1ST INFANTRY WINS IN CLOSE GAME AT POST

York Holds 25th Infantry Team Scoreless for Eight Fast Innings

1st Infantry 5, 25th Infantry 4.
(Special Star-Bulletin Correspondence)
SCHOOLFIELD BARRACKS, Dec. 30.—The 1st Infantry were victorious over the 25th in the second game of the holiday series played yesterday afternoon. Each team has now one game to its credit and the deciding game is scheduled for Sunday afternoon.

York's Fine Performance.

It was a great game in which York has made himself the most popular man in the entire 1st Infantry. It looked bad when in the first inning when the heavy hitters of the 25th slammed the ball all over the lot and scored four hits. Nolan doubled, Crawford singled, Johnson was hit by a pitched ball, Smith flew out to York, Galtaher singled, Swinton hit through Madden, Bobby Crawford and Johnson, and not around to third on Galtaher's fumble. Hawkins was next up and landed a pretty single, scoring Swinton. Swinton added the 25th's first run by sliding out. This ended the run for the 25th, for York settled down and pitched as he has never pitched before, and not again did Saunders have a chance to land another run.

Dunlap Makes Long Hit.

In the second frame after Sadtler had singled, Dunlap rapped the sphere for over Sadtler's head for an easy home run. This raised the score to 1-0 in favor of the 1st Infantry, and in the following inning they knocked James out of the box. Two more out when Jack, another 25th, followed with another safety, and Galtaher closed the ball for a double, scoring Judd. The next ball pitched by Sadtler on Crawford, and the bases were full. Dunlap was on again, so Saunders pulled James and sent Judd to the outfield. Judd closed the inning by hitting Nolan.

Rogan Not Involvable.

This afternoon, now 4 to 3 in favor of the 25th, and the 25th's rotters began to take heart when Rogan took the mound. Rogan had shut out York's team in the previous game, and had allowed but a single scratch hit. Rogan however, was not so lucky in the fourth. Buckland started with a single to center, took second on Stratton's sacrifice, third on a wild pitch, and scored when York singled over second base. York came in for the winning run on Judd's sacrifice hit.

This was the 1st Infantry's last chance for an easy knock out.

In the inning that followed, and which was of great frequency, 25th plays errorless ball.

It was bunched hits that won the game for Sadtler's men.

The 25th played errorless ball in spite of many blunders in their team, and the absence of Willis, who is on leave, and Galtaher, who is in the mill.

The ball groups were quickly as the best of the 25th, and though a little slow in very good condition.

Many plays were witnessed to the game, only one third the number that is expected to turn out for the final contest Sunday.

Following was the score:

MAJOR LANE TO JUDGE MEET AT KAPIOLANI PARK

Brig.-Gen. Samuel I. Johnson Offers Valuable Cup for One Mile Race

Mayor John C. Lane will act as one of the judges in the Kapiolani track meet which will be held at Kapiolani park on Sunday afternoon. E. N. Jackson, chairman of arrangements, has announced the officials for the meet on Sunday which include the names of Mayor Lane, Charles F. Chillingworth, Lester Petrie, Patrick Walsh and Peter Barpa. Benjamin H. Mills will handle the gun in the dash events, and the timekeepers selected are Ben Hollinger, Bill Chilton and William Perry.

Brig.-gen. Samuel I. Johnson of the National Guard has donated a handsome cup for a special one-mile race for enlisted soldiers and members of the National Guard. Inasmuch as there are a number of long distance runners in the service, this race should be interesting. It is expected that the time for this event will be around 4:50.

Antone Kaoo Comes Back.

Lovers of the track and field will welcome the news that Antone Kaoo, the grand old racer of Waiolu, will be entered in the five-mile run. Kaoo has many followers in the territory, and the race between the contestants is looked upon as one of the future events of the day since the announcement that Kaoo would again put on a spliced shoe.

Japanese merchants throughout the city have been active in donating prizes for the events, and many Japanese have entered in the bicycle and walk events.

