## OLD SCHOOL IS DEAD, MILITARY ACADEMY BORN

### Graduation of Eleven Cadets Marks End of Old Institution and Advent of New

Eleven cadets of the Honolulu Military Academy, formerly known as the Honolulu School for Boys, were presented with diplomas by Hon. Sanford Ballard Dole, former U. S. judge, at commencement exercises at the school yesterday afternoon. This marked the close of the present year. The exercises were attended by a large number of relatives and friends of the students and friends of the institution. The speaker of the occasion was Rev. John P. Erdman, who talked to the students of the work which lies before them in the years to come, and explained the difference between "education" and "instruction." Several selections were rendered by the Hawaiian band and the school glee club. As the keynote of his talk, Capt. Leopold G. Blackman, commandant, declared that the Honolulu School for Boys is dead, and that in its place has arisen a bigger and a better institution—the Honolulu Military Academy. He continued, in part: "As a new institution the Honolulu Military Academy is in a more favorable position than some institutions with a more venerable past. The very fact of its recent origin allows an opportunity for its governing body to lay down principles and standards, and to create and foster a public opinion in the institution in a way which would be difficult if it were hampered by tradition, perhaps opposed to the best ideals of the present day. "The most urgent need of the institution, however, is of a chapel sufficiently large to accommodate all the members of the school. This should be of stone and should be the dominating building of the school, in order to typify the place which Christian education and principles have in our school life. "In order to meet this need an endowment committee has been appointed by the trustees in order to secure a fund which may supplement the income already referred to. The revenue derived from the endowment fund, when such is secured, will be devoted largely to two purposes, the establishment of scholarships and the increasing both of the number of the members of the faculty and also of their stipends. "So far as the increasing the number of the faculty is concerned, the institution is in immediate and urgent need of securing the services of an experienced and competent vice-principal of much detail which at present he is unable to adequately perform. "The program was concluded with an exhibition drill by the cadets and the serving of refreshments. Those who received diplomas were Capt. Widemann, Lieut. Seales, Corporal Clinton and Breckenridge, Privates Beers, Bruns, Thome, Major Payne, Bottomley and Campbell.

## T. K. K. CAPTAIN PUT ABOARD S. S. SIBERIA

(Special Marconigram to Nippon Jiji.) SAN FRANCISCO, Cal., June 16.—S. Tago, former captain of the Tenyo Maru and now freight department manager in the local branch of the T. K. K. line, took command of the former Pacific Mail liner Siberia, recently purchased by the T. K. K. line, in New York yesterday. Acting as temporary captain will bring the steamer to San Francisco, via the Panama canal, and should reach this city early in July. As soon as the Siberia arrives here she will load for Oriental ports, via Honolulu, and S. Hashimoto, former captain of the Nippon Maru, will take command of her.

## SURGEON MAYO HEADS MEDICAL ASSOCIATION

(Associated Press by Federal Wireles.) DETROIT, Mich., June 16.—Dr. Charles Mayo of Rochester, Minn., one of the two famous surgeon brothers, yesterday was elected president of the American Medical Association, which is holding its annual convention here.

## A FAMOUS PHYSICIAN'S WONDERFUL DISCOVERY

After a series of careful experiments and tests at the Invalids' Hotel and Surgical Institute, Buffalo, N. Y., covering many years—Dr. Pierce, the medical director of that hospital, made an announcement that he could prove that a medicine which he called "ANURIC" to be the best uric acid solvent now to be had. As a remedy for those easily recognized symptoms of inflammation—such as scalding urine, backache and frequent urination, as well as sediment in the urine, or if uric acid in the blood has caused rheumatism, lumbago, sciatica, gout, it is simply wonderful how quickly "Anuric" acts; causing the pains and stiffness rapidly to disappear. Swollen hands, ankles, feet are due to a dropsical condition, often caused by disordered kidneys. Naturally when the kidneys are deranged the

## FORBES WRITES OF SCHEME FOR NATIVE VILLAGE

### Suggesting a joint meeting of the Promotion Committee, the City Planning Commission, the Outdoor Circle, the Commissioner of Public Lands and himself, Superintendent of Public Works Charles R. Forbes has written to the Promotion Committee with proposals for the establishment of a Hawaiian village on Ala Moana road along a line described in the Star-Bulletin some time since.

