BOARD APPROVES NEW PLANS FOR ISSUE OF BONDS

Supervisors Hear Report Committee on Finance and Propose \$480,000 Projects

With but five days in which to get out a call for a plebiscite on the proposed municipal bond issue the supervisors last night adopted a report of the finance committee recommending that of the \$482,000 that the electorate can vote in any one year, \$130,000 be used for the construction of a sewer system in Walkiki; \$150,000 be used for a filtration plant for Nuuanu water; \$100,000 be used for the construction of the first section of a concrete road from the foot of the Pali to Kualoa point; \$100,000 be used for the purchase of Atkinson and Pauoa parks, and improvements at the public baths.

If the election on the bond issue is to be held at the same time as the general elections, as had been planned, the first notice of the plebiscite, with the questions to be voted on in definite and legal form, must be published by Friday. The law requires 60-day notice of the holding of a plebiscite.

Instructions will probably be issued to the city attorney at Tuesday night's meeting to draw up the call for a plebiscite on the bond question and arrangements made to have it published Friday. All of the supervisors appear to agree on the disposal of the \$480,000 that can be voted as outlined by the finance committee at last night's meeting and adopted by the board. Copies of the report of the committee will be sent to the Chamber of Commerce, Ad Club and other civic organizations interested in the bond question and if they have any objections to the present plan an opportunity to present them will probably be accorded at Tuesday's meeting.

Chamber of Commerce Opposed
"The Chamber of Commerce has already expressed its views on the bond issue. It is against the proposal and in favor of an increase in taxation for the purpose of making public improvements," answered Raymond C. Brown, secretary, this morning when asked to express the views of that organization on the definite plan for the proposed bond issue adopted by the supervisors last night. "He has declared in favor of bonds for water and sewer extensions and park improvements several times, but when he was asked if he did not favor those items in the program proposed he repeated his first statement. 'That is all I have to say,' was his conclusion of the interview. Would Vote Separately.

The various items in the program—\$180,000 for Walkiki sewers, \$150,000 for a Nuuanu filtration plant, \$100,000 for a road from the foot of the Pali, \$34,000 for the purchase of Atkinson Park, \$12,000 for Pauoa Park, \$54,000 for improvements to the public baths—will each be voted on separately at the plebiscite to be held November 1. It will be possible for the electorate to approve of bonds for any one or any number of the projects. If the proposal to issue bonds for roads is not favored it can be killed at the election.

The Massachusetts Democratic convention will be held at Springfield on October 7.

AERO CLUB HAS TWO OFFERS OF MEETING ROOMS

More Applications Are Coming in From Hilo; Membership Committee is Active

With several more applications for membership received from Hilo and other cities in the territory, indications are that when the membership committee of the Aero Club of Hawaii holds its first formal meeting next week the already large membership will be found to be materially increased.

Brig-Gen. R. K. Evans, president of the club, states that the organization has already received two offers of rooms suitable for use as the club's headquarters, and that in many other ways interest in the club and aviation is steadily increasing.

Brig-Gen. Samuel I. Johnson, chairman of the membership committee, today reported a great deal of enthusiasm among National Guard officers concerning the club, and said a formal meeting of the committee will be called next week.

Lieut. R. C. Holliday, the club's secretary, said this morning several more applications have come in from Hilo, and that the club will be glad to admit as members applicants from any island in the territory, both men and women. He added that indications are the initiation fee will be made very reasonable, probably \$1, and that the annual dues will also be nominal, probably \$1 a year, just enough to give the club money to pay its running expenses.

At the club's next meeting, September 14, bylaws will be adopted and permanent organization effected.

MANY OFFICERS FROM MANILA ON TRIP TO COAST

Among army officers on board the U. S. Army transport Sheridan, which is not expected to arrive at Honolulu from Manila before Wednesday afternoon, as she is already two days late, are the following for San Francisco, according to the Examiner:

Major Elmer A. Dean, M. C.; Major William L. Sheep, M. C.; Captain William T. Cade, Jr., M. C.; Lieutenant G. T. Mortensen, P. S.; Major Robert B. Grubbs, M. C.; Captain James E. Wilson, C. A. C.; Captain William Denton, M. C.; Lieutenant Donald H. Connolly, 3d Engineers; Lieutenant J. W. del Alamo, P. S.

In addition to the officers the Sheridan is bringing 26 sick, 16 general prisoners, 5 for station staff corps, 29 line, 2 reserve, 9 for discharge, 4 for retirement, 5 on furlough.

For Honolulu, as previously announced, the Sheridan has Col. William J. Snow, the new commanding officer of the 1st Field Artillery, Schofield Barracks, and 60 enlisted men of the Engineers, to form one of the two engineer companies at Fort Shafter.