It is expected that Yamashiro, one of the speed burners of Hawaii will be entered for the sprint events.

Bicycles Offered.

L. P. George of the Schuman Carriage Company has agreed to donate a racing bicycle for a two-mile race, providing Ivy of the 25th Infantry and Pienu of Waiolu will enter this event. Both cyclists are fast and Chairman Jackson has announced that he will make every effort to land the speed merchants for a match race.

Since the announcement of prizes for the events many merchants have come forth with prizes for the participants.

Ed Quinn and A. Tazaka have contributed \$2 prizes. Others joining in the movement are Fashion Clothing Store, \$2.50 merchandise; Weedon Bazaar, one electric walking cane; Mint Saloon, 24 quart of Blue and Gold beer; Ryerfort Arctic Soda Company, six dozen soda water; Hवाई South Sea Curio Company, one jewel box.

The race events will be called at 1:45 sharp, and heats will be run in 100 and 220 events.

Entries will be received up to 1 o'clock on Saturday afternoon. N. E. Jackson will be at his office at 1183 Alakea street from 8 a. m. to 1 p. m. on Saturday to receive late entries.

The program for the day as arranged by the committee is as follows:

1. Two-mile bicycle race—Open.
2. 100-yard dash.
3. One-mile walk for novices.
4. One-mile run—For enlisted soldiers and National Guard members.
5. 220-yard dash.
6. One-mile flat man's walk.
7. Two-mile heel and toe championship.
8. One-mile walk—Japanese.
9. 440-yard dash.
10. One-mile bicycle race—Japanese.
11. Five-mile run.

A ROSE WITH ANY OTHER NAME THEY SAY

The "Babe" of football are rated among the best players in the country in their positions. Both are anything but babes. They are giants. There is "Babe" Spears of Dartmouth, who stands six feet and weighs 230 pounds. He was chosen as a member of the All-American team as left guard. But he is not the biggest babe. White of Syracuse, who also was chosen as a member of the All-American team as right guard, is 5 feet 5 inches tall and weighs 356 pounds.

bits off York in nine innings.

With Jasper knocked out of the box yesterday and Rogan with a sore arm, the mound work in the deciding game Sunday will probably fall to Waterhouse.

The 25th will lose both Willis and Johnson when the next transport sails for the mainland.

Both of these ball tossers have been transferred to the 24th Infantry.

It was a bad day for outfielders who could not cover much ground with the field so muddy. There are some who blame the 25th outfielders for the loss of the game. The 1st Infantry outfielders don't get any blame, first because their team won, and second because the 25th hit very few beyond the infield.

Which attraction will draw the largest crowd—the boxing exhibition at the ball park New Year's Day, or the deciding game in the series between the 1st Infantry and the 25th Infantry on the following afternoon?

Hughie May Trade This Pitcher

Reports in the Stove League state that Jennings is figuring on a trade for the French pitching star of last year, Jean Dubuc of Montreal. Inasmuch as Jennings was in the market for pitchers, this seems like a bomb to baseball fans as Dubuc was one of the stars with the Tigers last year. The Tiger boss purchased James and is known to be in search of another pitcher, but if Dubuc goes, Detroit fans will want Walter Johnson, "Dutch" Leonard or some other star in exchange.

Olympic Club Tossers To Arrive February 1

The Olympic Club baseball aggregation from San Francisco will arrive in Honolulu on February 1 on the Great Northern to play a series of games with local teams. This news came this morning to Chairman Ed Nell of the baseball committee by cable from the Olympic Club management.

Inasmuch as the Olympics are scheduled to play during the Carnival it is expected that a longer schedule of games will be played with local teams. This announcement of the early arrival of the Winged O players means that the first game of the local series will be played on February 5 and another game on the following day.

Eight Games With Olympics.

The baseball committee have not yet arranged a program for the series, but it is thought that at least eight games will be scheduled during the stay of the San Francisco club boys. Reports from the mainland state that the Winged O team will be overly strong, and without doubt such players as "Peaches" Martin, Traumatolo, Benn and McGrath will give the local games worth while.

