#### TABLEWARE, CLOTHES, BELONGING TO U. S. SEIZED BY MARSHAL

Armed with a search warrant Marshal J. J. Smiddy late yesterday afternoon raided the box ranch of Charles S. Martin in Waikiki and confiscated 126 pieces of tableware alleged to be the property of the quartermaster department, U. S. A. No arrests have been made.

In addition to the tableware, which consisted of knives, forks and spoons, the marshal also confiscated several officers' and privates' coats and other military clothing. According to the marshal, Martin, who collects swill at Forts De Russy and Ruger, stated that he had found the tableware in the post refuse, and that the clothing was collected by him in the capacity of "scavenger."

#### RUSSIA USES PRISONERS TO PERFORM FARM WORK

HARBIN, Siberia.—At least a quarter of a million of the prisoners of war and refugees which were in Siberia during the winter have been sent back to Russia to do farm work. This has relieved the congested conditions in many districts and is lessening the work of the foreign Red Cross officials, who are endeavoring to make the life of prisoners more endurable.

It is estimated that there are still 750,000 refugees and prisoners in Siberia. Many of these have been sent to remote places far away from the Trans-Siberian Railway. American Red Cross workers are looking after the prisoners in the Amur river district of Eastern Siberia. In the territory west of Harbin the relief work is chiefly in the hands of the Swedish Red Cross. Workers of that organization are providing medical supplies and endeavoring to better the social conditions in prison camps.

#### IMMENSE AIRSHIP MAKES SWISS WONDER

BERNE, Switzerland, June 28.—People living along the Swiss border of the lake of Constance have been greatly surprised over the movements of the new monster airship, much larger than all other Zeppelins, that has been making trial trips over the lake. The length of this ship is said to be 240 yards, or almost double that of other Zeppelins. The cubic contents is even more than double, 64,000 cubic meters instead of 20,000, and the number of the gondolas is four instead of two. These gondolas are said to be armed with guns, machine-guns and a new kind of air torpedo.

Despite its huge bulk the ship gives the impression of fish-like slenderness. The steering gear forms an exact cross. The motors are 3000-4000 horse power, able to give the airship a speed of 90 kilometers an hour. To avoid breakdowns, the motors are in double number. The crew is said to be 30 to 40 men. The ship can reach a height of three to four miles.

#### OMAHA WOMAN IS MURDERED IN ROOM IN SEATTLE HOTEL

SEATTLE, Wash.—Mrs. Blanche Coleman, formerly of Omaha, Neb., aged 27, was found dead in her apartment in a hotel, her throat cut by a knife. John Soudas, a cigar store owner, is under arrest in connection with the investigation. Jewelry worth \$400 and \$40 in money was found in Mrs. Coleman's room. Previous to her marriage, Mrs. Coleman was Miss Blanche Grosvenor.

A special election to fill the seat in the United States senate made vacant by the death recently of Edwin C. Burleigh of Augusta, Me., was ordered held Sept. 11.

#### PINKHAM SOLID IN WASHINGTON, RAYMOND HOLDS

Thinks Stuart Letter Displays "True Character of Hui He is Representing"

#### CONFIDENT WILSON WILL WIN AT NOVEMBER POLLS

Hughes Favored 2 to 1 in New York, But Doubtful He Will Carry That State

The betting in New York City is 2 to 1 in favor of Hughes, "but," says Dr. J. H. Raymond of Maui, who returned to Honolulu today from the Democratic convention at St. Louis, "I firmly believe that Hughes will fall even to carry the state of New York. I failed to find a single man who was of the opinion that Hughes has anything to his credit, either politically or otherwise, which will give him a shade the best of it over Wilson."

Doctor Raymond says he is not "peevish" because of his failure to be seated in the convention. At the same time, he has something to say regarding the letter which Circuit Judge Stuart wrote the president.

"I was deliberately and unjustly deprived of my seat in the convention," he says. "I was defeated before the sub-committee because J. H. Wilson, representing L. L. McCandless, had friends on the national committee and they worked over time and succeeded in having me defeated."

#### Makes Caustic Comments Regarding the Stuart letter, he says:

"It speaks for itself. It is the most genuine piece of literature that has ever found its way to Washington, and as strong an argument as could be made on two things: first, the confidence reposed in Governor Pinkham by the administration insofar as it affects the president and Secretary Lane, and a most complete exposition of the true character not only of Stuart himself but of the 'hui,' the faction he represented."

From conversations he had with public men, especially Secretary Lane, Doctor Raymond states he is firmly convinced that Governor Pinkham is entirely satisfactory to the administration.

Urges Support of Governor Doctor Raymond declares that the civic bodies of Honolulu should give more backing to the governor of the territory, whether he be Democrat or Republican. In this way, he says, the administration would be in a better position to keep in touch with Hawaiian affairs and to determine whether criticisms of officials are with or without foundation.

#### EFFICIENT WORK PREVENTS DEATHS FROM POISONING

Two lives were saved at the emergency hospital last night by quick work with stomach pumps on a man and on a woman who had taken poison. The would-be suicides, Mrs. M. W. Howell and Eddie Miller, are recovering rapidly today.

Possibly Mrs. Howell thought the third time would be a charm for she has tried to kill herself twice before, but Police Surgeon R. G. Ayer's quick work thwarted her plan, also Miller's attempt. Trouble with her husband, a petty officer in the U. S. Army, was Mrs. Howell's reason. Why Miller wanted to stop living the police do not know but suggest over-indulgence in Hawaiian brew.

Hardly had the ambulance taken Miller to the emergency hospital from Mrs. George Oelthoff's home, 934 Dowsett lane, where he had swallowed rat poison when it was called out again to receive Mrs. Howell from a Rapid Transit car at the corner of King and Nuuanu streets. Passengers on the car saw her drink something which Dr. Ayer says was alcohol of opium mixed with peroxide.
