HAWAII SCHOOL PUPILS TO HAVE SAVING SYSTEM

First National Bank of Hilo
Gets Permission of Com-
mission to Start It

School children on the island of Ha-
waii will be introduced to a brand
new study during the 1916-17 school
year. It will be "Thrift."

The territorial school commission,
at the final session of its annual meet-
ing yesterday afternoon, indorsed a
proposition by the First National
bank yesterday afternoon, indorsed a
school savings system throughout the
public schools on Hawaii.

The following letter from the cas-
hier of the bank explains the system:
"The idea is to supply the teachers
with stamps of different denomina-
tions, they, in turn, will sell these
stamps to the scholars in amounts
from 5 cents up; the purchaser will
attach the stamps to a manila card,
and when they amount to \$1 they will
bring the card to the bank and open
an interest-bearing savings account.

There is no doubt that you are
well acquainted with this system and
it is needless for us to explain the
same in detail. We are now operating
in some of the Japanese private
schools and it seems to be meeting
with success and receiving encourage-
ment from teachers and parents.

"It is needless to say that we are
not asking for any monopoly in this
line; other banks, if they want to,
should have the same right as we
have. We believe that this will be a
splendid opportunity to teach thrift
to the children and give them some idea
of the value of a dollar. We might
further state that there is nothing
compulsory about this. It will be pur-
ely voluntary on the part of the teach-
ers and scholars."

According to Superintendent Kin-
ney, this is the first time that the
school savings bank system has been
introduced in the public schools of
the territory.

SAD RITES FOR MRS. HAUGHS ARE OBSERVED TODAY

Mrs. David M. Haughs, who has
been ill for the past three months,
passed away yesterday afternoon at
her residence, 1445 Young street.

Mrs. Haughs was born in Glasgow,
Scotland, on the first of June, 1877,
and came to the islands with her par-
ents in 1897. She was married to Mr.
David M. Haughs in February, 1902,
and has resided in Honolulu through-
out her married life. She is survived,
in addition to her husband, by a daugh-
ter, aged six years and four months,
and her father, Dr. T. McMillan, who
was formerly surgeon to the Hutchin-
son Plantation Company and govern-
ment physician for West Kau, Hawaii,
retiring from practise some half dozen
years ago.

The funeral services, which will be
held at 3:30 p. m. this afternoon, are
to be conducted by the Rev. Dr. Scud-
der.

The following are to be the pall
bearers: Messrs. C. S. Judd, E. M.
Ehrhorn, W. R. Farrington, Malcolm
Macintyre, W. Hill and John Hill.

A resolution indorsing Theodore
Roosevelt for the next President of
the United States was adopted at the
quadrennial conference of the African
Methodist Episcopal church at Phila-
delphia.

PUUNUI OUTLET PLAN WILL HAVE ITS OPPONENTS

Both Country Club and George
Sherman Have Objections
to Circle Drive

Active opposition to the Circle Drive
plan for an outlet for Puunui of the
City Planning Commission is prom-
ised by E. W. Sutton, attorney for
George Sherman, and is expected from
the Country Club. This was learned
in interviews with Sutton and J. D.
McInerney, a director of the club, this
morning.

"Of course, Mr. Sherman will op-
pose it," said Sutton, when questioned.
"He has no need for the road. The
Puunui people have had plenty of op-
portunities to put their road through
lower down in a position that would
serve the district as well but have
chosen to stick to this Circle Drive
plan."

Asked if opposition meant that he
would take the matter into the courts,
Sutton replied, "Just say he is going
to oppose it." That means, it is un-
derstood, that he will take it to the
courts if necessary, of course.

J. D. McInerney said that as there
had been no meeting of the directors
of the club on the question he could
only speak for himself. "I feel that
it is unjust to ask the club to give
up a portion of its property and then
tax it for improvements on both sides
of the proposed road," he asserted.
"If the plan goes through it means
that the Country Club will have to
pay an improvement tax of about
\$7000 for a road that it neither wants
nor has any use for. Not only that,
but any improvements the property
owners in the district want in the
future will have to be paid for in part
by the club."

"The segregation of that part of the
golf links containing the sixteenth
hole is of minor importance really
when the tax the club will have to
pay for something it does not want
is considered."

McInerney stated that he believed
the club would oppose the construc-
tion of the proposed road, and said,
as Mr. Sutton had, that that meant
a court fight in all probability.

"Be sure and say that I am not
criticizing the planning commission,"
he explained as the Star-Bulletin re-
porter went out the door. "It un-
doubtedly acted as it thought best.
But what it thinks best is not, in my
opinion, best for the Country Club."

George Sherman is on the mainland
and is not expected to return for sev-
eral months. The proposed road runs
on the boundary of his property and
would cost him a large sum in im-
provement taxes.