Manager Nell of the Punaheou team has announced his pitching selection.

WANT WINNING TEAM? HERE IS THE WAY TO GET ONE, SAYS FOLWELL

Bob Folwell, Washington and Jefferson football coach, besieged with requests to "loosen up" on his system of teaching the forward pass, hands out this advice: "Get your men together. Tell them at the outset that they are the best bunch of football players ever gathered on one field. Show them how to use the forward pass, and then tell them they can work it better than any other eleven in the world. Keep telling it to them. "In other words, make your men believe they are the greatest ever and they'll become great." *****

Wolgast Joins "Down and Out" Club For Good

The recent defeat of Ad Wolgast, the "Cadillac Wildcat," by Leach Cross in New York means that the boxing game has lost one of its greatest stars. Wolgast is "all in." That statement will cause no sensation, as Ad has been slowly reaching the point where he was a second or third rater in the ring of today.

News comes from the mainland that Wolgast has been barred from fighting in New York. This is evidently the last straw. Defeated by Cross and then barred from the ring in New York gives the Cadillac boy no chance to fight in another bout of prominence. Like Battling Nelson, he has had his day, and he passes out of ring history a young man.

A Real Champion. When Ad was at his best there was no better man in his class, and while he ruled he was a real ruler. Wolgast showed the Californians a lot of good fighting. No one who witnessed the battle on the mainland, when Ad Wolgast pounded Battling Nelson to bits in 40 rounds at Richmond, will forget the power of the conqueror. Nelson had the ability to assimilate punishment, but Nelson needed it in that battle. No man ever received a worse punishment in the ring.

Ad was a favorite in those days, and when he was supreme over Owen Moran, Frankie Burns, One Round Moran, Joe Rivers and others, he was a real fighter. Then came Willie Ritchie. The San Francisco boy won from Wolgast on a foul, and since that time this has been a thorn in the flesh to Ad. Wolgast was leading up to the time of the foul, and looked the best of the two boys, but since that battle the fighting Dutchman has never been able to win back his laurels.

Wolgast won the light-weight championship at the age of 27, and now at 37, when many fighters are just beginning to start, the Cadillac boy is through — a "has been," defeated by Cross and many others, barred from the New York ring, and a member of the down and out club. "Give me Ritchie," was the cry of Wolgast, and even now, when the once great fighter is "all in," he still believes that he can win. "He was a great little fighter in his day," you hear that often. The expression "in his day" always brings up regrets, as it will in the passing of Ad Wolgast.

25TH INFANTRY WILL NOT PLAY P. A. C. TOSSERS

Baseball fans will not have an opportunity of witnessing the 25th Infantry-Portuguese game at Athletic Park on Sunday afternoon on account of the Schofield schedule, which calls for a game between the 1st Infantry and 25th on the Schofield field. Otis Sadtler has announced that York will be on the mound again next Sunday, and expects to add another victory to that of yesterday.

The ground at Athletic Park is being placed in good shape and it is expected that the fans will be able to witness a game between the Chinese team and the All-Army on Sunday. Ben Hollinger stated this morning that he had not yet arranged plans for Sunday afternoon, and the grounds may be dark on Sunday, making the baseball feature on New Year's, when the Chinese All-Stars play the Punaheou team.

BOBBY VEACH GETS CALCIUM WITH SAM AND CHAMPION TY

DETROIT, Mich.—Bobby Veach was the third Detroit player to lead the American league in cracking out doubles. The other Tigers with such a performance to their credit were Cobb and Crawford. Tyus excelled in 1908 and 1911, with 36 and 47 respectively, and Sam starred in 1909 with 35. Veach last season bettered the exploits of the leaders of 1908 and 1909, but was eight hits shy of Cobb's 1911 total.

It mattered little to Veach whether he was playing at home or abroad when he was adding two-base hits to his record.

