

GRAY CASE WILL BE GIVEN PROBE BY GRAND JURY

Tribunal Will Meet Afternoon of July 5 to Consider 27 Matters Now Pending

When the territorial grand jury meets at 2 o'clock on the afternoon of Wednesday, July 5, the first meeting in nearly four months, one of the cases to be laid before it for investigation will be that of Jesse Gray, former police officer at Wahiawa, who was dismissed by the civil service commission, according to the plans of City Attorney A. M. Brown.

"The investigation will be for the purpose of determining whether Gray should be criminally prosecuted," says Attorney Brown. "The civil service commission evidently considered the charges against him true, as it dismissed him, and if the grand jury believes the same way an indictment in the matter probably would charge Gray, as a public official, with accepting bribes."

It was originally intended to have the grand jury meet on Monday, July 3, but as the Fourth of July falls on the following Tuesday, and because several of the members of the tribunal intend to take the inter-island excursions, it was decided to postpone the session until July 5.

Attorney Brown intends to have daily sessions of the jury until all cases now pending have been investigated.

Twenty-seven cases, ranging from first degree murder to assault with intent to commit murder, are pending, as follows:

- First degree murder—You Chih Yong, Murata Tokube.
- Manslaughter—J. F. Silva, U. S. mail carrier.
- Statutory—Harry Kamah.
- First degree robbery—Felipe, Pedro Puentes.
- Embezzlement—Mataeo Lawas, Yotaro Morikawa.
- Assault with weapon—T. Matsujima, Jarrett Ward, Joaquim Menzogna, S. Kanemura, B. W. Roscoe, Ah Hing, Carlos Santos.
- First degree larceny—R. F. Morehead, H. A. Wilson, Charles O. Spiney, John Lewis, William Aholokai, Lee Choong Hyun, James Alohiaka.
- First degree burglary—Toyo Toyokawa, Adam C. Lee.
- Forgery—Adam C. Lee, M. F. Costa.
- Assault with intent to murder—David Kaitwa.

KING'S DAUGHTERS MEET TONIGHT; PLAN OPENING OF FINE NEW BUILDING

Officers for the coming year will be nominated at a meeting of the King's Daughters to be held at 8 o'clock this evening in the new home of the organization on Waiatae road, Kaimuki. It will be the first general meeting to be held in the new building.

Aside from nominations and presentation of reports, the meeting will discuss the plans for opening the new home. This event is scheduled for next Saturday afternoon, but may have to be postponed if the temporary road from the street to the building is not completed by that time.

Mrs. W. L. Hopper, president of the King's Daughters, pointed out today that the organization is still in need of about \$4000. If this money is forthcoming, she says, the society will be able to pay its plumbing and other bills and construct a permanent road. The King's Daughters' "family" is now composed of 9 men and women. At Saturday's opening the visitors will be shown through the establishment.

Chance Wireless Message Brings Joy to Soldier

How a chance wireless message from Honolulu brought joy to a lonely soldier operator in the trenches of France where he had not heard from home in many months is told in a letter from H. A. Oxenham, formerly an operator with the Federal wireless at Hecla, now with the British troops in France, to a friend in San Francisco and was wireless here this morning by the friend to F. J. McQuade, the present operator at Hecla.

Oxenham, who has many friends in Honolulu, left for the front in May, 1915.

One night a month or two ago, according to the letter, Oxenham was sitting with the wireless head gear on listening to messages and orders that were being sent along the front. In the distance he could hear the rattle of the heavy guns and the crackle of rifles and machine guns. As he sat listening to the night sounds his thoughts strayed to Honolulu, and, as if in answer, out of the sky, he heard the office here sending to San Francisco. It came clear as a bell and he recognized the sending of his friend McQuade. He longed to answer but it was impossible because he was only using a field outfit. Nevertheless, to hear from home brought joy to his heart and showed him that he, at least, was not cut off from the outside world by the terrible war.

PALAMA OUTING PARTY SETS OUT TO SUMMER CAMP

Fifty-one happy souls swung aboard the 9:15 train to Haleiwa this morning for two weeks of free rest and fun at the Palama Settlement summer camp.

With joyful cries the little people scrambled into the coaches with bag and baggage. A few were too young to appreciate the good things in store for them, but the glowing anticipation of the older folk made up for the ignorance of infants.

Nearly all of the jolly crowd posed for the picture man in front of the Oahu depot just before the train left, but some few were camera shy and flew back into the waiting room when the big black box started to shoot. Most of them, however, and especially the kiddies, were highly excited over having their picture "took." It was the first time for many.

There were 41 children and 10 mothers in the camping party this morning. They have been carefully selected from the poorer sections of Palama and no one is supposed to go that could otherwise afford the holiday.

There are about 19 boys and 22 girls; some 2-week-old babies in arms and others near the 12-year limit set by the settlement workers. Porto Rican, Russian, Hawaiian and Portuguese were the nationalities represented.

At the camp on the beach near Haleiwa the children will make merry and romp and play for two weeks under the supervision of Head Settlement Worker James A. Rath and Mrs. Rath. When their time is up another delegation of about 50 will be ready to take their places and this will continue for 10 weeks, if money donated for this purpose be sufficient. More at any time will be appreciated.

Miss Elizabeth McMenamin, one of the Palama nurses, took charge of the mothers and children on the train today. She was also shy of the kodaker and refused to pose with her party.

FIRST STEP IN APPEAL OF F. L. DAVIS CASE TO BE TAKEN BY ATTORNEY

Federal court has adjourned until 10 o'clock tomorrow morning to take up a motion by the district attorney's office for an appeal on a writ of error from the decision handed down by Judge W. W. Morrow of the court of appeals of the ninth circuit, which exonerated Foster L. Davis, former court

clerk, from charges of irregularities in the business of his office.

District Attorney S. C. Huber stated today that the appeal will be made to the supreme court of the United States. Last Saturday Judge Morrow denied an application by the district attorney for a rehearing of the Davis case.

'WE NEED EVERY MAN AND MORE' -GENERAL EVANS

Department Commander Believes Hawaii Will Not Be Called on By Dept.

That Hawaii has no men to spare for the Mexican situation was stated today by Brig. Gen. R. K. Evans, department commander, when asked for a statement as to whether the National Guard of Hawaii and a portion of the troops on Oahu are likely to be called out for active service in the event of war with Mexico.

"We need all the men we have right here, and more, too," said Gen. Evans. "We have none to spare because we have our own little specific job to attend to in these islands."

"As to whether the War Department is likely to call us out, or call on the National Guard of Hawaii, your guess is as good as mine, but I hardly think we will be called on."

Hawaiian Department headquarters received a cabled order Saturday night designating the destination of Company E, Signal Corps, which was recently ordered to the border, as Fort Bliss, Texas (El Paso). The order was made public today, and says: "Pursuant to instructions from the War Department dated June 24, 1916, Field Company E, Signal Corps, upon arrival at San Francisco, Cal., in compliance with Paragraph 2, Special Orders No. 100, will proceed to Fort Bliss, Texas, for duty."

Relative to a rumor current for the last several days that Field Company A, Signal Corps, National Guard of Hawaii, would be ordered to Fort Shafter when Field Company E, of the regulars leaves on the July transport about July 5, General Evans said such action has not been considered. Brig. Gen. Samuel I. Johnson, N. G. H., said there was no foundation for the report.
