ained and the indictment containing nine counts was quashed.

Judge Morrow stated that in his opinion the indictment did not set forth an offense against the United States.

"I have only this to say, the decision rendered by Judge Morrow this morning is what I have anticipated for some months. In fact, if Judge Clemens had not prevented me from going before the grand jury after I had been promised this opportunity by Judge Vaughan and Mr. Hertsche, the foreman, there would have been no necessity for the bringing of a judge to Honolulu, Davis said today.

RUMORS OF NEW HOTEL ARE RIFE BUT UNVERIFIED

Mustace Villa is to Close and Reports Say Hostelery Will Be Built

Hustace Villa at Waikiki is to close July 1. The reason is rather obscure. Asked this morning if a rumor to the effect that he had sold his property to the Territorial Hotel Company was true, Frank Hustace replied in the negative. Questioned as to his motive for closing the hotel he said, "Well, we got tired of it." Then he explained that he and his wife had leased the property for some months back and had no hand in running it. He said there "might be" some negotiations for the sale of the property but declined to name a date for their conclusion, or state who was contemplating buying the property.

A. A. Young, president of the Territorial Hotel Company, said when questioned that Hustace had offered to sell the beach property to the hotel company some five or six weeks ago but his figure was not met. "We might have bought it in order to retain control of the site, not to build on it," he said. "If he will come down we still might buy it. There are no negotiations on, though. We disposed of his offer several weeks ago."

A Star-Bulletin reporter ran into a rumor that the Pleasanton Hotel Company intended to purchase the property. E. G. Dunsenberger denied this and said that he did not even know that it was for sale.

Mr. Young commented that it might be inconvenient for any other hotel company buying the property as a large strip of it on the Ewa side not now in use is under long term lease to the Territorial Hotel Company.

JUDGEMENT DAY TERMED AT HAND

The "Peace Palace" was well filled last night as Evangelist McCord delivered the important subject of the evening, entitled "On Trial." He said in part:

"In the history of the church as in the history of nations, we meet with many critical hours. It was a solemn hour for the church in Egypt when the destroying angel passed over the land. Again at the Red Sea the fate of God's people trembled in the balance.

"The church today is passing through another crisis—the solemn hour of judgment. The record of God's people is now being investigated by the heavenly tribunal. The judgment is set and the books have been opened. The Judge has taken His place on the throne, the angel witnesses are in attendance and Jesus is pleading the cases committed to His care. The people of God are now on trial for their lives and the universe is awaiting the verdict. See 1st Pet., 4:17-18.

No meeting will be held at the "Peace Palace" tonight, but the subject for Tuesday night will be "Divine Healing, True and False."

The final accounts of the Treat Trust Company, executor of the estate of the late Sarah Davis, have been approved by Circuit Judge Whitney and the executor discharged.

MRS. R. R. ELGIN NAMED HUMANE SOCIETY AGENT

Miss Lucy Ward's Place Filled at June Meeting, Held One Week Early

The regular June meeting of the Hawaiian Humane Society was held today, one week earlier, on account of the president leaving for New York in the Matsutani Wednesday.

The resignation of Miss Lucy Ward as humane agent, which was tendered some time ago, was accepted with regret and a vote of appreciation of her valuable services taken, making her an honorary humane agent. Mrs. R. R. Elgin, who has been acting agent, was regularly appointed agent and Horace N. Craobe, who has been in the employ of this society for the past month, was made assistant agent.

The agent's report for the month of May is as follows:

Animal cases, 274; children's cases, 17.

Letters were read from the other islands, asking that the work be extended, which organization the society hopes to perfect in the near future.

The financial report showed a substantial increase, which is very encouraging to those who give of their time and energy to humane work.

There will be no meetings during July and August but the regular work will continue as usual.

DEMOCRATS OFF FOR ST. LOUIS AND BIG FIGHT

High Sheriff William P. Jarrett will sail on the Matsutani Wednesday, en route to the Democratic national convention in St. Louis. He will go prepared to back his claims to the national committee's position for Hawaii as against "Johnny" Wilson.

