

SIGNAL HONORS AGAIN SECURED BY 25TH CRACKS

Take First Place in Track Events Third Time During Army Athletic Meet

- TODAY'S WINNERS. 100-yard dash—Preliminaries. First, Parker, 25th Inf., second, Genslinger, 1st Inf. Time, 10 1/5 seconds.

- Baseball relay—Coast Defense. First, 25th Infantry, 2 minutes 15 1/2 seconds. Second, 25th Infantry, 2 minutes 22 1/2 seconds.

By taking first places in each of the three track events at the military athletic meet on Alexander field today, the 25th Infantry brightened its chances for winning the big tournament. The finals in the various events will be run off tomorrow, and the meet will start promptly at 9 o'clock.

Parker, who ran the 100-yard dash for the 25th today, lessened the records made by his teammates on Wednesday and Thursday by winning in 10 1/5 seconds, a fifth of a second more than Mills' record and two-fifths of a second more than Gilbert. Genslinger, of the 1st Infantry, crossed the tape in second place, being about five feet behind Parker.

The 25th also cleaned up in the preliminaries of the half-mile run, Smith covering the distance in 2 minutes 14 1/2 seconds. Tomorrow of the 2nd Infantry was next, Smith winning with about six feet to the good. Simmons of the 25th won the 220-yard dash in 22 1/2 seconds, with Genslinger of the 1st Infantry in second place. This race was a fairly close one, Simmons having a lead of only two feet over his opponent.

The 1st Infantry walked away winner in the finals of the tug-of-war contest, with the 2nd Infantry second and the 25th Infantry third. In today's matches the 25th beat the Coast Defense in 4 1/2 seconds, while the 1st Infantry pulled the 2nd Infantry over the line in 1 minute 22 1/2 seconds.

Following are the members of the winning teams: 1st Infantry—Steger, captain; Sless, Billie, Ethington, McGowan, Kifer, Gatz, Anderson, Williams, Hawkins, Lochowicz.

2nd Infantry—Bergin, captain; Beuker, Brunelcke, Duncan, Fogarty.

ABOUT 300,000 BABIES ONE BEFORE ONE YEAR. The Census Bureau estimates that 300,000 babies died in this country last year before the age of one year, and it is stated that one-half of these deaths were needless if all mothers were strong and infants were breast-fed.

Expectant mothers should strive to increase their strength with the strengthening fats in Scott's Emulsion which improves the blood, suppresses nervousness, aids the quality of milk, and feeds the very life cells.

Physicians prescribe Scott's Emulsion; it is doubly important during nursing. No alcohol. Every druggist has it. Insist on Scott's—the white-food medicine. No advanced prices.

WALLS OF OLD ROYAL PALACE WILL ECHO SONGS OF DAYS OF MONARCHY

Hawaiian Nights Entertainment in Capitol Grounds Will Be Real Page From Past

Honolulu will tinkle musically for the Hawaiian Nights entertainment, one of the prettiest of all the pretty ideas this 1916 Carnival has brought into being, when the curtain rises on the improvised stage in the capitol grounds this evening. It is to be a page of the older Hawaii not snatched from the fast engulfing past.

One hundred and fifty of the sweet voices of Hawaiian singers will be used to produce effects such as have rarely been heard even in the island birthplace of native melody. The stage setting, historic, beautiful, will be on a spot associated with the brightest days of the Hawaiian monarchy—and with some of the dark days of that monarchy as well.

Not 40 feet from where the singers will be gathered is the old bungalow, built for one of the queens of Hawaii, and hard by is the palace reared by the most famous of all the kings, save Carter, Banker, Davis, Henderson, Rhode.

Baseball Relay Winners. In the first round of the baseball relay, the Coast Defense team won easily from the 1st Field Artillery, getting the final ball over the line in 2 minutes 15 1/2 seconds. The 2nd Infantry then defeated the 4th Cavalry in the fast time of 1 minute, 50 1/2 seconds, with Holcomb doing some excellent work for the foot soldiers. The 2nd Infantry team was composed of Robertson, Holcomb, Jackson, Orr, Feeley, Kirk, West, Savage, Burns and Zenie.

The 25th Infantry won from the 1st Infantry in 2 minutes 2 1/2 seconds, the members of the winning team being Smith, Hawkins, Phillips, Scott, Rhodes, Regan, Crayton, Davis, Bailey, Washington, Seuwille, Washington (Company D), Robinson and Hollingsworth.

