## MANY HONOLULU FOLK RETURN TODAY

With over 1000 bills of lading representing 8446 tons of freight for island and merchants the Matson liner Matsonia, Capt. Chas. Peterson, arrived here this morning from San Francisco and docked at Pier 15. The voyage was a very pleasant one as she rode very steadily with the big cargo.

The Matsonia brought a big list of passengers of whom 188 were cabin and 35 steerage. A large number of Honoluluans returned from vacations on the mainland. Freight for island ports was Honolulu 7022 tons, Hilo 1592, Kaunapali 16 and Port Allen 16. Mail was 493 bags, and express 97 packages. Early arrivals from the Matsonia reported 49 automobiles, but according to Purser P. O. Whitney there are only 18 for Honolulu and one for Hilo.

Among the visitors to Honolulu on the Matsonia were H. Ham, vice-president of the Eastern Information Bureau of New York, who is here to obtain data on the islands; Dr. Stafford and Miss Rose Janowitz, who are connected with the Aloha Moving Picture Company and are reported to have come here to finish arrangements for taking pictures; Randall, J. C., S. O., and C. S. Chase, four brothers, who, for the first time in 40 years, have been on a vacation trip together; Mrs. J. C. Rees and Miss Elizabeth Rees of Memphis, Tenn., and J. Pratt, wealthy business man of the Northwest and Alaska, who has come here to find an ideal place to spend the rest of his life.

Honolulu people who returned on the Matsonia are Mr. and Mrs. Brasch of Whitney & Marsh, R. W. Breckons, former U. S. district attorney, who has been visiting in Washington with his wife and daughter; Richard and Miss Irene Campbell, Jas. D. Dole, C. E. Forbes, wife and child; Mr. and Mrs. Chas. Frazier, Jas. Gibb, connected with the Honolulu Plantation Company, who returned with his bride; Mrs. E. Hyde, Miss Ruth Jeffa, E. Magoon, Mrs. J. A. Magoon and Mrs. Frank Baldwin of Kahului.

Monday night on the Matsonia Mr. and Mrs. E. R. Forbes were given a surprise party in honor of their seventh wedding anniversary. As they entered the dining room they found their table covered with flowers and over all was a large wedding veil which was draped around Mrs. Forbes as she sat down. In the center of the table was a large cake and hands at each guest's place was a bag of rice which was generously scattered over everybody. The dinner was an entire surprise to the Forbeses and was promoted by Chas. Frazier.

## THUMB PRINTS ON STRIKE TALK IS CAUSING DULL PASSPORTS ARE PERMITTED STOCK MARKET

A letter was received this morning by Malcolm A. Franklin, collector of customs, from E. G. Chamberlain, commissioner of navigation at Washington, which stated that it is very important that American sailors leaving for belligerent countries should take out passports and authorized him to issue certificates of American citizenship to all American sailors who apply.

On all passports it is necessary to have the holder's picture attached. But in case of sailors, the letter stated, if they do not want the pictures, thumb prints on the passport will be sufficient. This is the first time that authority to use thumb prints has been received at the local office.

The letter also said that officers of vessels who have been licensed by the U. S. steamboat inspection service need not obtain passports, as the license proves his citizenship.

So far as volume of trading went unlisted securities overshadowed in interest the stocks regularly dealt in on the exchange. Honolulu Oil was most in demand and in all 3550 shares were dealt in, all sales being at \$3.40. Next in volume was Mineral Products, 2100 shares at 95 cents. Of the other sales reported were 1200 Mountain King at 60 cents, 1000 Tipperary at 9 cents and 200 Engels Copper at \$2.50. Of the listed securities between boards 250 Oiaa sold at \$17.50, 155 Pacific Sugar Mill at \$20, 50 Kahuku at \$22, 10 Oahu Railway at \$160 and 50 McBryde at \$12.37 1/2. At the session 5 shares of Pineapple sold at \$47.50. It is generally agreed that the market seriously feels the uncertainty as to transportation conditions arising out of possibilities for the mainland railroad strike.

## HILONIAN WILL BRING SCHOOL TEACHERS

The Matson Navigation Company has announced, according to advices from San Francisco, a "School Marm's Special" in the sailing of the steamer Hilonian for the islands about August 26. According to the Matson officials, more than 100 school teachers of the island schools went to California for their vacations. Desiring to spend as much time as possible here and at other California cities, the teachers delayed their departure and all made a rush for bookings on the steamers Wilhelmina and Manoa. These steamers steam for the islands August 23 and 29, respectively.

Because of previous bookings, 35 teachers failed to secure space and were in danger of losing positions through failure to return in time for the opening of school. Capt. William Matson came to the rescue and announced that the Hilonian will make a special voyage to the islands for the accommodation of the teachers.
