Player and Straight Upright PIANOS

An unparalleled 2 weeks
OPPORTUNITY

will be in progress every business day until Saturday, June 17th.

Two Successful Opening Days, sold 4 Pianos 15 left at \$60.00 up.

On the average of twice each year we hold these sales to clear our ware-rooms of the used Pianos which we have taken in part payment for our regular lines.

We must make room for the new Pianos which are already en route.

This sale is being announced at this particular time in order to give out-of-town folks an equal opportunity with local people to get the advantage of these very special values.

Every instrument included in this important sale has been put in the very best condition in every way—cases re-polished and finished where necessary, the Pianos tuned and voiced so as to be equal almost to brand new instruments.

Our prices are calculated to accomplish the clearance of our ware-rooms within the 2-week period.
