

It used to be true that bifocal glasses were troublesome, and "old" looking, and trying to be like plain glasses, but give perfect near-and-far vision.

IN THE REALM OF THE FEMININE

THE FAD FOR PAGS

more elaborate bags. Last, but no least, is the muff bag that no feminine heart can resist because of its many uses and beauty of outline. One's very own gown can be matched in color, as there appears to be every popular evening shade on display, with the more staple colors for street wear. The bag when closed can be carried as a muff, and there are two compactments shaped to fit one's slippers.

Phillis had a mint of money.
And she shopping went;
She bought a beaded brocade bag to
Carry every cent.
When she paid up for her purchase
All her coin was spent.
Still, although her purse is empty,
She is quite content.

The attractive bag picture is of beige-blue taffeta, outlined with gold lace and finished with a gold cord and tassel. The buckle, a new use for this popular article, is set with turquoise to match the color scheme.

YOUR STRAW HAT

IT may be anything but Kemp.
It may be a yedda straw, Jap, barnyard, chrysanthemum, soutache or shoelace straw, all with a bright glossy finish and in bright colors.

For the dressy hat you may have a tucaan braid, as well as a neapolitan or horsehair braid.

For a sports hat you may choose a leghorn, though the same straw is used for the dressy hat with a facing of georgette, crapse, taffeta or satin.

Your straw hat may be only a facings of straw with a top of highly colored madras over taffeta, thin figured batiste over colored silk, faille georgette crapse or kid.

Your hat may be red, dahlia, currant cherry or cinnamon candy red.

It may be trimmed with fruit, velvet pears, raisins, crabapples, cherries, grapes, currants and berries of all varieties.

It may be ribbon trimmed with an agent on the high back trimming or collared de medici style at the back.

Millions of dollars of property are destroyed yearly by rats simply because people do not appreciate the destructive power of rats and do not know how easy it is to kill them. Simply get a two-ounce box of Stearns Electric Paste from your druggist for 25 cents and use it at night in accordance with the simple directions, and in the morning there should not be a rat in the house.

Nothing else is as effective as Stearns Electric Paste in exterminating rats, mice, cockroaches and other vermin. The government uses it in its fight against rats. Directions in 15 languages in every package.—Ad.

That Michigan is dissatisfied with its bean crop seems almost snobbish in face of the fact that the state already raises 70 per cent of all American beans, nearly as much as the annual Boston consumption.

WIFE TOO ILL TO WORK

IN BED MOST OF TIME

Her Health Restored by Lydia E. Pinkham's Vegetable Compound.

Indianapolis, Indiana. — "My health was so poor and my constitution so run down that I could not work. I was thin, pale and weak, weighed but 109 pounds and was in bed most of the time. I began taking Lydia E. Pinkham's Vegetable Compound and five months later I weighed 133 pounds.

I do all the housework and washing for eleven and I can truthfully say Lydia E. Pinkham's Vegetable Compound has been a godsend to me for I would have been in my grave today but for it. I would tell all women suffering as I was to try your valuable remedy." — Mrs. WM. GREEN, 332 S. Addison Street, Indianapolis, Indiana.

There is hardly a neighborhood in this country, wherein some woman has not found health by using this good old-fashioned root and herb remedy.

If there is anything about which you would like special advice, write to the Lydia E. Pinkham Medicine Co., Lynn, Mass.