His recommendation for carrying out the plan includes the following points: "Clean up that portion of the road which has been used as a dump. Application to have this work done should be made to the City and County government. "Plant both sides of the road with palms for a distance of one and one-half miles from the county incinerator. This is work in which the Outdoor Circle should take especial interest. "Seek an appropriation from the legislature, when it convenes in the coming session, for a road to extend from the incinerator to the boundary of the United States reservation at Fort De Russy. "Seek an appropriation from the legislature for the construction of a fisherman's harbor adjacent to the Hawaiian village. A channel 50 feet wide and 10 feet deep could be dredged for approximately 50 cents a cubic yard from deep water to a small concrete pier, which would be built from the proceeds of the appropriation. The spoil from the dredger would supply the cheapest material available for the construction of the road. A coral road, properly built, would endure for many years under the traffic it would be subject to in this particular location. "I cannot omit saying a word about the native Hawaiians. They are a most interesting people. Their history reveals patience and forbearance, on many occasions truly remarkable; but what has struck me as most interesting is their progress to constitutional government. "They had published laws in 1829 against murder, theft, gambling and drunkenness and also the subject of marriage and the observance of the Sabbath. There was a declaration of rights in 1839, in which protection was assured to life and property, and it was provided that nothing whatever should be taken from any individual except by express provision of law. In 1840 the people were given a constitutional form of government in which civil and religious liberty were guaranteed to them. This was ten years before we had a constitution in California. "You have the interest and good will of 100,000 millions of people who believe in the highest principles of self-government and who will insist upon the constitutional guarantee here as well as elsewhere. "But your position here at the crossroads of the Pacific calls for patient investigation and wise statesmanship. In all this you gentlemen of the bar have very important duties to perform, and I am sure you will discharge those duties faithfully and well. "In conclusion let me thank you for the compliment of this assemblage. It is an occasion I shall not forget. I shall always cherish it as one of the brightest experiences I have had in all my service on the bench. "The first toast of the evening, "The President of the United States," was proposed by Frank E. Thompson, chairman of the dinner committee, who acted as toastmaster. It was observed standing. A short address of welcome was delivered by Former Governor Walter F. Frear, following which David L. Withington toasted the "Bar of the Ninth Circuit Court." Speaking in behalf of the federal court officials, S. C. Huber, U. S. attorney for Hawaii, stated that it is not always their fault if they seem stern, as it is due to the tremendous pressure of the United States government behind them. Judge Charles F. Clemons spoke on "The Making of American Citizens." Providing he can secure accommodations, Judge Morrow will leave for the mainland in the Matsonia June 23, accompanied by Mrs. Morrow and Lynne Kelly, his secretary.

## PUUNUI REPLIES TO DIRECTOR'S LETTER TO CLUB

The Puunui Improvement Club is sending to the members of the Country Club a letter answering paragraph by paragraph the communication addressed to the members by the board of directors of the club giving their reasons for opposition to the plan to put Circle Drive through as a mauka outlet to Puunui. It is a lengthy document, quoting each of the 18 paragraphs of the directors' letter and then replying to each of them. It ends by recounting the efforts made by the City Planning Commission to arrive at a fair solution of the Puunui problem, citing that despite the fact that the members of the commission are members of the club, or wives of members, they decided on Circle Drive, and asks if it is not the duty of both the Country Club and the Improvement Club to accept the decision of the commission.

## HINDOO POET BOOKS LECTURE TOUR IN EAST

(Special Cable to Nippon Jiji.) SAN FRANCISCO, Cal., June 16.—Universities throughout the eastern states will hear the Hindoo poet Tagore lecture this fall. The poet is now visiting in Japan, where he has been feted and welcomed widely, and has delivered many lectures. He is the honor guest at an elaborate dinner given by the Japanese premier, Count Okuma, last week. Eastern universities have invited him to address their student bodies and Tagore has accepted. He will deliver one lecture in each of several universities, his subject being the Eastern philosophy. He is to receive \$15,000 for his lectures. The only completed railroad in Ecuador is that between Guayaquil and Quito. A branch of this road, to extend 190 miles from Curury to Ambato, is now under construction.