Of his 39 smash-outs for the double figure, 20 were pounded out in contests on Navin field and 19 in games on alien lots. That is as near a 50-50 split as is possible. Robert got two-thirds of his doubles off right-handers and a third off southpaws. He collected eight two-baggers off the St. Louis pitchers, six off Boston's, six off Chicago's, six off Philadelphia's, five off Cleveland's, five off New York's and three off Washington's. Four times did Veach insert a pair of doubles into the same game. Weiland and Hoch of St. Louis were located for a pair on May 29; Collins and Penneck of Boston suffered on June 9; Perryman of St. Louis on June 22, and Foster of Boston on August 26. Not one of Veach's 1915 doubles swept the bases clear of three runners. He poked a couple of triples, however, last season that brought in three men.

SPORTS TO BE FEATURED AT 'Y' NEW YEARS

Both the Service and All-Star basketball teams worked out at the Y. M. C. A. last evening for their game on New Year's night.

Manager John Gomes has worked hard to put a team in the field that will hold its own with the championship Service quintet. "Red" Brown and "Bill" Dreier will divide the work at center for the All-Stars. Harry Henry and Jim Nott will play forward with Ben Clarke as first aid. Dean Lake and Harry Melim will start at guard, with W. H. Melbecke, R. W. Gaylord and John Gomez as emergency men. At yesterday's practice the team lined up with Henry and Nott as forwards, Dreier, center; Lake and Melim, guards. Gomes went in for Lake in the last few minutes of scrimmage.

The Service team has practiced daily this week and will have a strong lineup on New Year's night. Lieut. Green is billed to play a half and all of the regulars will be on hand. Hackett, Gevarder and Green will be forwards, Noyes and Merillees, centers, with Wheeler, Cosgrove and Gevarder guards.

New suits will be provided for the All-Stars, who will appear in white with a red letter "A." The Service have their new black "S" on a gray uniform. Glenn Jackson has been selected by Managers Brush and Gomes to referee the game. The largest crowd ever seen in the hall will doubtless be present as the game forms a part of the New Year's open house at the Y. M. C. A. Gym Exhibition.

Following the basketball game, which begins at 8 o'clock, there will be a gymnasium exhibition by the high school gym class, which has been trained for the occasion by Physical Director Jackson.

At 9 o'clock one of the classiest exhibitions ever seen in Honolulu will take place in the Y. M. C. A. swimming pool. Clair Tait, champion diver of the Northwest, will give an exhibition of high and fancy diving. Lorrie Thurston and Robert Fuller, Hawaii's best divers, are practicing with Tait and the stunt should be a great attraction.

Leo a Champ.

L. Fullard-Leo, holder of numerous world's records at swimming during the past 15 years, will show the best strokes and give a swimming exhibition. Leo has run the 100-yard dash in 10 seconds, run the mile in 4:30, and won various medals for boxing, wrestling and other athletics. Leo has done the 100-yard swim in 56:45, the 220 in 2:30:15, the half-mile in 11:22, the mile in 23:57, and has a splendid record for the 15-mile swim.

Proceeding the athletic features will be a dinner in the cafeteria, to which ladies as well as men are invited from 5:30 to 7:30 o'clock. A reception and concert program in the lobby will follow the dinner, the special hour for the reception being designated for 7:30 to 8:15, and a large number of invitations have been mailed for this event.

The bowling alleys and billiard room will be open to men and women throughout New Year's Eve and a reception committee will be on hand to show visitors through the building. Altogether the New Year's open house at the Y. M. C. A. promises to be the best in the history of the local association.

There is a man in Pittsburg, 60 years old, who still plays baseball. Joe Cantillon ought to land him quick for his Minneapolis team.

If Fielding Yost goes to Yale it will probably start a football war. The Wolverines may retaliate by starting a rival college in New Haven.

That American League Pitcher who said the other day that Ty Cobb wasn't so hard to fool took good care not to make the statement in playing season.

Headline writer informs the populace that "Skull Practices Was Held at Harvard." You may make your own puns.

