniors.

The members of the class of 1916 were entertained informally at Castle Hall on Friday evening by the members of the faculty of Punahou and the board of trustees. The affair was informal and one of the jolliest occasions of the school year. The evening opened with a number from the male quartet, consisting of Roland Gay, Gordon Brown, Joe Melnick and Donald Brown, which was very well received. Mr. Frank Elbert Midkiff, the mathematics and English professor and football coach, entertained the guests with a few recitations in dainty dialect, after which Edwin Ideker, the music master, rendered a few pleasing selections. Refreshments were served during which the seniors and professors made the best of the opportunity to get acquainted. In the receiving line were Mrs. Taylor, the matron; Miss Margaret Austin and Miss Myrtle Taylor. Among those present were the board of trustees, the faculty, including President and Mrs. A. F. Griffiths, Mr. and Mrs. C. Schmitzler, Miss Antoinette Foster, Miss Downer, Judge and Mrs. Sanford B. Dole, Mr. and Mrs. Livingston, Mr. Chase, Miss Dorothy Walker, Miss Gladys Halstead, Miss Gladys Trout, Miss Catherine Johnson, Miss Ruth Seybold, Miss Louise Lightfoot, Miss Nuong Lau, Miss Kate Sinslehurst, Miss Florence White, Miss Mid Hawk, David Withington, George Bromley, George Lindley, Ernest Mott Smith, John Gifford, Lorrin Thurston, Kenneth Emory and others.

Miss Marguerite Brack, Society Girl and Sportswoman, Again in San Francisco.

Miss Marguerite Brack of San Francisco, champion girl swimmer of the Pacific coast, is among us, to remain throughout the winter, and will take part in all important water carnivals for women. More than usual interest attaches to the Californian's appearance in the local pools, because she is credited with remarkably fast times for the middle distances, and California experts look upon her as the speediest of America's fair swimmers at 440 yards. As metropolitan critics believe that Miss Claire Gilligan of the National Women's Life Saving League can defeat any mermaid in the country at the distance, there is a promise

of a stirring competition and a record-breaking performance when the two try conclusions over the classic course.—San Francisco Chronicle, Oct. 31.

Wolf-Bryant Wedding Event.
LIHUE, Nov. 9.—The wedding of Miss Helen Bryant of Makaweli and William Wolf, superintendent of the Lawai cannery, took place at the residence of the bride's parents, Pakala, at 6 o'clock Saturday evening, quite a large number of people from that part of the island between Lihue and Hana being present.

The ceremony was performed under a huge bell in the parlor, Rev. C. D. Milliken officiating. Miss Schimmelfennig was the bridesmaid and County Supervisor W. D. McBryde best man. A wedding supper was served under a specially constructed lanai, after which dancing was enjoyed under a lanai on the front lawn until a late hour.

Mr. and Mrs. Wolf will make their future home at Lawai.

Rankins Have an Enjoyable Dance.
LIHUE, Nov. 9.—A very enjoyable dance was given by Mr. and Mrs. Rankin at their home at Makaweli Wednesday evening. In spite of rather inclement weather the majority of guests invited responded.

Pretty and effective decorations were noticeable, with bougainvillea the predominant color. Among those present were Misses Ella and Etta Lee, Esther Hofgaard, Marie Anderson, Florence Johnson, Irene Thompson, B. Martin and Mrs. Rankin; Messrs. Deverill, Cooper, Dunn, Horner, Vincent, "Bill" Coney, Aaser, L'Orange and Guy Rankin.

Consul-General Yasutaro Numano of San Francisco Entertaining.

Consul-General Yasutaro Numano and Mrs. Numano have issued invitations for an elaborate reception and dinner on November 10. It will celebrate the approaching coronation ceremonies of the Emperor and Empress of Japan. Haruki Yamawaki, the Japanese commissioner general, will entertain on the evening of November 12, at an elaborate dinner, to which many of the officials and visiting notables of the exposition have been invited.—Examiner.

Capt. and Mrs. Carpenter Entertain in San Francisco.