## JUDGE MORROW PROVES BOOSTER FOR HAWAII

### Tells Bar Association He Will Urge Friends to Come and "See for Themselves"

"When I return to San Francisco I shall only be able to avoid displaying to my associates my superior knowledge of matters and things Hawaiian by recommending that they come and see and know for themselves, which I shall surely do. "Thus spoke Hon. William W. Morrow, judge of the court of appeals of the ninth circuit, in an address delivered at a dinner in his honor at the Alexander Young hotel last night by the Bar Association of Hawaii. The dinner was attended by about 45 members of the local bar. "I have certainly been well repaid for my visit, and I know they will be; and besides, it will bring the appellate court into closer relation with the courts and members of the bar of the territory, and this I consider desirable; it will be beneficial to all concerned," he continued. "It will aid us in acquiring a better understanding of conditions prevailing here and help you in having your affairs better understood. "I cannot omit saying a word about the native Hawaiians. They are a most interesting people. Their history reveals patience and forbearance, on many occasions truly remarkable; but what has struck me as most interesting is their progress to constitutional government. "They had published laws in 1829 against murder, theft, gambling and drunkenness and also the subject of marriage and the observance of the Sabbath. ## WASHINGTON VISITOR PRAISES HAWAII AS "MOST DELIGHTFUL"

Prof. A. S. Hitchcock, systematic agrostologist, or "grass expert," in more common English, is the latest to succumb to the charms of Hawaii. He arrived on the transport Tuesday. By Wednesday afternoon he had announced his complete surrender. "It is the most delightful country I have ever visited," he declared. "Its climate, its topography—everything has a fascination that cannot be resisted. "Prof. Hitchcock has lived in many tropical or near-tropical countries, but asserts that Hawaii, as he has seen it, "has got them all skinned." "Bermuda, Cuba, Trinidad, all are boomed so hard throughout the length and breadth of the United States that they have come to be accepted as the most delightful place on earth," he said. "But they can't touch Hawaii. "It is so wonderfully cool and pleasant here," he concluded. "It was pretty hot when I left Washington two weeks ago and it is a tremendous relief to find it cool here. I expected it would be frightfully hot. "When you use our advertising columns you are not only certain of entering every worthwhile home in Hawaii, but you are certain of having your 'store news' read and acted upon.—THE AD MAN.

## FATHER OF GROOM PERFORMS CEREMONY

Francis Cooke Soares and Miss Olga Tranaquada, daughter of Mr. and Mrs. Felix R. Tranaquada, were married last night in the Portuguese Evangelical church by Rev. A. V. Soares, father of the groom. Many friends and relatives attended. Francis Clark Soares, a cousin, was groomsmen and Miss Roseline Gilliland bridesmaid. A wedding supper was served at the home of Rev. and Mrs. Soares in Kinau lane. The couple will spend their honeymoon at Pearl Harbor, where the groom is connected with the United States naval station. They will live here in a new cottage near Rev. Mr. Soares' home.

## PET MONKEY ESCAPES AND HAS JOLLY TIME

"Monkey shines" ran riot yesterday afternoon from the time Stella escaped from her cage in Chester A. Doyle's home in Young street until she was caught in a pillow case by a youthful hunter who climbed a tree for his prize. Stella is a pet monkey who seldom has a chance to run amuck and enjoys it to her heart's content when she does. It is said that a private residence and a Japanese temple were two of the places slightly mused up by Stella's pilgrimage. Bridgeport and several individual consignees throughout the New Haven territory have been placed under a freight embargo by the New Haven railroad.

## FINE BUILDING DESIGNED FOR VOLCANO ASSN.

### To provide a safety vault and exhibition hall for specimens, plans and photographs, also a station for visiting scientists, a \$12,000 building will be erected on the Volcano Observatory site at Kilauea as soon as money can be subscribed.

Plans for the concrete, fire-proof structure and about \$3500 in metal furnishings all suggested by Professor Thomas A. Jaggar, Jr., were presented to the Hawaiian Volcano Research Association yesterday afternoon and accepted. A committee selected to have charge of all arrangements is as follows: Robert W. Shingle, chairman; John R. Galt, L. Tenney Peck, Charles R. Forbes and John T. Warren. There were also present at the meeting Prof. Thomas A. Jaggar, Jr., director of the Volcano Observatory, and Lorrin A. Thurston, the latter being president of the association.