In the match between the 4th Cavalry and the Coast Defense the former won in 2 minutes, 7 1/2 seconds. The Cavalry team was composed of Ormiston, Haley, Horning, Dermott, Roach, Jobe, Giron, Ames, Epperson. The 1st Infantry defeated the 1st Field Artillery in 2 minutes 8 1/2 seconds. In the final match the 2nd Infantry defeated the 25th Infantry at 2 minutes 1 1/2 seconds.

Another Comedy Race. Another comedy race was the three-legged match in which teams from the 1st Infantry, 25th Infantry, Coast Defense and 2nd Infantry took part. Again the 25th Infantry came out ahead, Wiche and Bailey of that organization covering the 100 yards in 14 1/2 seconds. Spears and Johnson of the 2nd Infantry took second place, with Herzog and Chaffant of the Coast Defense third.

At the conclusion of this race, Capt. Norris Stanton made the rather startling announcement that the world's record in this event had been smashed, which is going some for the 25th.

Wrestling is Good. Three unusually good wrestling matches were staged as a conclusion for today's meet. In the first bout Scates of the 25th won from Smith of the 4th Cavalry in two straight falls. The first round went to Smith in 2 minutes 2 1/2 seconds, the second and last being won by Scates in 8 minutes 49 1/2 seconds, and 4 minutes 44 seconds, respectively.

The bout between Workman of the Hospital Corps and Gatz of the 1st Infantry, the latter won the first fall in 4 minutes 19 seconds. After the men had wrestled for 15 minutes without a fall, the second round was given to Workman. Workman won the third round in 8 minutes 58 seconds.

Stolcoff of the 1st Infantry won easily from Allen of the 2nd Infantry, getting the first falls in 1 minute 53 seconds, and 47 1/2 seconds, respectively.

The men winning today's wrestling events will be the star performers in the finals tomorrow. Stolcoff is being looked upon as a sure winner, although the bout between Stolcoff and Smith, if there be one, promises to be lively.

Finals Tomorrow. Tomorrow's finals promise to be interesting. The 1st Infantry, 2nd Infantry and 25th Infantry are tied in the baseball relay. In the 100-yard dash the following men will run: Mills, Gilbert, Parker, 25th Infantry; Bray, Smith, Genslinger, 1st Infantry.

The following men will enter the finals of the half-mile: Pride, Harrison, Smith, 25th Infantry; Travers, 1st Infantry; Sprock and Morrow, 2nd Infantry.

The 1st Infantry, 2nd Infantry and Coast Defense have entered teams in the wall-scaling contest, which promises to be a stellar feature of tomorrow's meet.

ENTER RAFT WITH SIX POUNDER AND CREW IN ACTION

Alert Has Novel Plan for Water Pageant; Submarines to Be Blaze of Lights

Preparedness with a capital "P" visualized by a six-pounder gun mounted on a raft and served and fired by the ship's best gun-crew, will be the entry of the U. S. S. Alert, tender for the third submarine division, in the water pageant which will close the carnival tomorrow night.

As the raft is towed the first time around the harbor course, the crew will be posing in position, illustrating the station of each man of the gun-crew during firing under actual battle conditions.

On the second round the crew in action will be shown, and blank cartridges will be fired at intervals of several seconds, giving spectators an excellent idea of how an American navy "six-pounder" in action sounds and looks.

The four submarines of the third division, the K-3, K-4, K-7 and K-8, will be in line, their shapes outlined in hundreds of incandescent tungsten lamps supplied from their batteries. Plan Special Designs.

Each submarine will also bear a special novelty electrical character, either a naval or a historical character. The Alert's entry will be illuminated by electric lights supplied by a battery, and at the stern of the raft will fly from a slanting navy flagpole a large American flag, the sole decoration.

Acting as "spotter" will be R. Murphy, chief quartermaster of the Alert. The gun captain will be J. M. Miller, chief gunner's mate; while D. O'Brien will be loader. He is chief master-at-arms. The gun-pointer will be E. L. R. Whitted, seaman.

Those of the Alert's crew who have arranged the raft's lighting are G. A. French, first-class electrician; and T. W. Hardisty, second-class electrician. Those who mounted the gun and fitted out the raft are W. E. Davidson, ship's fitter, first-class; C. E. Wiggs, chief carpenter's mate; and F. V. Smith, carpenter's mate.

On the submarines the chief electricians of each have had charge of the illumination scheme on their boats. They are J. F. Cordes, K-3; P. Wallace, K-4; W. M. Young, K-7; and Frank Bidwell, K-8.

