

# ARMY AND NAVY DOCTORS HAVE OWN SOCIETY

### Complete Organization With 26 Members; Address By Col. R. G. Ebert

In an address before the United Service Medical Society at a meeting Saturday afternoon in the Bungalow, Col. Rudolph G. Ebert defined the purposes of the society in a brief address. Col. Ebert emphasized that the society was not formed to oppose in any way the local medical society or to achieve any political object, but was purely for mutual aid and encouragement, and for cooperative study and discussion of subjects of special interest to medical men in the army, navy and public health service.

Summing up the reasons for the formation of the society, Col. Ebert said: "With military, naval and sanitary problems peculiar to Oahu before us why should we not untidely study them? Are not the National Guardsmen at one with us in this? Should the emergency ever arise all would be called to serve and how better can we inform ourselves of the needs of our own and sister services, exchange ideas and form plans than in a society as this where all are for America first, last, and all the time. We all have taken the oath to support and defend the Constitution and can discuss among ourselves matters that might be out of place in the ordinary association of physicians unless it would be with such reserve as would breed suspicion and lead imaginative minds to fill in details never intended."

Twenty-six physicians attended the meeting and 12 new members were admitted.

One of the papers of great interest was that of Surgeon William Seaman, U. S. N., in charge of the naval hospital, on the method of identification used for the remains of victims found in the F-4. Maj. B. F. Edger read a paper on "The Focillaries of Appendicitis as Found at Schofield Barracks." For Maj. Glendon McD. Van Poole, Capt. Harry R. McKellar read a paper on the recent infection with two deaths by the His-Russel, or Y bacillus, supplemental reports on the subject being presented by Maj. Matthew A. De Laney, department hospital, and Capt. Frederick H. Foucar, department hospital.

# Schofield Notes

(Special Star-Bulletin Correspondence)  
SCHOFIELD BARRACKS, Dec. 6.—After missing several transports on account of the congestion in military transportation from the Philippines, 205 enlisted men from Schofield Barracks left the big post at 8 o'clock this morning to board the transport Sheridan which sails for the mainland at 1 o'clock today. 2nd Lieut. Howell M. Estes, 4th Cavalry, was in charge of the detachment. 2nd Lieut. John H. Smith, 1st Infantry, was ordered to accompany the detachment to Honolulu to witness the payment of the men transferred to other stations.

Of this detachment of 205 men, 104 are to be furloughed and transferred to the army reserve; 5 from the Q. M. Corps, 17 from the 4th Cavalry, 15 from the 1st Field Artillery, 27 from the 1st Infantry and 37 from the 25th Infantry.

Only six men are returning for discharge, though 44 from the 25th Infantry having completed three years' service in this department are to be discharged for the convenience of the government instead of being transferred to another station on the mainland. This is probably because the 24th Infantry, the only other colored regiment of infantry, has its full quota of men.

Fifty-one men are being transferred to other regiments on the mainland, nearly all of which are stationed on the Mexican border. Of these 9 are from the 4th Cavalry, 24 from the 1st Field Artillery, 13 from the 1st Infantry, 4 from the Q. M. Corps, and 1 from the Hospital Corps.

Leaving the 1st Infantry on the Sheridan today are Lieut.-col. Julius A. Penn, recently promoted, who goes to the 3rd Infantry at Madison Barracks, N. Y., and Capt. Campbell King who goes to Fort Leavenworth as instructor at the School of the Line Capt. King will be accompanied by his wife and two children.

Passengers from the 25th Infantry are Capt. and Mrs. George Steunenberg and Lieut. and Mrs. C. I. Crockett and two children. From the 1st Field Artillery will be Mrs. W. H. Dodds and child and Mrs. George S. Gay and child.

Mrs. Alfred Spear, mother of Capt. John J. Boniface, 4th Cavalry, is also leaving on the Sheridan.

Trumpeter Andrew Burger of Troop D, leaving on the Sheridan, has always been one of the favorites in the boxing ring. His bout with Martin at the outdoor smoker held on Thanksgiving Day was the most popular contest next to the main event. The field artillery are losing their best football player and fastest sprinter in Pvt. Frank G. Palmer of Battery D.

# REGIMENTAL BAND WAS AT FUNERAL OF SERGEANT R. W. DOWD

Funeral services for the late 1st Sgt. Ralph W. Dowd, 153d Company, Coast Artillery Corps, Fort Kamehameha, H. T., were held at the armory at 9 o'clock this morning. Six first sergeants of the Coast Artillery, comrades of the late Sgt. Dowd, acted as pall bearers. Through the courtesy of the commanding officer, 2d Infantry, the 2d Infantry band attended the services.

