SOCIETY

Event in Season's Affairs to be Scavenger's Musicals.

Mr. Fitz Scavenger, the noted Danish pianist who has been in Honolulu but a short time, has arranged to give a series of concerts here, the first to take place at the residence of Mrs. James B. Castle at Kapiolani Park on Thursday afternoon at 4 o'clock, December 16.

Mrs. Castle's home is a charming and worthy setting for a musical event. Her beautiful music room, finished in white and gold and which overlooks the sea, has perfect acoustic properties.

Mr. Scavenger has played before royalty in Europe, and one of his best compositions is dedicated to Her Majesty Queen Mary of England. For some time he has been working on an opera and it is for that reason that he has decided to remain here, finding the surroundings most inspiring for his work.

While in Europe, he gave two very successful concerts under the immediate patronage of Queen Alexandra. As an exponent of Grieg, the pianist has won praise. In London he was received most enthusiastically, according to press accounts.

The London Times spoke of him as "bringing out the poetry of the music without exaggerating the sentiment—a rare combination."

Among the ladies who have kindly consented to be patronesses are Mrs. James Castle, Mrs. Richard Ivers, Mrs. Gerrit Wilder, Mrs. Arthur M. Brown, Mrs. Walter F. Dillingham, Miss Harriet Hatch and Miss Beatrice Castle.

The concert is public to all those who are interested.

Madame Paderewski Sending Dolls to Honolulu Which Will Be Auctioned at Last Play Given by Children's Players.

Mrs. Walter Dillingham has just received a whole car load of Polish dolls from Mme. Paderewski, to be

sold for the benefit of the Polish war babies. The dolls have been fashioned by artists and are said to be very wonderful toys.

It has been arranged to use the dolls as decorations for the Christmas tree in the playlet, "How the Christmas Tree Got Its Gold," given by the little Palama children on the last night of the performance and be sold at auction after the play. This will work in nicely as the plays have been made very short on account of the young folks, the three performances being over at about half after nine, and the auction of dolls will take perhaps not quite an hour.

Rehearsals for the play, are getting on famously, and with each day the children are showing a keener interest.

The old English playlet has been abandoned, and it is not yet decided what will take its place, but something worth while will certainly be staged.

About the Winslows.

SAN FRANCISCO, Nov. 28.—Many enjoyable affairs will follow the arrival from New York of Mrs. Cameron McRae Winslow, who, with her children, will come to San Francisco in the near future. Rear-admiral Winslow sailed this week on his flagship, the San Diego, for Mexico, but it is expected that he will return later to join his family here.

Mrs. Winslow has not decided where she will live and is hesitating between a home in this city and Berkeley, where her children will attend school.

Mrs. Winslow will be a decided acquisition both to civilian and the service circles. She is a well-known hostess, her home in Newport dispensing much hospitality during the season. She was formerly Miss Theodora Havemeyer, a member of a well-known New York family.

Mrs. Laura King and Mr. Sam Walker Married.

Upon the arrival of the Matsonia yesterday the wedding of Mr. Sam Walker, well known in Honolulu, and Mrs. Laura King was solemnized at noon. The wedding took place at the home of Mrs. Jane Walker, the groom's mother.

Only the immediate relatives of the bridal couple were present. The service was read by the Rev. H. H. Parker.

The couple will reside at Halikulan, where they have taken a cot-

tage. Mrs. King is from San Francisco. She visited here some years ago.

Gaylord-Wentch.

A quiet and impressive wedding occurred yesterday morning at 9:30 in the home of Rev. A. A. Ebersole, when Mr. Ralph Gaylord and Miss Margaret Wentch were united in marriage, the Rev. A. A. Ebersole officiating. Only a few friends of the young couple were present. Immediately after the ceremony the bride and groom left by automobile for Haula, where they will spend their honeymoon.

The groom is well known locally as an engineer with the Hawaiian Dredging Company, and has many friends here. The bride is recently from Ames, Iowa.

Men's Club to Be Entertained.

The Men's Club of the Episcopal diocese of Honolulu will be entertained Friday evening by Mr. and Mrs. L. Tenney Peck at their residence, 1328 Wilder avenue. Going to New York.

