For the first time in Hawaii's sporting history, baseball fans this morning got world's series news play by play and inning by inning as the game was played on the mainland. The Star-Bulletin's Associated Press-Federal Wireless service did it. With a blackboard score board and with Sporting Editor Owen Merrick doing duty with the megaphone, the crowd was kept informed every few moments as the plays were made. The Star-Bulletin invites the public to watch the returns daily as long as the series continues, in front of the office of this paper, Merchant street, from about 8:30 to 11 every morning.—Photo by Star-Bulletin staff photographer.

No One Allowed Ashore, But Associated Press Representative Permitted to Go Aboard to Learn Story

BALKAN ARENA IS NOW WAR INTEREST CENTER

Rumanians Planning New Offensive in Bulgaria; Bulgars Report Progress in Attempt to Regain Monastir, in Serbia; Slow Advances on West

(Associated Press by Federal Wireless) NEWPORT, Oct. 7.—The German submarine U-53, which arrived off the harbor late today, lifted anchor and sailed to sea again at 5:17.

Before leaving Lieut. Hans Rose, the commander, came ashore to call upon Admiral Knight, commander of the Narragansett Bay station. He reported that on the voyage from Wilhelmshaven he had sighted no hostile craft, that the submarine is plentifully supplied with provisions and fuel, and nothing is to be taken aboard here. He explained that he had brought mail to Ambassador von Bernstorff, but declined to say whether the submarine is searching for the Bremen. Commander Rose said, "We will put to sea" tonight. He has given no indication where his next port will be.

WASHINGTON, D. C., Oct. 7.—British Ambassador Spring-Rice, called on the state department today, and it is rumored here protested against the entrance of the German submarine in an American port. Counsellor Polk said that the ambassador was called at the state department on another matter, and that the arrival of the submarine was casually mentioned.

NEWPORT, Oct. 7.—The German submarine U-53, not a merchant vessel but a submersible war vessel, arrived here today outside the harbor, and from what meager information has so far been learned, is 17 days out from Wilhelmshaven.

The status of the submarine as a warship is indicated as the U-53 flies the flag of the German navy and has a gun-deck.

Anchoring outside the harbor, the submarine allowed no one ashore, but an Associated Press representative has been allowed to board the vessel to learn the story of the voyage. Word has been sent ashore that the U-53 will spend the night outside the harbor.

RUMANIAN-RUSSIAN CAMPAIGN IS GAINING

PETROGRAD, Russia, Oct. 7.—The Russo-Rumanian offensive campaign in the Dobruja region is being successfully pressed, although at the outset the enemy troops under Gen. von Mackensen contested the ridge. Two towns and an important road were just being captured. On the Galician-Bukovina front, and extending north, the Germans have made four consecutive counter attacks in their efforts to recapture ground on the Camhujka and Zlota Lipa rivers. The Germans were repelled with heavy losses.

FRESH RUMANIAN FORAY INTO BULGARIAN SOIL

LONDON, Eng., Oct. 7.—A fresh Rumanian expedition has crossed the Danube river into Bulgaria, according to a wireless dispatch from Rome. It is reported that Gen. von Mackensen, commanding the German-Bulgarian troops on the invasion of Rumanians through the Dobruja section, has sent troops to attack the opposing invaders but without success. Elsewhere in the Balkans today there is considerable activity. The British who gained a footing on the east bank of the Struma river in Macedonia have pressed the Bulgarians back farther. Several villages were captured. The German attack near Eaucourt L'Abbaye, on the west front, has been repulsed, and successful British raids of German trenches are being made in Armentieres and the Loos section. The French in Macedonia have joined their offensive with the British and Serbians, the French occupying the town of German, on Lake Prespa.

BILLINGS, BOMB-PLOTTER, GETS A LIFE SENTENCE

SAN FRANCISCO, Cal., Oct. 7.—Warren K. Billings, convicted of conspiracy in connection with the exploding of a suitcase of dynamite during the "preparations" parade in San Francisco, has been denied a retrial. He was sentenced to life imprisonment today but a stay was granted which will permit an appeal to be taken.

(Associated Press by Federal Wireless) BOSTON, Mass., Oct. 7.—Brilliant fielding on the part of the Boston Red Sox gave them a victory over the Brooklyn Dodgers in the first game of the world's series today. Brooklyn started with the bat, but in defensive work the Red Sox proved to be superior and it was through this department of the game that they won out by a score of 5 to 5. More than 45,000 spectators were seated in the stands when Harry Myers of Brooklyn marched to the plate in the first inning. It was the largest crowd that has ever attended a game in a world's series, and Braves Field, which held 42,300 last year, was packed, and thousands waited outside the gates for the news of the game. It was through superior defense more than any other one thing that gave Boston the victory. Brooklyn staged one of the greatest rallies ever witnessed at a classic contest, scoring four runs in the last inning, and brought the score to within one run of Boston. The crowd went wild, with two men out and three men on bases, when Jake Daubert marched to the plate in the last of the ninth. Boston fans were silent, and the little knot of Brooklyn rooters threw cushions in the air and waited for Daubert to deliver. He had worked his way into the charmed circle of leading batters this year, and Brooklyn hoped for a drive that would put the game on ice. Daubert failed in the pinch in the last inning. All day his batting strength was rendered null by Shore and Mays. On two occasions the Brooklyn first-sacker fanned, and two infield outs and a walk added to his weak record for the day. Brooklyn made a grand uphill fight. (Continued on page two)