Sgt. Dowd was a member of Decker Camp No. 20, United Spanish War Veterans of Rose Bank, N. Y. Members of Theodore Roosevelt Camp No. 1, and Francis W. Mansfield Camp No. 2, of the local United Spanish War Veterans attended the services.

# LIEUT.-COL. PENN GOES TO MADISON BARRACKS

Among the officers who sailed today on the Sheridan for the mainland was Lieut.-col. Julius A. Penn, who has been transferred from the 1st Infantry, Schofield Barracks, to Madison Barracks, New York.

Col. Penn is familiar to all who have seen the Bonine moving pictures of army life, as he appears as major of the 2d Battalion, 1st Infantry, in the one which shows making and breaking a field camp with shelter halves. Col. Penn's men were among the fastest in the army at this work.

# OUTRIGGER DUES AND INITIATION FEE INCREASED

All the proposed changes in the organization's bylaws went through without opposition Saturday afternoon at the Outrigger Canoe Club's special meeting of members called to vote on the changes.

This means an increase of the initiation fee from \$5 to \$10 after January 1, and a boost in the annual dues from \$6 to \$10. The dues for visitors and guests will go up from \$1 to \$2 a month.

President G. H. Tuttle of the club said this morning that the new scale of initiation fees and dues will bring in enough money to enable the erection of another locker room. The club now has 534 members, but its locker space is only designed to care for 584 men and boys.

Improvement of the club's kitchen will be started soon, and the space covered over with a roof. The new locker building will be completed before the spring and summer rush begins. Secretary J. Ashman Beaver said today that 30 new members have been admitted in the last four or five weeks.

# SEVENTY MEN OF 10TH LEAVE FOR BIG ISLAND

# MID-PACIFIC'S CHRISTMAS ISSUE IN BRIGHT COLOR

### Sixteen Gorgeous Pages Give Characteristic Views of Island Scenes

Christmas is coming and the Christmas issue of the Mid-Pacific Magazine is here. Tomorrow the January number, which is the holiday issue of this magazine "Made in Hawaii," will be on the news stands and a new achievement in magazine-making in the territory will be accomplished.

This holiday number is one superbly gotten up. Only once before in Hawaii have such color-pages come from the press. That was in the latest special issue of the Star-Bulletin, and this number of the Mid-Pacific is from the same establishment—the printing department of the Star-Bulletin.

The cover is a deep, royal purple, against which background is shown a single and perfect hibiscus in its own inimitable colors. The lettering is in white. Then follows 16 pages of Hawaiian scenes in colors—colors gorgeous, dainty, redolent of the islands. The subjects are successively bougainvillea tree, surf-board swimming, night-blooming cereus, cane field and mill, Waikiki scene, pau-rider in floral parade, Haleakala canyon, Waimea canyon, Nuuanu pali, moonlight night in Hawaii, volcano of Kilauea, Hawaii's "painted fish," Olokele gulch, sugar harvesting scene, snow-covered summit of Mauna Kea.

In text, description and information the contents of the issue are also noteworthy.

Outside of the color pages the book is printed in duotone brown and the page borders give a handsome effect to the text.

Robbers blew the safe of the Walnut theater at Winnipeg, Canada, and escaped with \$3400.

# DILLINGHAM AND WALL ARE NAMED PARK COMMITTEE

At a meeting of the city planning commission held this morning in the city hall, W. F. Dillingham and A. F. Wall were appointed as a special committee from the commission on city parks.

Approval of the Outdoor Circle's action in appointing a man to superintend the planting and care of trees on Kalakaua avenue was made by the commission. This man will be kept on the avenue until the first of the year when two men are to be placed at the work by the supervisors.

No action has yet been taken on the Nuuanu park, which the commission is considering with a view to taking over as city property from the Civic Federation. However, the commission went on record as regarding the park as a very favorable addition to the city.

This is the last meeting of the commission that will be held before the first Monday in January.

# DO THIS FIRST—YOU!

You know, and every physician knows, that when any sickness has passed, whether it be throat trouble, organic disturbances, contagious diseases, or even a severe cold, a relapse is feared, because sickness robs the system of Nature's resistance and leaves it subject to lingering germs.

Drugs never build up a worn-out body—only food can do that, and the first thing to take after any sickness is the concentrated, blood-making oil-food in Scott's Emulsion, which feeds the tissues, benefits the blood and strengthens both lungs and throat.

Physicians prescribe Scott's Emulsion after sickness. Nurses everywhere advocate it. Scott's is pure medicinal food, without alcohol or drugs.