## STREET CARS TO PASS FORT AND RUN TO MOANALUA

Street cars are to run to Fort Shafter and to Moanalua hill. Tracks of the Rapid Transit Company are to be extended 1500 feet Ewa on King street. This was determined at a meeting of the directors yesterday afternoon and as soon as the necessary permission can be secured from the superintendent of public works construction will start. It will not be necessary to wait for materials, as the company has much light equipment intended for the Pearl Harbor extension on hand. The extension was authorized by the directors at the suggestion of the public utilities commission. Clinton G. Ballentyne, manager of the company, stated at the meeting yesterday that another car would have to be put on the line because of the increased time necessary to make the run in order to maintain the present schedule, and that it would cost about \$500 a month.

## KOREAN GIRLS' SCHOOL CLOSING

Closing its useful work for the year, the Korean girls' school in Puunui will hold exercises this evening, beginning at 7:30. Friends of the school who may wish to attend are welcome, but the roads are in bad condition, Dr. Syngman Rhee stated today, so that none are urged to attend. There are 57 girls in the dormitory and the program will include songs, physical exercises and drills and a play in Korean will appeal particularly to the Korean colony. The music is in charge of Mrs. Paul MacCaughy. Dr. Syngman Rhee will preside. E. W. FIEGE, M. D., D. C., is a member of the Department of Health and Medical Examiners of South Dakota. He recommends Chiropractic. Call and see his letter. F. C. MIGHTON, D. C., 304 Boston Bldg. Over Henry May's

## BRITISH MINISTER TO PEKING IS RECALLED

(Special Cable to Hawaii Shipco.) TOKIO, Japan, June 16.—The Rt. Hon. Sir J. N. Jordan, British minister to Peking, has been recalled by his government, according to despatches received here last night from China. Seven hundred tons of Scotch whisky, estimated to be the makings of 24,384,000 highballs, were recently brought to New York on the Anchor liner Tuscania.

## A Hint to Mothers of Growing Children

A Mild Laxative at Regular Intervals Will Prevent Constipation. A vital point upon which all schools of medicine seem to agree is that normal regularity of the bowels is an essential to good health. The importance of this is impressed particularly on mothers of growing children. A very valuable remedy that should be kept in every home for use on occasion arises is Dr. Caldwell's Syrup Pepsin, a compound of simple laxative herbs that has been prescribed by Dr. W. B. Caldwell of Monticello, Ill., for more than twenty-five years, and which can now be obtained in any well stocked drug store for fifty cents a bottle. In a recent letter to Dr. Caldwell, Mrs. H. C. Turner, 844 Main St., Buffalo, N. Y., says, "I bought a bottle of Dr. Caldwell's Syrup Pepsin for my baby, Roland Lee Turner, and find it works just like you said it would. It is fine for the stomach and bowels." A bottle of Dr. Caldwell's Syrup Pepsin should be in every home. A trial bottle, free of charge, can be obtained by writing to Dr. W. B. Caldwell, 454 Washington St., Monticello, Ill., or by calling at Benson, Smith & Co., wholesale distributors, Honolulu. —Adv.

## BRITISH CLUB MEETS TONIGHT FOR HI-JINKS

### A splendid program has been arranged by the British Association Club for its entertainment tonight, Friday, 16th inst., at 7:30 p. m., announced as follows:

"The famous chimpanzee will be there, singing 'Hello, Girlie,' while playing his own accompaniment on the piano. "Neil Slattery and A. J. Burnie will sing patriotic airs. "Hutton, the famous entertainer, will give one of his wonderful numbers. "A. E. Tinker has arranged to have several numbers by a Hawaiian steel guitar quartet. "Reynolds Denniston will introduce for the first time in Honolulu a song of his own composition, sung with great success in Australia. "The Delroys will delight the audience with their famous jugglery. "Oscar Hyatt, Honolulu's well known musician, will perform on the piano. The entertainment is a house warming to introduce the members to the club's new commodious quarters, Love building, 1140 Fort street. A large attendance of members is expected.