Some of those Federal League clubs are about as tired of war as the Kaiser.

When you realize that Pat Moran received all of \$5000 for winning the National League pennant, while Jawn McGraw got 20,000, flash and finished

STANFORD WILL HAVE VETERAN TEAM IN 1916

Bonnett Will Be Only Cardinal Star Missing on Cinder Path

Stanford will be well represented on the cinder path this year and reports coming from the mainland state that the Cardinal squad will have enough stars back to make them the best rounded organization in the field next season. Local alumni state that this year's track meet should be the best in history.

Stanford will meet a number of the organizations on the coast this season, and will then go East for competition. The team will enter the I. C. A. A. A. (the track classic of the East, and will also stage dual meets with Yale and Harvard.

Looking at the material that is left over from last year, we find Pat Murray for a start. Murray will not have to take a back seat for any of the trackmen in the hurdles in the East, and should land eight points in the high and low sticks against the best in the East. Then the Cardinal will have Norton and House. Norton is consistent and should come almost to grabbing points in the eastern intercollegiate. House may startle the world, as he did in high school; if he does he will figure in the events. Last year he did not show to advantage in the A. A. U. meet in San Francisco.

Paul Wilson is picked by many to be a star in the mile. "Skin," as he is called by those who know him, is a great miler, and was that in high school. He first came into prominence when he went south to the Berkeley meet from Portland and was picked to win the mile. On the same team was Vece Windmuller. Vece was a great half miler and once held the intercollegiate record. Very spring the surprise of the day by beating Wilson to the tape in the mile by inches. Both runners broke the record for the California intercollegiate.

Milers to Meet.

Wilson is supreme on the coast, but when he goes East he will have plenty of competition. He is a great runner but Stanford should not feel sure of points with Overton, Hoffmire, Windmuller and others entering this event. Windmuller, who recently won the cross country run for Cornell against Harvard, will represent the Ithacans, and this meeting, in just what will be the first opportunity the two stars have had of testing each other strength since they were students in Washington high school in Portland. A place in the intercollegiate mile event is the best hope of Stanford. If Wilson can do better than 4:19, he should have a chance for first place.

Reg Caughey, who usually heaves the shot around 47 feet should place next year in the eastern classic, while Sisson in the broad jump is sure of a place if he continues his work of last year. Templeton and others will attempt the high jump. Bobby Krohn should do something this year in the pole vault, as last year he went over the 12-foot mark on a number of occasions.

Bonnett Leaves Team.

If Chace returns to Palo Alto and with Lynn Dieffenderfer and others in the Stanford men's series points in the 440, but the eastern event has never been won in very slow time, and Stanford will have to have a 49 second man on the team if they expect to place. The biggest loss to the team will be the graduation of Bonnett. The former Stanford half miler would have scored at least in the eastern events, but without him the Cardinal can hardly look for much in this event.

Palo Alto will wave no flags when the results of the 100-yard dash and two-mile run are flashed across the continent, as the Cardinal will not have any sprinters of note to take care of the century and furlongs. Dick Grant flashed across the track horizon for a time, but last August Dick dropped out in the 220-yard dash at the Exposition and failed to be much. Chapman, from Santa Rosa, who was a star in high school, is a good man for the coast, but the East has the faculty of picking up two milers who can run the distance around 9:30, which Chapman has not yet done.

Taking the dope from the men on last year's team, not figuring the new stars of the year, Stanford should annex close to 10 points in the hurdles; perhaps two or three in the broad jump; two in the pole vault, and perhaps one in the high jump, which would give the Cardinals about 21 points. These would at least place them in second place, and if the other teams cut in on the field, might possibly land them in first place.

It is easily seen that virtue is its own reward.

Any way you look at it the life of a football coach is not exactly a bed of roses. If his team wins, the man who makes the touchdown gets all the credit, and if it loses the coach gets the hook.

A Chicago man is walking to Portland, Me., for the fun of it, which goes to show that you never can tell about a sense of humor.