A congenial party that visited the exposition last Sunday was composed of Capt. and Mrs. Edward Carpenter and Maj. and Mrs. Frank Cheatham. They had tea at the Pagoda Club. Maj. and Mrs. Cheatham have taken an attractive house at Fort Mason, having arrived a week ago from Honolulu.—San Francisco Chronicle, Oct. 31.

Outdoor Circle Fete to Be Huge Success.

The Outdoor Circle fete, to be held on Saturday at the beautiful and spacious Atherton place on King street, is expected to be one of the most successful affairs of the kind ever held in Honolulu. True, every entertainment which has been given by this group of ladies has been well worth while, but from all reports this will be the banner one. Under the leadership of Mrs. Arthur Wall about 180 children have been secured for the pageant.

Saturday evening will be marked by a novel dinner-dance at the Commercial Club. Dinner will be served at 7 o'clock, and there will be dancing between the courses by the diners, as well as special exhibition dances by Mme. Lester and Gordon Campbell, professional dancers here from the mainland. They will show the canter waits and other new steps. The house committee of the Commercial Club has arranged for better ventilation of the dining-room and ballroom, a lack of sufficient fresh air having been the only drawback to the last dinner-dance at the club.

Mr. and Mrs. Gerrit P. Wilder returned in the Matsonia this morning after an absence of several months. Mr. and Mrs. Wilder have toured California, visiting both fairs. A host of friends were at the wharf as the Matsonia pulled in to bid them welcome.

Among the arrivals here this week was James Wilder, who came a few

of a stirring competition and a record-breaking performance when the two try conclusions over the classic course.—San Francisco Chronicle, Oct. 31.

Mr. and Mrs. George Sherman were among the returning passengers in the Matsonia this morning. Mr. Sherman left some months ago for the East on business, and shortly after Mrs. Sherman joined him at the exposition in San Francisco.

Mr. and Mrs. James Wilder, who have been for some time in the East were welcomed on their return this morning in the Matsonia.

CENTRAL UNION INCREASES ITS MANY ACTIVITIES

Central Union's activities are increasing as the "Autumn" comes on. Tuesday saw its members gathered in numbers to discuss many and weighty things; tomorrow will disclose its women assembled in the parish house for a social afternoon and many will be the topics touched upon in conversation. But the note of the afternoon is to be one of friendly acquaintance and companionship in which the members of the Women's Society invite all interested women to participate. Mrs. A. F. Griffiths has arranged a program which will include songs from Miss Cadwell and selected readings from Miss Hastings, both of the Punahou faculty. Mrs. Edwin Banner will be the hostess for the afternoon. A cordial invitation is extended to all women of the city who feel an interest in the Women's Society, whether or not they are members of the church. The hour is 3:30 o'clock.

MATSONIA NIGHT AT HEINE'S TAVERN

There will be a dinner dance at Heine's Tavern tonight in honor of the arriving passengers and officers of the Matsonia. Music by a Hawaiian quintet.

Officers and ladies of the army and navy and local society folk are cordially invited.—Adv.

GIFT BOOKS TO KINGDOM ARE LOCATED IN ATTIC

Having lain for many years unnoticed in the attic of the Capitol, a complete set of Audubon's "Birds of America" has been recently rescued by Archivist Robert Lydecker, superintendent of the public archives and presented by him to the Library of Hawaii. Several other ancient books, some useless and some of considerable worth, have been discovered by Mr. Lydecker. The books were purchased by Congress as a gift to the Kingdom of Hawaii at the time Kalakaua was ruler of the islands.

FACULTY MUSICAL AT PUNAHOU NOVEMBER 20

The second in the series of "faculty musicals" at Punahou will be held in Charles R. Bishop hall on Saturday evening, November 20. Miss Cadwell, Miss Sutherland and Miss Hastings will take part, and a varied program of romantic composers promises to be of much interest to music lovers. This will be the first opportunity Honolulu has had to hear Miss Hastings read. The public is cordially invited.

John Franks, aged 60, ticket agent at the Pennsylvania railroad station at Bridgeville, Pa., was shot and killed by two burglars who escaped with the contents of the cash box.