To the regret of a wide circle of friends Lieut.-cmdr. Clarke Woodward, U. S. N., will leave San Francisco December 10 for New York. New York.—San Francisco Chronicle, Nov. 28.

Well-Known Young People Wedded.

Miss Fannie S. Hoogs became the bride of Mr. George Stanley Mackenzie at 4 o'clock yesterday afternoon at a pretty, though very simple and quiet ceremony at the home of Mrs. Fanny Love, Kewalo street. The Rev. A. A. Ebersole performed the ceremony. The young couple left for the country on their honeymoon.

Dr. and Mrs. Francis Shook are receiving a cordial welcome from their San Francisco friends. They arrived

this week from New York, traveling via Southern California, and will be in this city for several weeks. Mrs. Shook will be remembered as Mrs. Nina Gordon Upham. Since her marriage two years ago to Dr. Shook, who was then a naval surgeon, she has lived in New York. The doctor and his wife may decide to take up a permanent residence in California.—San Francisco Chronicle, Nov. 28.

Mr. and Mrs. Charles Templeton Crocker, who have been enjoying a stay of several weeks in the East, are expected home about the middle of December. While away they have been the greater part of the time in New York city.—San Francisco Chronicle, November 28.

The Misses Blanche and Ruth Soper were among the home-coming passengers in the Matsonia. They have had a most delightful time touring California, where they have been since the beginning of summer. Miss Rose Herbert, too, was welcomed home yesterday.

Mrs. Harry Macfarlane was among the returning passengers in the Matsonia yesterday. Mrs. Macfarlane has been visiting in California for several months.

Among San Franciscans now in the East is Mrs. Henry T. Scott. She will sojourn in New York for about a month.—San Francisco Chronicle.

KAUAI SOCIETY NOTES

Makaweli Masquerade. LIHUE, Dec. 7. — The following cards have been issued: The Makaweli boys request the pleasure of your company at a masquerade dance to be held at Makaweli hall, Friday evening, December 31, at 8 o'clock.

Church Concert a Great Success. The concert given Saturday evening for the benefit of the Lihue Hawaiian church was, in all respects, one of the most successful efforts of its kind in years. The sum of \$201 was netted for the church, and much pleasure was afforded a large audience. Encouraged by the success of the affair, another concert, on an even more elaborate scale, may be put on in the spring.

Well sustained specialties were presented by Abe Lima, who sang the bass in Kanai Apunui; John Makarani, late of the Kamohameha Glee Club, who sang the solo, the "Maid of Honolulu," and Miss Helen Poepoe, who presented "Uinaloko."

Miss Waterhouse, as a little girl, received a hearty encore. Her character singing proved a leading feature of the evening. To her, also, should go the credit for much of the success of the girls' quartet, which was twice recalled. Imitation of a banjo, by Miss Hannah Jacobsen, also proved a great hit.

Among the artistic features of the evening were the solo, "I hear you

calling me," by Mrs. Mary Agnes Rice; Mr. Carden's "Thais Meditation," a violin solo, and Albert Horner, Jr., in "O Vision Entrancing," a vocal solo.

Returning to Kilauea.

Mr. and Mrs. J. R. Myers of Kilauea will be returning passengers in the Kinau tomorrow morning from the coast, where they have been motoring over much of Northern California and Oregon. They will be accompanied by Mrs. Truxton T. Strain, a sister of Mrs. Myers, and her little daughter, who will spend some months on Kauai.

Dance at Elele.

Mr. and Mrs. Paul Kahlbaum of Waimea, gave a yama yama masquerade dance in Elele hall Saturday evening, in honor of a sister of Mrs. Kahlbaum, who is visiting the island. Quite a number of people of neighboring towns responded to invitations.

Easy Matter to Exterminate These Filthy Pests.

Even a feeble imagination can think of the germs the cockroach must bring as it crawls around the kitchen and pantry, contaminating and spoiling food. Now is the time to kill off the cockroaches and free your home from the repulsive insects. A dozen cockroaches killed now is better than killing hundreds later.

A two-ounce box of Stearns Electric Paste, which you can get for 25 cents from any druggist, will rid your home of cockroaches or water bugs.