On the Matsutani also will sail L. L. McCandless, M. C. Pacheco and Jesse Uluhi, delegates from Oahu; Morris Keokakole, adjudged to be delegate from Maui, and perhaps Ollie Shipman, delegate from Hawaii; Dr. J. H. Raymond, contesting for the Maui position; Iola Kaikahi and Judge T. B. Stuart, alternates from Oahu; National Committeeman Wilson and John Effinger. The latter is not booked for the St. Louis trip, but his friends say they expect to see him show up there.

The fight over the contested delegation and national committee membership promises to be a warm one.

MEMORIAL DAY EXERCISES AT PUNAHOU PREP.

Memorial Day was observed with appropriate patriotic exercises at the Punahou preparatory school this morning. The school decorations consisted of flowers raised by the pupils themselves to decorate the soldiers' graves. At the chapel exercises, after the singing of the "Battle Hymn of the Republic" and the salute to the flag, boys of the Signal Corps, 2nd Battalion, gave an exhibition of signaling in the course of which they sent messages of aloha to the Grand Army of the Republic.

The Signal Corps is in charge of Charles Cassidy, who was assisted by Charles Chillingworth, Preston Chapin and Charles Van Way. Comrade C. H. Dickey of the local post then gave a thrilling description of his personal experiences in the battle of Shiloh, and of the thrilling events immediately preceding and following that battle.

His talk also dwelt on the larger significance of Memorial Day as it is now observed, and as he considers it will be observed in the future.

Other stories of the war and the intimate views of President Lincoln, Gen. Grant and Gen. Sherman were given by Mr. Dickey; and at the conclusion of his stirring talk he was loudly applauded, all the audience rising to do honor to a member of the G. A. R.

KAMEHAMEHA SCHOOLS CONCERT IS SUCCESS

A brilliant success was achieved by the students of the three departments of the Kamehameha schools last Saturday evening in a concert presented on the lawn in front of the girls' school. Several hundred persons attended the concert, the proceeds of which will be devoted to the fund of the athletic association. The students, already famous for their musical ability, were in excellent form, due to careful training by George A. Andrus, Miss Gertrude M. Knowles and Miss Frances Lemon. Among the numbers rendered were "The Soldier's Chorus," from "Faust," and "The Rosary."

Twelve girls participated in a dainty ballet from "The Garden of Japan." Comedy was introduced by Messrs. Kane, Crabbe, Delanux and Smythe in a pleasing skit entitled "Four Pirates from the South Seas." Miss Edith C. Gaffield's piano solos were rendered in her usual good style.

Senator Coke is said to be preparing to represent Dr. J. H. Raymond as attorney and to have collected some fees in advance from other Democrats. As published by the Star-Bulletin Saturday, the public utilities commission has cabled Coke that if he goes to St. Louis as an attorney doing politics his salary as the commission's attorney will be suspended.

DODGE BROTHERS ROADSTER

An extraordinary number of owners have little or no occasion to call on the dealer for service.

It is becoming clear that with a little care and a trifling expenditure a car built as Dodge Brothers car is built can maintain itself for an indefinite period.

The gasoline consumption is unusually low.

The tire mileage is unusually high.

The price of the Touring Car or Roadster complete is \$785 (f. o. b. Detroit).

ROSCOE FAILS TO TESTIFY IN HEARING TODAY

The Tsuniguchi-Roscoe case was continued in police court this morning and postponed at noon to 10:30 Wednesday morning.

Tsuniguchi was cross-examined by defense for Roscoe and told practically the same story as last week on direct examination by the prosecution.

Deputy Sheriff Julius W. Aesch told on the stand this morning that E. W. Roscoe was a special peace officer at the time of Tsuniguchi's alleged assault.

Tsuniguchi's wounds about the face and head could probably not have been caused by the fist and probably did result from a blow from a blunt instrument, especially the one on the cheek, according to testimony given by Police Surgeon Dr. R. J. Ager.
