

HUBER URGES SEGREGATION OF OFFENDERS

Says Juveniles Should Not Be Permitted to Mingle With Men Held By Police

By all means save the boys," said U. S. District Attorney S. C. Huber today, when asked for his solution of the problem of what to do with juvenile delinquents pending their commitment to the industrial school.

Attorney Huber said emphatically that he is not in favor of "herding" boys with older offenders, providing it is necessary to place the boys temporarily in jail.

"Absolute segregation at all times is the essential factor," he says. "If it is necessary to place these boys in jail, put them somewhere where they will be away from the older men. This is the view of criminologists throughout the world."

"I certainly do not believe in putting young boys in jail where they may associate with older offenders. There is no disputing that authority. The older offenders are only instructors in crime, and they will find apt pupils in the juveniles—at least some of them. There is not a criminologist in the world who will dispute that proposition."

It was learned today that officials and others interested in the erection of a detention home, for which there is now an appropriation of \$7500, feel that, instead of the erection of a building, a house should be rented where the work might be carried on temporarily until it is ascertained exactly what is wanted in the way of a permanent home.

"We certainly need a detention home, and we need it at once," Miss Agnes E. Maynard, girls' probation officer, stated today. "From now on delinquents cannot be detained at the jail, so what is to be done with children who are picked up on the streets?"

W. H. Hutton, boys' probation officer, stated this afternoon that he has located a house near the Queen's Hospital which he will endeavor to secure and have converted into a detention home.

MEMORIAL DAY WELL OBSERVED BY MANY BODIES

G. A. R. and Other Organizations Will Participate One Week From Tomorrow

With ranks dwindling year by year, and with steps not nearly so sturdy as on some former occasions, the members of the George W. De Long Post, Grand Army of the Republic, will take their usual part this year in the Memorial Day exercises to be held in Honolulu one week from tomorrow.

This year's celebration in memory of those who fell for the north during the Civil War will be on a scale somewhat larger than in former years, more organizations having volunteered to participate. Under the auspices of the G. A. R. the graves in the Post's plot in Nuuanu cemetery will be strewn with flowers, and appropriate exercises will be held nearby.

Major Paul Dashiell, 2nd Infantry, U. S. A., will lead the parade as marshal of the day. The column will begin forming shortly before 10 o'clock at the palace grounds, that hour being set for starting the march.

Besides the members of the G. A. R. there will be marchers from the United Spanish War Veterans, the regular army, the National Guard and the territorial naval militia.

Three companies of the 2nd Infantry, U. S. A., will represent the federal army.

All of the 1st Infantry, National Guard of Hawaii, and the Separate Company, Engineers, attached for the purpose of the parade to the 1st Infantry, will also march in the column, the 1st Infantry band being detailed for a part of the music of the day. The naval battalion of the territorial militia will march in their white uniforms.

Spanish War Veterans, who always make so fine a showing in these parades, are expected out in goodly numbers, coming from the various army posts of the island.

From Company E, 1st Infantry, N. G. H., a platoon has been detailed to fire the prescribed salute at the cemetery in Nuuanu.

YOUNG MAY COME BACK TO HAWAII AND RESUME JOB

Postmaster William F. Young may return to Honolulu after all, following his trip to Washington to confer with First Assistant Postmaster-General Hon. Daniel C. Rorer, concerning the Honolulu postmastership.

Mr. Young announced this morning that he has been granted a 60-day leave of absence, and that if his wife, whose health is now completely recovered, will consent to come back to Honolulu next winter, he will resume the postmastership here the last of July, to serve out the remaining two years of his term.

SELECT BOARDS OF EXAMINERS ON PROMOTIONS

Brig.-Gen. Evans Announces Personnel of Boards That Will Quiz Applicants

Brig. gen. Robert K. Evans, commanding the Hawaiian department, today issued orders announcing the personnel of the boards that are to examine officers here for promotion under the army bill which has passed the senate and is now pending before the house with every chance for adoption.

As announced in the Star-Bulletin last Thursday, officers will be examined at their respective posts, no mileage being available for the board members to go from one post to another. As the first increment is to go into effect on July 1 under the bill, that date will see a great number of promotions here and elsewhere, the total being estimated at not lower than 1625.

Three boards will serve at Schofield camp each for field artillery, infantry and cavalry. The boards at Fort Shafter—medical corps and infantry—have been appointed, while two more will serve at Fort De Russy and Fort Kamehameha. At Fort De Russy, officers from Fort Ruger and Fort Armstrong will be included. Following is the list as announced today:

At Fort De Russy—Major Charles A. Ragan, Medical Corps; Major Joseph B. Douglas, Coast Artillery Corps; Captain Frederick W. Phisterer, Coast Artillery Corps; Captain Edward Carpenter, Coast Artillery Corps; Captain Joseph L. Sinner, Medical Corps.