Wilson Hits At G. O. P. Members

(Associated Press by Federal Wireless) LONG BRANCH, N. J., Oct. 7.—Addressing a New York delegation of Progressives, members of the Wilson Independence League and the College Men's League, President Wilson today gave reasons why he thinks the independent Progressive voters should cast their ballots for the Democrats. He asserted that every policy of the Democratic government for the last three years has been questioned but no new policy suggested. "We are indeed at a critical juncture of the world," he said, and added that behind him stands the united Democrats, while the other party is disorganized. He said the "Republican party consists of everybody discontented with the present conditions."

STRIKE WEAKENS; INDICATION IS END DRAWS NEAR

Hawaiians Ask for Old Jobs; All Quiet on Waterfront; Makino Sees Pinkham

The backbone of the stevedores' strike here is broken, according to the police, who, by watching the situation closely along the waterfront, are as conversant as anyone with existing conditions. Several Hawaiians who have been seen by the police in the union ranks along Queen street for the past several days have returned to work today, say the police; pickets have absolutely disappeared and the former confident spirit of the leaders of the strikers is waning. The police know nothing of any agreement between employers and returning strikers, but they are sure sev.

\$4,000,000 Will Be Paid in Bonuses

Approximately \$4,000,000 will be disbursed by the sugar plantations to their employes in bonuses during the months of November and December. The announcement was made by the Hawaiian Sugar Planters' Association Friday afternoon. It has also published a notice as to the means which will be used to make this large disbursement in addition to regular wages and salaries so as to inconvenience the banks of the territory as little as possible and to avoid the necessity of shipping in large amounts of specie. An article telling of the plans of the trustees of the company have planned for the making of the disbursements will be found on page 23, column 3, in the business section of this issue of the Star-Bulletin.

LIGHT VOTE IS CAST AT PRIMARY ELECTION AND DISORDER IS ABSENT

In City Precincts Not Half of Registrations Had Voted During Forenoon.

Unless a heavy vote be polled during the closing hours of the primary election it now appears possible that the total vote will not exceed half of the registration. Visits to the polling places of the city made by Star-Bulletin representatives bring reports that have this indication. No disorder is reported and there were few rumors of "slates" beyond the report that Democrats are voting for Louisian in order to remove Kuhio and with the feeling that thereby they may strengthen the candidacy of McCandless at the general election.

Governor Pinkham voted at 9:45 o'clock this morning at Thomas Square, where the booth of the fifth precinct of the fourth district is located. He came to the polls in an automobile and was alone. He remained in the voting booth for about half a minute.

"I hope that the next legislature will be as good as the last one," he commented to those in charge of the booth after he had cast his ballot. Lincoln L. McCandless, Democratic candidate for delegate, and Prof. William A. Bryan, chairman of the Democratic territorial central committee, toured the city this morning and this afternoon, visiting all of the polling places.

Every precinct in the fourth district reported that the voting is being done quietly and that there have been no disturbances of any kind. No contests had been raised in any of the precincts up to press time. Counting of the votes was to begin immediately after the close of the polls at 5 o'clock this afternoon.

1st Precinct, 4th District
Registration: 527.
Voting was fair in this precinct, and at 10:35 o'clock 121 ballots had been placed in the box. During the morning the heaviest voting was done between 8 and 9 o'clock, or for about one hour after the opening of the polls. There were no contests or challenges and no disturbances of any sort reported by those in charge of the booth. Heavier voting was expected late this afternoon.

Election Returns Tonight

Tonight the Star-Bulletin will display election returns from Room 9, Waiy Building, the illuminated screen being on the store front of Dimond & Company. Everybody welcome! Join the crowd on King street and watch the news of the primary election on Oahu and the other islands.

The polls close at 5 and it is expected that the count will have progressed far enough by 6:45 or 7 o'clock so that from then on they can be given in rapid-fire style. As only territorial candidates are to be voted for, the count should be fairly complete by 10 or 11 o'clock.

The Star-Bulletin's special telephone number for election returns tonight is 4905. This paper will appreciate it if its friends of various precincts, particularly in the country districts, will call this number and give news of election returns in these precincts as the count progresses. Such assistance has been of much value in the past and has enabled the public to get the news rapidly and authoritatively. Members of election boards are asked to telephone when their counts are complete.

Phone 4905, Room 9, Waiy Building, King street.
