SMITH-HOBRON
On Monday evening a pretty wedding united Miss Martha Hobron and Mr. Alapakai Henry Smith, both of this city. It was not a large wedding, only the relatives and intimate friends of both families being present. The marriage came as rather a surprise. Many knew of Mr. Smith's devotion to Miss Hobron, but did not know that the wedding was to be so soon.

The young people, directly after the Rev. Leopold Kroll made them husband and wife, slipped away to the other side of the island to spend a brief honeymoon.

Mr. Smith is the only son of Mr. and Mrs. Henry Smith and comes of one of the oldest and best-known Hawaiian families. Miss Hobron is the daughter of Mr. Cott Hobron and has been in Honolulu a couple of years from the mainland, where she was a student at Notre Dame College. She has always been a great favorite.

Her father has but recently finished one of the handsomest homes on Pacific Heights and it is here the young folks will live. Both are accomplished musicians.

The marriage ceremony was performed at the bride's family home. The rooms were beautifully decorated with hundreds of pink and white roses. The bride and groom were unattended. Miss Hobron wore a very handsome wedding gown of rose point tulle and lappets and a very beautiful veil shrouded the girlish figure. A butterfly bow of maline was attached to the shoulders and from this hung the long lace train. Orange blossoms added the bridal touch to the veil. She carried a shower bouquet of white orchids and lace fern.

The bride was given into the keeping of her future husband by her father.

Kaula's orchestra furnished delightful music, playing "The Wedding March," and afterwards furnishing the music throughout the supper hour. Among those at the wedding were Mrs. J. Espina, sister of the bride; Mr. and Mrs. George Smith, Mr. and Mrs. John Dominis, Mr. and Mrs. Henry Smith, parents of the groom; Mr. and Mrs. Emil C. Peters, Mr. and Mrs. Norman Gedde, Mr. and Mrs. B. H. Clarke, Miss Daisy Smith, Miss Henrietta Smith, Miss Helen Boyd and others. The young couple will be at home to their friends after the first of November at their Pacific Heights home.

LATEST PIANO ATTACHMENT A MOTOR-BENCH

THE MOTO-PLAYO-BENCH which is being shown at the Bergstrom Music Co.'s store is the last word in developing electric operation of player pianos. The demand has been great for a motor that could be installed in any make of player piano and save the effort necessary to operate the instrument by foot pumping. The Moto-Playo-Bench is pushed up in front of any player piano and by simply attaching it to an electric light socket the old foot pump power player becomes an electrically operated player piano, and you can operate it and dance as well.—Adv.

OLD FOLKS NEED 'CASCARETS' FOR LIVER, BOWELS

Salts, Calomel, Pills Act on Bowels Like Pepper Acts in Nostrils

Enjoy Life! Don't Stay Bilious, Sick, Headachy and Constipated

Get a 10-cent box now. Most old people must give to the bowels some regular help, else they suffer from constipation. The condition is perfectly natural. It is just as natural as it is for old people to walk slowly. For age is never so active as youth. The muscles are less elastic. And the bowels are muscles.

So all old people need Cascarets. One might as well refuse to aid weak eyes with glasses as to neglect this gentle aid to weak bowels. The bowels must be kept active. This is important at all ages, but never so much as at fifty.

Age is not a time for harsh physics. Youth may occasionally whip the bowels into activity. But a lash can't be used every day. What the bowels of the old need is a gentle and natural tonic. One that can be constantly used without harm. The only such tonic is Cascarets, and they cost only 10 cents per box at any drug store. They work while you sleep.—Adv.
