THOUSANDS FLOCK TO HOUSES OF WORSHIP ON THANKSGIVING DAY

Special Praise Meetings Are Feature; Excursions and Picnics Also Popular

Church services, special praise meetings, excursions and private entertainments combined yesterday in making Thanksgiving Day in Honolulu a right joyous and merry occasion. The weather was perfect and thousands of people were out to attend the meetings in the favorite houses of worship. Business in Honolulu was closed, and the occasion was made a real holiday for everyone.

Perhaps the most brilliant observation of the day was at the Christian church, where the congregations of that church and the Methodist and Central Union churches gathered for a special service. Dr. Doremus Scudder, Dr. William Henry Fry, David Cary Peters and Rev. L. L. Loofbourow were in charge, the last-named minister delivering the sermon. Music was furnished by a choir composed of singers from the three churches.

Minister Loofbourow's address was entitled "The Seven Sleepers of America," the text being taken from Isaiah 38:21, "Thine ears shall hear a word behind thee, saying this is the way, walk thee in it." Distinguishing the seven sleepers, the minister said: "As the seven sleepers of America we might pick out John Harvard and Governor Winthrop of Massachusetts Bay, Roger Williams of Rhode Island, Jonathan Edwards of Connecticut, William Penn of Pennsylvania, Lord Delaware of Virginia, and General Oglethorpe of Georgia. These worthies might constitute a visiting committee from the founders of the United States! Their task would be so vast that we would certainly pardon them for dividing up the work and asking Harvard to report as a sub-committee on our educational system; Delaware and Winthrop on law enforcement; Penn on international relations and arbitration; Oglethorpe on temperance and reforms; and Williams and Edwards on religion and state of the church."

court, read the president's Thanksgiving proclamation. Two Proclamations Read. There was a large attendance at the Kaunakapili church in the morning, at which time special Thanksgiving services were held. Members of the Young Peoples' League, Kaunakapili and Kawaiahao churches were present. Addresses were made by Rev. H. H. Parker and E. K. Lilikalani, and the Thanksgiving proclamations of the president and Governor Pinkham were read.

Special programs were held at all the forts in Honolulu and vicinity. Unusually tempting Thanksgiving dinners were furnished the enlisted men by the army this year. For the first time in the history of the English-speaking Japanese in Hawaii, Thanksgiving was observed yesterday by a group of local Nipponese. The dinner was in the parish house of Central Union church, and was attended by nearly 50 members of the Japanese Y. M. C. A. L. R. Killam, head of the Oriental work of the Central Y. M. C. A., presided. Members of the Y. W. C. A. assisted in serving the dinner. Those who assisted in the entertainment following the dinner were Miss Annetta Dieckman, Miss Evelyn McDougal, Dr. Doremus Scudder, Dr. William Henry Fry and Miss Yoshi Tsuji.

Many Honoluluans entertained friends with dinner at the various cafes, hotels and taverns about the city. At the Coral Gardens, Kaneohe, Host A. L. MacKaye served a tempting Thanksgiving dinner to a large number of guests. Thanksgiving Day was a gala occasion at Oahu Prison. A huge Thanksgiving dinner—with puaa taking the place of turkey—was served at the instance of High Sheriff Jarrett. In the evening an entertainment was held. Governor Pinkham was among the guests during the day. A sport program was carried out in the morning.

Special mass was held at the Catholic Cathedral early yesterday morning, which was well attended.

DAINTY CHRISTMAS CARD. A very dainty Christmas greeting card has been arranged by Miss J. M. Soper, 1402 Lanialilo street. The card, which has one fold, on the cover bears a tastefully-printed design showing the Hawaiian islands with "Christmas Aloha" in gold lettering. On the inside is the following verse by Miss Soper: "From our beautiful Paradise Isles, That lie in the sapphire sea, Flows a message of love and good will To such dear old friends as thee."

Star-Bulletin's Newsies Demolish Battalions Of Turkeys During Feast

Star-Bulletin newsboys gathered in front of newspaper office yesterday morning before their start on "Turkey Day" excursion and feast.

Joy in large quantities fairly cluttered the landscape at the Peninsula yesterday, when 240 hungry boys, with appetites carefully whetted by baseball and swimming, attacked a Thanksgiving dinner and reduced mountains of food to nothingness. The occasion was the annual newsboys' Thanksgiving dinner, given by the Star-Bulletin to its news and carrier boys. The youngsters, making so much good-natured noise, that people a quarter of a mile away from their three-car special heard them yell and blow their horns, left from the Oahu railway station at 9 o'clock yesterday morning.