## SLAV DESTROYERS WIPE OUT TEUTON MERCHANT FLEET

STOCKHOLM, Sweden, June 16.—Authentic reports from Baltic Sea ports show that only two of the thirteen German merchantmen, which were being conveyed by the auxiliary cruiser Koenig von Sachsen, when attacked by a flotilla of Russian torpedo boats, managed to escape and find refuge in Swedish ports. The fate of the others is not definitely known, but it is believed that most of them were captured or sunk.

## TURKS CLAIM BRITISH LOSE AT KUT-EL-AMARA

CONSTANTINOPLE, Turkey, June 16.—According to despatches from Bagdad and Kut-el-Amara, a large body of British troops has been defeated and driven back by the assaults of a Turkish column. The engagement was on the right bank of the Tigris, south of Kut-el-Amara.

## ELABORATE CEREMONIES TO MARK NOMINATION OF JAPAN'S HEIR APPARENT

(Special Cable to Nippon Jiji.) TOKIO, Japan, June 16.—The ceremony of the formal nomination of the heir apparent to the throne of Japan will be held on October 31 in Tokio, according to the official announcement made here last night. Committees to make the necessary preparations were appointed yesterday, and estimates of the cost of the ceremonies will be made at once. The ceremony is one of the greatest, next to the coronation itself, in the minds of the Japanese people and it is expected that it will be a most imposing one. Crown Prince Hirohito is 16 years old, and a lieutenant in the army, and sub-lieutenant in the navy.

## CHINESE REVOLUTIONARY LEADER SEES PEACE IN SIGHT FOR REPUBLIC

(Special Cable to Hawaii Hoehi.) TOKIO, Japan, June 16.—Wong Hing, one of the leaders in the revolution against Yuan Shih-Kai, will leave this city, where he has been staying since his arrival in Japan from the United States, for Shanghai, where he will begin working for the reestablishment of the new cabinet. He believes that peace between the northern and southern sections of China can now be brought about with no great difficulty, should the new cabinet prove acceptable to both sides.

## BOMB EXPLODES IN MAIL SACK; FAILS OF PURPOSE

(Associated Press by Federal Wireles.) BUTTE, Mont., June 16.—A bomb, containing a heavy charge of some high explosive, exploded in the mail sack in which it was being carried, damaging the mail car and destroying a quantity of mail, but failing to injure any of the clerks at work in the car. The bomb is believed to have been wrapped in a parcel addressed to Governor Spry of Utah.

## SIX ARE DEAD THROUGH WRECK OF COASTER BEAR

### Strenuous Work of Rescuers Reduces List of Fatalities to a Minimum

(Associated Press by Federal Wireles.) SAN FRANCISCO, Cal., June 16.—After a day and a night of uncertainty and anxiety, friends and relatives of the passengers and crew of the coastwise steamer Bear, which went ashore on the rocks south of Eureka Wednesday, were relieved to learn late last night that all but six of the 210 persons on board the vessel when she struck have been saved. There are five known dead, including two women, and one is missing who is believed to have perished.

## IN WAR ARENA

PETROGRAD REPORTS AUSTRIANS EVACUATE CZERNOWITZ LONDON, Eng., June 16.—The despatches from Petrograd were made public by the semi-official Petrograd News Agency, as having been received from the front in the Bukovina via Bucharest. They asserted that after heavy fighting the Austrians had evacuated Czernowitz, moving their army westward. Upon the Verdun sector, the French yesterday afternoon launched a counter attack against the Teutonic positions on the southern slopes of the famous Le Mort Homme. The attack was a surprise and according to the French official communique issued last night was successful, in that the Gallic troops ousted the Teutons from several trenches which they had taken some days ago.

## MEXICAN EDITOR CROSSES LINE AT POINT OF GUN

### Incensed Citizens of Laredo Resent Criticisms, and Take Law in Own Hands

(Associated Press by Federal Wireles.) LAREDO, Texas, June 15.—A crowd of American business men of this city last night took Lab Walker, former editor of the Mexican paper El Progreso, out of his quarters and at the point of a pistol forced him to walk over the border into Mexico. He was warned that if he returned he would be killed. His paper recently bitterly abused the government of the United States and aroused intense racial feeling in Laredo. It was determined to put a stop to this sort of thing at once, and the posse was called together and acted immediately.