At Fort Kamehameha—Major Powell C. Fauntleroy, Medical Corps; Captain Charles D. Winn, Coast Artillery Corps; Captain Walter C. Baker, Coast Artillery Corps; Captain Malcolm P. Andrus, Coast Artillery Corps; Captain Sanford W. French, Medical Corps.

At Schofield Barracks—Lieut.-col. William W. Forsyth, 4th Cavalry; Major Horace D. Bloomer, Medical Corps; Major Edmund S. Wright, 4th Cavalry; Major Walter C. Short, Cavalry (attached to 4th Cavalry); 1st Lieut. Clarence R. Bell, Medical Corps.

At Schofield Barracks—Lieut.-col. John E. McMathon, 1st Field Artillery; Major Tiesman N. Horn, 1st Field Artillery; Major S. Guignard, 1st Field Artillery; 1st Lieut. Royal E. Cummings, Medical Corps; 1st Lieut. Charles M. O'Connor, Medical Corps.

At Schofield Barracks—Major Frank H. Albright, 25th Infantry; Maj. Francis E. Lacey, Jr., 1st Infantry; Captain Edward C. Carey, 1st Infantry; Captain Jay D. Whitham, Medical Corps; 1st Lieut. Raymond W. Bliss, Medical Corps.

At Fort Shafter—Lieut.-col. Benjamin W. Atkinson, 2nd Infantry; Major William Weigel, 2nd Infantry; Major William R. Dashiell, 2nd Infantry; Captain Albert P. Clark, Medical Corps; Captain Harry R. McKellar, Medical Corps.

OAHU ADVANCES IN MARKET OF SMALL DEALINGS

Less than 2000 shares were traded in at the session of the Stock Exchange this morning, and between boards. Transactions were confined to less than half a dozen stocks with Oahu as the most interesting figure because of the further advance which it scored.

Before the opening of the session it was reported that there was little change in the price list from Saturday forenoon except that Pioneer had scored an advance and that Oahu was showing added strength. Before the end of the session that stock had scored a still further advance of a full point over Saturday's high mark.

Oahu remained firm at 217-8 and McBryde held at 141-2. Pioneer was quoted at 51-4.

Three rumors relative to Oahu are heard and speculators can take their choice. One is that a stock dividend is soon to be declared, the second that there is to be a declaration of special dividend and the third is to the effect that the amount of monthly dividend disbursements is to be increased. The last mentioned rumor appears to receive the most credence.

DAIRY LICENSE FOR NEXT YEAR MAY BE REFUSED

Farm Corns is in wrong again. This time it is the city and county physician, Dr. J. T. Wayson, who doesn't like the way he is running some of his business.

Dr. Wayson has written a letter to the mayor and board of supervisors suggesting that they visit Corns' dairy at Wilder avenue and Metcalf street and decide whether or not a license should be issued to him allowing him to conduct his business next year. Dr. Wayson doesn't think so.

His letter will be read at tomorrow night's board meeting and the action of the board decided on.

SELECTION OF CANDIDATES FOR 'POINT' IS MADE

Thirteen Are Named From This Department to Undergo Examinations

Thirteen men from the Hawaiian Department, including first and second-class privates, cooks and corporals, are appointed to day in an order issued by Brig. gen. Robert K. Evans, commanding, to proceed to the Letterman general hospital at San Francisco to take mental and physical examinations with a view to determining their fitness for admission to West Point.

This order is in accord with instructions from the War Department dated May 8 and given to the public through the Star-Bulletin on May 10. As printed in this paper on that date 23 men are to be appointed to West Point from the regular army, and of this number Hawaii is to be allowed 15.

According to today's order the men will leave here on the steamship Sierra tomorrow evening. They will report to the San Francisco hospital on arrival at that port, and on July 16, providing they pass their examinations, will enter the military academy.

Following is the list of men appointed by the commanding general:

First Class Pvt. Frederick W. Smith, Quartermaster Corps; Pvt. First Class Nelson A. T. Hines, Hospital Corps; First Class Privts. Harold J. Dick and Walter Nowak, and Second Class Privts. Anthony Carroll and Edwin S. Brownstone, Company I, 3d Battalion of Engineers; Cook Adnell O. Acors, Troop M, 4th Cavalry; Cpl. Erwin C. Enlow and Privts. Nival M. Riley and Michael Stillman, Battery E, 1st Field Artillery; Pvt. John D. Moore, Company B, 1st Infantry; Cpl. Grant C. Carter, Company H, and Pvt. James A. MacDonald, Company G, 2d Infantry. First class accommodations will be provided, none other being available. The Quartermaster Corps will furnish the necessary transportation and subsistence. The journeys are necessary for the public service.

DYING CHILD IS

(Continued from page one)

is badly hurt and chances of recovery slight.

When the mother was notified of the accident she hired a taxi and hurried frantically to the hospital, where she demanded her baby. According to the superintendent, Janet M. Dewar, they tried to keep the baby but the mother insisted on taking it and there was nothing to do but give it to her. For the third time in less than two hours the baby, hardly able to breathe from his hurts, was bundled up and carried away, this time to the home.