FALLS FROM ROOF IN ATTEMPT TO RESCUE FELLOW CARPENTER. In an effort to save a fellow worker from falling from the roof of a house, K. Kiwichi was himself pulled from the roof and the two Japanese carpenters fell 25 feet to the ground early today.

Tomito and Kiwichi were engaged in building a cottage just beyond Kapiolani park, and Tomito lost his balance. He was swaying on the edge of the roof, and Kiwichi ran to his assistance. He clutched Tomito's arm and then both fell.

The men were taken to the Emergency hospital, where Dr. R. G. Ayer dressed their wounds. Kiwichi has a cut on the hand and some minor bruises. Tomito is still in the hospital and is painfully bruised, but his injuries are not serious.

GETS READY FOR MARCH CAMPAIGN OF ADVERTISING

With its big spring advertising campaign close upon them, the Hawaii Promotion Committee has now dropped the Carnival boom and is swinging into line to take up the new work.

"We are starting a big campaign now to make it known over the mainland that Honolulu is an ideal summer resort for tourists, as well as a haven safe from wintry winds," said Secretary A. P. Taylor this morning. "We figure that as soon as the carnival is opened, there will be a splendid opportunity for some of the big yacht owners of the Atlantic coast to cruise in Pacific waters, and we intend to start an advertising campaign soon with Honolulu as a yacht owner's paradise, the center of the idea."

Kamehameha Day, June 11, is already being advertised on the mainland, and various railway companies are making it one of the features of their folders, Taylor says, with emphasis on the day as a historical anniversary.

Oahu college, which celebrates its 75th anniversary this year, is also being advertised through the medium of the railway leaflet.

On March 1 the Promotion Committee's contract with the "Ask Mr. Foster" bureau of the mainland will begin, and it is expected that this will prove splendid advertising.

LIEUT. OLNEY PLACE TO GET SHAFTER STATION

Orders have been received from the war department which assigns Lt. Lieut. Olney Place, 13th Cavalry, to the Signal Corps, to take effect on March 15. He has been assigned to Field Company E, at Fort Shafter, and directed to proceed to Honolulu on the April transport. Lieut. Olney Place takes the place of Lieut. Robert R. Love, who sailed on the last transport from the mainland. Lieut. Love has received orders relieving him from the Signal Corps, to take effect on March 14, and after the expiration of his leave of absence he will be sent to his new cavalry regiment.

AWAITING CABLE FROM DELEGATE ABOUT ACADEMY

Raymond Brown, secretary of the Chamber of Commerce, is awaiting a reply to a cable sent to Delegate Kuhio Wednesday requesting news of the naval academy bill that the chamber asked to be introduced about two weeks ago.

"I suppose the bill is in course of preparation and Kuhio is waiting until he can send definite news before cabling," said Mr. Brown today. "There are three bills for the location of an additional naval academy now in Congress and only one of them provides for its location in a coast state. Hawaii seems to be the chamber's logical place for the location of a Pacific naval academy."

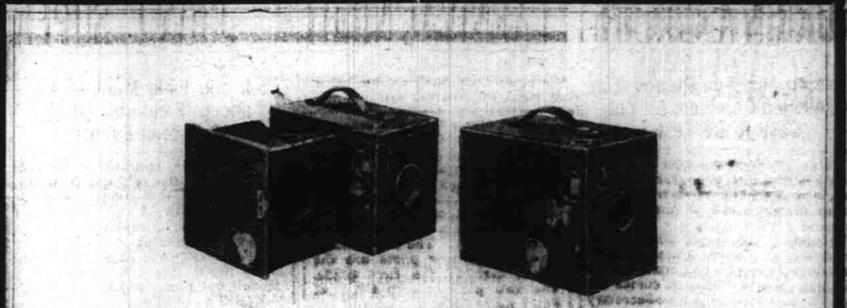

Half of the tax will be assessed as a penalty on income tax returns made after March 1, according to a warning issued today by J. F. Haley, collector of inland revenue. "Some of the largest estates in the territory have not yet made their returns," he declared. "Every year thousands of dollars in penalties have to be assessed by this office. I have no discretion in the matter, and all returns not made before the close of business Wednesday will have to bear the 50 per cent penalty."

PROHIBITION WRIT IN QUEEN'S CASE MONDAY

Monday will be return day in the supreme court in the matter of the writ of prohibition issued against petitioners and other parties in the equity suit brought by Delegate Kuhio against the trustees of the Liliuokalani Trust. The petitioners and their attorneys are cited to appear at 10 o'clock and show cause why the queen's motion to dismiss the suit should not be granted.
