More Than Half of Transactions on Busy Day Are of This One Stock

Again today Oahu and Oiaa were the strongest features in the sugar stock market. Both of them were in much demand and easily led the market in strength. Waiialua continued to be rather freely offered and it was said that some smaller stockholders were worried at the institution of the suit that was filed against the company Wednesday and were selling. In commenting upon this a prominent broker used the expression "needlessly frightened by the institution of a friendly suit."

Further advances have been scored by Mineral Products, which was quoted early in the morning at \$1.07 1/2. Relative to this property, C. G. Bockus stated to the Star-Bulletin that early next week he would have a statement on what he learned of the property upon his recent visit to the mainland.

In transactions amounting to more than half of the day's business in shares traded in, Oiaa advanced to \$22. Waiialua recovered from yesterday's weakness and sold up to \$37. Oahu rose to \$41.75 and Onomea advanced a quarter. McBryde sagged off an eighth, but recovered and closed at yesterday's best price.

Sales for the day totaled 11,383 shares.

It was announced today that the session of the exchange tomorrow will be held at 10 o'clock instead of 10:30, so that members may attend the opening of the Oahu Sugar Company's tunnel project.

IF YOU SUFFER FROM BACKACHE, LUMBAGO, KIDNEYS OR RHEUMATISM, TAKE HOT WATER AND 'ANURIC'

American men and women must guard constantly against kidney trouble, because we eat too much and all our food is rich. Our blood is filled with uric acid which the kidneys strive to filter out, they weaken from overwork, become sluggish; the eliminative tissues clog and the result is kidney trouble, bladder weakness and a general decline in health.

When your kidneys feel like lumps of lead when your back hurts or the urine is cloudy, full of sediment, or you are obliged to seek relief two or three times during the night, when you suffer with sick headache or dizzy, nervous spells, acid stomach, or you have rheumatism when the weather is bad, get from your druggist—"ANURIC." Because of uric acid in overabundance in the system, backache, pains here and there, rheumatism, gout, gravel, neuralgia and sciatica result. It was Dr. Pierce who discovered a new agent, called "Anuric," which will throw out and eradicate this uric acid from the system. Dr. Pierce believes "Anuric" to be 37 times more potent than lithia, and consequently you need no longer fear muscular or articular rheumatism or gout, or many other diseases which are dependent on an accumulation of uric acid within the body. Send Dr. Pierce, Invalids' Hotel, Buffalo, N. Y., 10c for trial package or \$1.00 for full treatment "Anuric."

Dr. Pierce's reputation is back of this medicine and you know that his "Pleasant Pellets" for the liver and his "Favorite Prescription" for the pills of women have had a splendid reputation for the past 50 years.—Adv.