"Into a poor room the suffering lad was carried by his mother and given into the care of sympathetic neighbors who had gathered. Then the mother broke down. She wanted to get a doctor, she said, but didn't know whom to call. Whether she had money to pay one was not known.

"Why did you take the baby away from the hospital," she asked.

"Because they were neglecting it," she moaned. "They weren't doing a thing for it. I could do more at home."

The doctors declare that everything had been done in a medical way for the boy and that it was a matter of waiting, with the odds against the child.

Crying mothers gathered around the little sufferer as he gasped apparently his last short breaths on his little couch. Tears ran from their eyes and brokenly they tried to comfort the raving mother and assure her that Henry would get well. Chinese, Japanese, Hawaiians and other nationalities were in the mourning crowd, some with suckling babies which they fondled and kissed feverishly, thankful that it was not their loved one that had passed under the wheel. Color and nationality was nil, humanity only stirred them, and they were sad for the sorrowing mother.

SLOT MACHINES MAY BEAT LAW, CRISTY HEARS

Slot machines that are said to beat the lottery law are being introduced in Honolulu. A. M. Cristy, deputy city attorney, is not so sure that the law is beaten, but admits that it may take some study to find a way to prosecute the owners of the machines.

The machines are gambling appliances without a doubt," he said this afternoon. "Some way to dispose of them must be found and I am going to do my best to find it."

Three or four machines are said to have been placed in Honolulu stores as a test of the law.

Exports of copper from Atlantic ports for the week ended April 27, totaled 5,581 tons.

MUCH INTEREST SHOWN ON KAUI IN CELEBRATION

Secretary Brown Returns From Trip and Leaves Again Today for Maui

Secretary Raymond C. Brown of the Chamber of Commerce returned this morning from Kauai, having completed the first leg of his trip through the islands in the interest of the Kamehameha Day celebration. He will leave on the second leg of the journey this afternoon and will speak at a meeting tomorrow on Maui.

Interest to a gratifying extent in our Kamehameha Day celebration is being shown by residents of Kauai, said Mr. Brown this morning. Indications are that there will be a large delegation here from that island from June 19 to 24. Expressions of intention to come over for the celebration were made to me numerous. The low excursion rates, the reduced hotel rates and the attractive program and general plans are all proving highly attractive.

Mr. Brown was unable to secure a meeting of the Kauai Chamber of Commerce in the limited time he had at his disposal, as the members are widely scattered. He did, however, secure the postponement of a drill by the National Guard that was to have been held on June 11, and thus an opportunity comes to officers and men to make the trip here.

Mr. Brown stated that he would leave on the Claudine for Maui and that arrangements had been made for a meeting of the Maui Chamber of Commerce to be held tomorrow, so that he can talk celebration and excursion to the businessmen of that island.

If interest equal to that which is now to be found on Kauai can be aroused in all parts of the territory, Mr. Brown is confident of the entire success of the efforts of the retail trades board to bring a record crowd for the celebration.

ARMORY DANCES ARE TO BE HELD EACH SATURDAY

So successful have the benefit dances at the National Guard armory become as demonstrated on Saturday night when 400 people attended the mask ball there, that it has been decided to make them weekly occurrences. From now on a dance will be held every Saturday night until further notice.

Costumes will be kept at the armory for such persons as are unable to provide themselves with them before coming. Much comment has been heard today regarding the splendid music furnished on Saturday night by the 1st Infantry band, N. G. H. This band will probably play again on Saturday night.

FILIPINO INDEPENDENCE IS DEBATED WARMLY

Members of the Filipino Citizens Club held their weekly meeting at Palama Settlement on Saturday evening. Paul Steel addressed the members, and then followed a debate. "Resolved, That Filipinos should have independence in four years." Members debated, but there was no decision rendered, and the arguments waxed warm at times.

ARRANGEMENTS FOR WEST POINT DINNER OUTLINED

West Point representatives of the various army posts met at the Alexander Young hotel on Saturday for luncheon, at which time arrangements were made for an annual dinner to be given by graduates of the United States Military Academy at the Moana hotel on June 17, providing the examining officers have completed their work by that time.

There are about 125 graduates of West Point on Oahu, and for some time the alumni have planned for a get-together meeting. The following officers have been named to represent the various regiments: 1st Lieut. John D. Burnett of the 1st Infantry, 1st Lieut. Benjamin F. McCellan of the 2d Infantry, 1st Lieut. Robert H. Harbord of the 25th Infantry, 1st Lieut. Jerome G. Pillow of the 4th Cavalry, 1st Lieut. George Z. Van Deusen of the Coast Artillery, Capt. Chas. G. Mettler, Ordnance Department, and Capt. Peigham D. Glassford of the 1st Field Artillery.

ATTORNEY CARL S. CARL SMITH arrived from Hawaii Saturday on the Manna Kea.

FORMER POSTMASTER ARTHUR WAAL of Lahaina, Maui, is a Honolulu visitor. He expects to remain some time.
