## NEW ARTILLERY REGIMENT WILL HAVE BIG GUNS

Advance Copy of Army Orders Here: Gives Procedure to Be Used on Oahu

Instructions relative to the procedure to be followed in forming the new regiment of infantry for Oahu, the 32d Infantry, also the 9th Heavy Field Artillery, and new Engineer companies, were received yesterday in the mail from the War Department in the form of an advance copy of general orders to be issued and were made public today by the Hawaiian Department. Cable orders announcing the plan to form the new regiments here were printed two weeks ago by the Star-Bulletin.

The copy says that seven new regiments of infantry will be organized, one in the Philippine Islands, one in Hawaii, one in the Canal Zone and four in the United States. Relative to the increase in Oahu's armed strength the communication says: "The new regiment of infantry to be organized in Hawaii will be the 32d Infantry, and the organization thereof will be effected by the transfer of a proportionate number of men from each of the 1st and 2d Regiments of Infantry, as provided in Paragraph 1 of this order. The necessary reduction in the enlisted strength of the 25th Infantry will be brought about through the process of ordinary casualties."

The new heavy field artillery regiment, the 9th, to be formed on Oahu, "will be organized in the Hawaiian Department by the transfer of men from the 1st Field Artillery, as provided in Paragraph 1 of this order. Four of the batteries of that will be equipped with 4.7 guns, and the other two batteries with 6-inch howitzers." Of the new 3d Regiment, Engineers, headquarters will be at Fort Mills, P. I., with two companies, C and D, at Fort Shafter.

## PVT. MORRIS IS BURNED SETTING OFF BIG ROCKET

While setting off the first rocket at the Fort Shafter fireworks display Tuesday night Pvt. Morris of Company M, Signal Corps, was painfully burned about the hands, face and eyes.

After his injuries were dressed Morris pluckily insisted on seeing the program through, and assisted in completing the remainder of the display as though nothing had happened to him.

The display was one of the finest seen at Fort Shafter in many years, and called forth enthusiastic comment from both soldiers and civilians attending.

## EVANS' LAWN PARTY COLORFUL; OFFICERS OF BOTH ARMS THERE

With the star spangled banner predominating in the decorations, in which flags of more than a score of nations were used, the reception and lawn party given Tuesday afternoon by Brig.-Gen. R. K. Evans and Mrs. Evans at the Wichman residence, Victoria and Kinau streets, which they have taken, was a brilliant and colorful affair.

In the afternoon, from 4 to 6 o'clock, more than 500 army and navy officers and their wives attended. Music for dancing was furnished by two military bands, and the scene was alive with color and animation the entire time.

Pollin, Frank J. Maxwell, Makayama Kame, Sgt.-Maj. Ernest E. Hagelin.

## 12-POUNDERS FIRED SALUTE; GUNS HAVE 2.76 INCHES CALIBER

Tuesday's salute to the Union, given by the machine-gun company of the 1st Infantry, in the capitol grounds at noon, was fired from two field guns of the company, 12-pounders.

The weapons are the Driggs-Schroeder gun, 2.76 inches calibre. The shots were fired at eight second intervals, one gun alternating with the other. A total of 48 shots was fired, one for each state.

In charge of firing were Cpls. Walter Roycroft and Robert White, who were instructed by Maj. J. M. Camara. The guns behaved beautifully, and the shots were heard for a radius of a mile or more. Each gun fired 24 shots. The guns are owned by the National Guard of Hawaii.

## NEW GUARD ARTILLERY COMPANY TO ORGANIZE

There will be a final meeting of the second company Coast Artillery Corps, National Guard, tomorrow evening at 7:30 at the home of City Clerk Kalauokalani, Kalakaua avenue, to finish the signing of the roster and get ready for the meeting on Sunday at Fort Ruger. At this time the company will be mustered in. Lieut. J. W. Caldwell urges all those who are interested to come and bring their friends. Second and last call.

## NO SMOKING DAYS BUY TOBACCO FOR SOLDIERS

BERLIN, Germany.—The "no smoking days" inaugurated by Herr Kirchner in Breslau for the benefit of soldiers some time ago—days on which smokers abstained from the use of tobacco and gave either their customary allowance of cigars and cigarettes or their value in cash to men in the army—have been held now in 31 cities, large and small, and have had astonishing results.

A total of \$94,221 in cash has been collected, it is reported, besides about 200,000 cigars, 180,000 cigarettes and 20,000 packages of tobacco. The tobacco trade, as was originally feared, has felt no ill-effects from the "no smoking days" so that plans are being completed for their introduction into 34 other cities in the near future.

## 1300-YEAR-OLD RELIC.

The Chosen (Korean) governor-general has recently ordered the repair of the ruins of the old Shiragi dynasty tombs with a view to preserving the historic remains of ancient Korea, says the East and West News. The workmen employed in the repair of a nine-story tower discovered an old stone coffin of about two square feet in the third story of the tower. In the coffin were a jeweled ornament, a gold bell, a silver bell, some old coins, a gold vase, a stone gourd, some comma-shaped jewels and several other rare articles, all relics of ancient times, dating back 1300 years.

MEDALS MAY SHOW GRATITUDE.

PARIS, France.—M. Briand, president of the cabinet and minister of foreign affairs, has presented a report to President Poincare proposing the creation of a "medal of gratitude," in recognition of services rendered voluntarily to France by subjects of foreign countries during the war. The distinction will be conferred on the first, silver for the second, and bronze for the third. On one side will be engraved in French "French gratitude," and persons on whom the distinction is conferred will be given a diploma recalling the services that the medal commemorates.

An unidentified man was drowned in Lake Hopatacong, N. J., when a canoe in which he was paddling upset.

Besides the honorary and advanced degrees, 25 diplomas were awarded at the 69th commencement of Princeton University.
