THEATRICAL OFFERINGS

BLANCHE SWEET MAKING FRIENDS

Numerous requests are being received by the management of the Liberty theater for special selections on the new pipe organ and the announcement is made that an effort will be put forth to comply with each and every request as rapidly as possible. It will take some time to fill all of the orders on hand at the present time, however, and the patience of those who enjoy this wonderful music is asked by the management and organist.

Blanche Sweet, who appears at the Liberty for the first half of the week in "The Ragamuffin," is adding new friends to her already enviable list. Miss Sweet is probably the most popular of all the lasky stars and one of the most popular stars appearing in Paramount Pictures.

The story of the play is by Wm. C. DeMille, one of the leading film dramatists and is filled with strong scenes and thrilling situations. It affords a large evening's entertainment and has a lesson for all.

"The Red Circle" is proving one of the tip-top serial attractions of the Liberty's already strong list.

NATIONAL HAS SPLENDID BILL

With one of the best vaudeville bills ever staged in the city the National theater's farewell week program is promised a capacity crowd at almost every performance. The playhouse will close its doors with next Saturday night's show.

The three vaudeville features all are cards of unusual attractive power. Harry DeCoe, "the man with the tables and chairs," formerly a star on the Keith circuit of the eastern cities, has an act in marvelous equilibrium that is worthy of the reputation it holds.

The rule comedy skit of Bob Cook and Pat O'Brien is every bit as good as their initial offering; it is full of high class humor and clever jokes, while the entire repertoire of songs, comic and sentimental, is new, up-to-date and catchy.

"Casey and Biz, the 'missing links,'" whose hundreds of friends like to see them again and again, may stage a new act this week, though Trainer Fox said Saturday he thought they needed a little more rehearsing.

DRAMA TELLS OF PRIMROSE PATH

The management of the Bijou announces a big bill for the performance of tonight and to follow throughout the week. At the top of the program comes "The Daughter of the City," a film drama based on incidents of the present day and dealing with situations that are none too uncommon in any city. Marguerite Clayton, one of the most popular of all the Essanay stars, is seen in the titular part and handles a role that is filled with rare possibilities in a most convincing manner.

The story of "The Daughter of the City" is the story of an ambitious mother, pinched by poverty, who would use her daughter's charms as a means to wealth. The love and happiness of the daughter this mother would sacrifice for luxury and money. And the girl, as a result of the mother's advice, turns her back on love and is prepared to embark on a career along the primrose path when she is halted through the efforts of the man whose love she would cast aside.

The dangers that lurk in the kind of a life that this mother would have her daughter live, and the caliber of the man who would befriend the girl, are forcibly told in the photo-drama.

'CROOK' PLAY ON EMPIRE SCREEN

Helen Eddy, one of the screen's most charming and beautiful stars who only recently appeared before Honoluluans in late mainland successes, will take a leading part in the powerful three-act dramatization of Frank Holliday's vivid story of city life which opens at the Empire theater today. "The Strange Unknown," is the story of a woman's strong love for her husband, which prompts her to place upon herself the guilt of a crime committed by his sister. Miss Eddy, in depicting the part of the heroine, displays infinite tenderness and pathos.

The fun is fast and furious in the late "Bud" Duncan comedy, in which the little fun-maker induces many new features in a farce called "Folled." Duncan is supported by a splendid cast of comedians under the leadership of Miss Ethel Teare.

The Empire program will conclude with the farce "When Schultz Led the Orchestra."

HONOLULU PEOPLE GET INSTANT ACTION

Those who have used it in Honolulu are astonished at the INSTANT action of simple buckthorn bark, glycerine, etc., as mixed in Adler-ka. Because it acts on BOTH lower and upper bowel, ONE SPOONFUL Adler-ka relieves almost ANY CASE constipation, sour stomach or gas. It removes such surprising foul matter that a few doses often relieve or prevent appendicitis. A short treatment helps chronic stomach trouble. The Hollister Drug Company.—Adv.