On arriving, the morning was devoted to football and surf bathing. Promptly at noon the Palace of Sweets' catering force had everything ready, and the way the boys demolished battalions of turkey, barrels of cranberry sauce, tubs of dressing, bundles of celery, a regiment of pumpkin pies and other eatables, none of which were neglected, was a marvelous sight to witness.

In the afternoon, baseball, bathing, races and games made the youngsters happy. They arrived home again by 4 in the afternoon. bery of his company added song and patter to the entertainment which was highly appreciated. Dancing in the Odd Fellows' hall lasted until a late hour, following which a buffet lunch was served in the Elks club rooms, enlivened by a program of stunts. Promptly at 11 o'clock, the little daughter of Exalted Ruler C. J. McCarthy released the covering over a handsome clock which has been installed in the clubrooms, and a purple star gleamed out from the face of the timepiece as it struck the first deep tone of the hour. This was followed by chimes which played "Auld Lang Syne." Appropriate remarks were made by Past Exalted Ruler Lorrin Andrews as he presented the clock to the lodge. The gift was accepted by Exalted Ruler McCarthy. The unveiling closed with the Elks' toast sung by George Dyson, and a recitation of the toast by G. W. R. King.

One of the largest, most successful and best attended entertainments ever undertaken by a fraternal organization in Honolulu was that given by the Elks Wednesday night in their clubrooms and in the Odd Fellows' hall. Aside from the stunts which had been prepared by the antlered herd, Raymond Teal and several mem-

JUDGE WHITNEY WILL APPOINT AONA AND HITE

Local Men Will Be Made Circuit Court Clerks Despite Objection of Third Jurist

Although the action is opposed by Judge T. B. Stuart, who declined to concur in the opinion of Judges W. L. Whitney and C. W. Ashford, A. Kaledi Aona and C. M. Hite will take office on December 1 as first and second clerks, respectively, in Judge Whitney's court. Aona and Hite were nominated by Judge Whitney on Wednesday, the rule being that the actual appointment be made by the three circuit court judges. According to Judge Whitney the nominations were immediately confirmed by Judge Ashford. Judge Stuart, however, declined to confirm them for reasons which were not made public today.

The appointment of Aona will be in the nature of a promotion, he being second clerk to Judge Whitney for six years prior to the resignation of John Marcellino as first clerk. Aona was a clerk in the supreme court before Judge Whitney appointed him. Hite, who is from the South, is now with the law firm of Thompson, Milverton & Cathcart. He recently was admitted to practise law in the circuit courts of the territory.

FATHER ULRICH MADE APOLOGY FOR RUNNING INTO SILVA'S WAGON

CROSS, FEVERISH CHILD IS BILIOUS OR CONSTIPATED

Look, Mother! If Tongue is Coated Give "California Syrup of Figs"

Every mother realizes, after giving her children "California Syrup of Figs," that this is their ideal laxative, because they love its pleasant taste and it thoroughly cleanses the tender little stomach, liver and bowels without griping. When cross, irritable, feverish or breath is bad, stomach sour, look at the tongue, mother! If coated, give a teaspoonful of this harmless "fruit laxative," and in a few hours all the foul, constipated waste, sour bile and undigested food passes out of the bowels, and you have a well, playful child again. When its little system is full of cold, throat sore, has stomach-ache, diarrhoea, indigestion, colic—remember a good "inside cleansing" should always be the first treatment given. Millions of mothers love "California Syrup of Figs" handy; they know a teaspoonful today saves a sick child tomorrow. Ask your druggist for a 50-cent bottle of "California Syrup of Figs," which has directions for babies, children of all ages and grown-ups printed on the bottle. Beware of counterfeiters sold here, so don't be fooled. Get the genuine, made by "California Fig Syrup Company."—Adv.

Father Ulrich whether he was "joy-riding" or "celebrating any particular occasion" the night he collided with Silva's rig. Father Ulrich drove his auto into the rear of Silva's wagon, on King street, knocking the driver from the seat and injuring the horse. He said it was raining and Silva had but one light on the rear of his vehicle, and he did not see it in time to avoid an accident.
