## TROOP E TAKES LEAD FOR FOURTH CAVALRY CHAMPIONSHIP, 4 TO 3

[Special Star-Bulletin Correspondence.]  
SCHOOLFIELD BARRACKS, May 15.—The first game to play off the tie between E and G troops for the 4th Cavalry championship was staged Saturday afternoon at Castner and turned out to be one of the best baseball contests that has been held at Lihuehwa this season.

E Troop played errorless ball except for an excusable slip on the part of Geigerich at first. The fielding throughout the game was remarkably clean, considering the fact that the players were keyed up to the highest pitch with excitement.

G Troop took the lead in the first and scored two more in the third. From then on G Troop did not have even a slim chance to make another run and failed to connect with Coten's fast delivery except for Hoffman's scratch hit in the ninth.

E Troop plowed along and finally tied the score in the eighth. Dolliver was hit freely in the last few innings, but he tightened up in the pinches and many of the E Troop drives went for naught.

In the last of the ninth Coten hit along the first base line, but was nipped on his attempt to steal second. Webb fanned, but Stone sent a drive to right field and succeeded in pilfering second. Lieut. Lohman, who had failed to show any particular strength at the bat in his four previous attempts, was halted by the G Troop adherents as a fish. Lohman lived up to this reputation for two strikes, but not so with the third. He sent a pretty drive between the left and center fielder that brought in Stone with the winning run.

This is a two-out-of-three series and E Troop must win again to annex the pennant. The next game is scheduled for Wednesday.

Following was the score:

hit by pitcher, DeMott and Geigerich by Dolliver; bases on balls, of Coten 1; struck out, by Dolliver 7, by Coten 10; passed balls, Fleishman 1, Lohman 2; umpires, Stratton and Collins, 1st Infantry; time of game, one hour 37 minutes.

SIDELIGHTS ON THE GAME.  
Coten nearly lost the game in the ninth when he was nipped at second on an attempted steal. The throw was high and he ran into the ball instead of taking to Mother Earth. Coten's strong line is pitching and not base stealing, though he is pretty handy with the willow and made two hits in four times up.

Stealing bases on big Bob Fleishman is as easy as robbing money from a child's savings bank.

The G Troop outfielders are some clever at covering a big territory, but they never had a chance to catch a fly in this game. The E Troopers were driving them low.

Troop E deserved the game from every angle, but was punished by hard luck from start to finish. Eight men were left on the bases to G Troop's three.

Dolliver pitched himself out of a bad hole in the sixth. He held Roach on third and DeMott on second while he retired the next three batters.

Roach struckout the first time up and then washed the sand out of his eyes, for the next three times he connected with some pretty drives, one of which was for three bases. DeMott, Harte, Rogers, Devery and Coten were also formidable with the willow.

### PUNAHOU AND KAM. TO MEET THIS AFTERNOON ON ALEXANDER FIELD

Punahou is playing Kamehameha in their first game of the season today at Alexander Field.

This game should be good. Kam is strong this year, having defeated McKinley. It will be remembered that McKinley defeated Punahou last Friday, 7-4.

Punahou will be in a somewhat better condition today than previously. Naphaa will again be in the game. His absence has been sorely felt. Peter-son will again twirl for Punahou. His work in his first game—McKinley-Punahou—was of high order, and "Pete" is expected to make good. He has unusual speed and good control.