CONCERT, DANCE ON ROOF GARDEN THIS EVENING

The management of the Alexander Young Hotel directs attention to a concert to be given by the Russian musicians on the roof garden of the Young Hotel this evening, beginning at 9 o'clock. Dancing alternating with concert numbers.—Adv.

HAWAIIAN MUSICIANS WANTED TO PLAY IN TUTUILA ORCHESTRA

Four Hawaiian musicians are wanted for the United States navy's orchestra at the naval station, Tutuila, American Samoa. Bandmaster Carl Baker, leader of the Pearl Harbor naval station band now being organized, has been directed to secure the players.

Those wanted by the navy are three violin players and one string bass musician. They are desired for the new navy string orchestra at Tutuila, and will be sent on an Oceanic steamer from Honolulu, for permanent station in Samoa.

Orchestra musicians desiring to obtain these positions should communicate with Bandmaster Baker, or make him a personal visit, at Pearl Harbor, commencing Tuesday morning, from 8 to 12 o'clock.

NO TYPHOID IS REPORTED FROM U. S. REGULARS

Only Six Deaths From Any Type of Disease in the Entire Campaign

Demonstrating the efficiency of regular army sanitary and health measures is a despatch which reached Honolulu this week, relative to the astonishingly low sickness and death rate among the troops of the U. S. army punitive expedition into Mexico. Criticisms which have been made on the mainland concerning the hardships and privations the regulars have had to undergo while on the march have not taken into consideration the excellent care given Uncle Sam's soldiers.

The report proves the excellent physical condition and health of the regulars of the punitive expedition now chasing Villa through Mexico, as compared with the high rate of sickness among the militiamen now in the border training camp. Because of the army regulations requiring anti-typhoid vaccine to be administered to all the regulars, not a single case of typhoid has been reported among the troops of the expedition. The sickness rate is only 1.5 per cent, with only six deaths from disease in the five months since the expedition crossed the border and set foot on Mexican soil. The despatch follows:

FIELD HEADQUARTERS, American Expedition, Aug. 23.—Only six deaths from disease and the present sick rate 1.5 per cent for the punitive expedition since it entered Mexico more than five months ago is the record contained in figures compiled by the sanitary department. Adding the number being treated at the base hospital, the rate is 2.5 per cent. There is not a single case of typhoid, the prevailing ailment being dysentery.

GENERAL EVANS SEES RACING EVENTS HERE

Brig-Gen. R. K. Evans, commanding general of the Hawaiian Department, Mrs. Evans and the general's aides-de-camp, Capt. Hornsby Evans and Lieut. C. B. Lyman, attended the horse races and polo at Kapiolani park this afternoon.

Monday Gen. Evans will also attend the swimming races and polo. He has issued invitations for a dinner which he and Mrs. Evans will give Friday evening, September 8, at the Country Club at 7 o'clock. Saturday evening, September 9, at 7:30 o'clock, Gen. and Mrs. Evans will entertain with a dinner at their residence.

For Rest and Recreation
Amid Delightful Surroundings

Haleiwa Hotel

Affords Ideal Advantages:

The service and cuisine compare with those of the best hotels anywhere, and the location of the hostelry is such that it wins the admiration of the guests at the moment of entrance.

The wide lanais appeal to those who seek comfort in the palm-laden islands of the Mid-Pacific. Lovers of sea bathing find here a surf and sandy beach unequalled in the Islands; and the golf links have attractions that cannot be swept aside by anyone who has ever swung a "brassy."

There is also a fine tennis court, and ample facilities for excellent fishing. Launches may be engaged in advance by phoning to the Hotel, where tackle is to be had when wanted. Expert fishermen are on hand to assist in full enjoyment of this great sport in Hawaiian waters.

A glass-bottomed boat is now in commission and provides splendid opportunity to view the coral, fish and marine scenery at Haleiwa Bay.

Rowboats for rent at Old Glory Boat Stand.

Tickets over the Oahu Railway may be secured at the Railway Station or at the office of the Wells Fargo Co., King Street, near Fort.

Oahu Railway & Land Company

WHY PAY RENT?

when, for a small sum you can own your OWN home in

McINERNEY TRACT

Commanding a marine and landscape view that for picturesque beauty is almost unrivalled, this ideally located property combines to a rare degree the healthful comforts of the country with all the conveniences of the city.

A magnificent new road runs through the McInerney Tract, connecting School Street with Alewa Heights. The property is piped for city water and is wired for electricity and telephones.

52 new Homes built within 18 months, others under construction and many more contracted for. We will build your own home for you on your own plans, making your payments like rent.
