TRAVELERS WILL DO BATTLE WITH ALL-AMERICANS

Fast Fielding Team Should Make Good Showing Against Invaders in Sunday Game

HOW THEY BAT
All-Americans
Janvren, second base.
Janvren, second base.
Kenworthy, center field.
Guisto, first base.
Kelly, left field.
Elliott, catcher.
Hohne, shortstop.
Leard, third base.
Johnson, pitcher.
Travelers
En Sue, center field.
Moriyama, second base.
Akana, left field.
Swan, third base.
Ah Lee, first base.
Kan Yen, catcher.
Ayau, shortstop.
Yen Chin, right field.
Hoon Ki, pitcher.

Honolulu baseball fans will have an opportunity to see what the Travelers can do to the All-Americans tomorrow afternoon at Athletic Park. Johnson, the Indian pitcher, will hurl for the visitors, while Hoon Ki is expected to take the mound for the Travelers. If Hoon Ki can hold the hitters of the Swain crew safe, then there should be a real ball game on the local lot, as the Nomads will have a great fielding aggregation, one that will rank with the best that the visitors can show.

En Sue is Fast
En Sue in center field is known throughout America as one of the fastest men in the business, and although he was playing baseball when faithful Heck was only a teeny-weeny canine, he still has the ability to capture the hits that go out in his territory. In this position the Travelers will have an edge, as there does not appear to be an outfielder on the local squad who can cover the ground that the little Chinese fly-catcher can. Yen Chin and Lang Akana are certain to take care of the balls that ring off the bats of the invaders, and Louis Guisto will have to do some tall figuring to get one over this trip. That will be one thing that will help out a heap. The 25th infantry fly-catchers did not show to their usual form in the last game, with the exception of Gollah, and this falling was responsible for some of the runs.

Strong Infield
In the infield the local boys will not fall behind the visitors, as Ah Lee, Moriyama, Ayau and Swan look pretty sweet on the four points. The fast work of these players when they defeated the Wreckers must be remembered, and they will go into the game

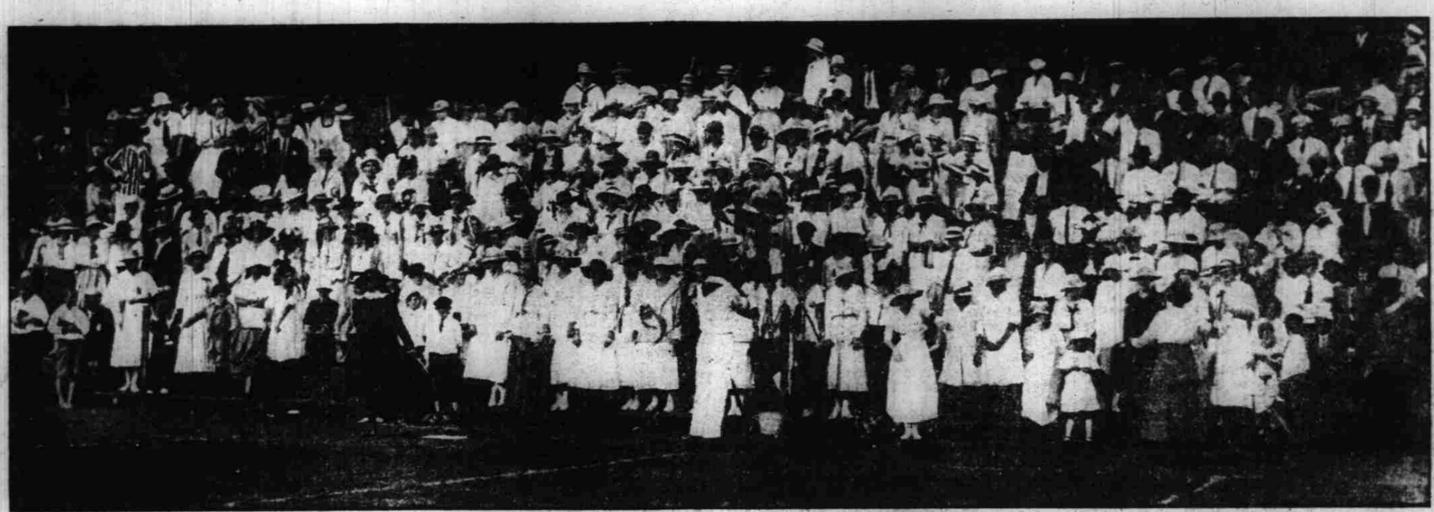

What healthy Nerves Mean to You

A strong, vigorous nervous system means health, strength and ability to endure hardship and also to enjoy the full pleasures of life. The man with healthy nerves accomplishes greater tasks with less fatigue. He has a clear eye, an active brain and a sound body. He is enabled to think better and work faster. He has energy. With healthy nerves he can overcome the hardest competition, be successful and gain wealth. The woman with healthy nerves is never listless, weak or hopeless; she is not irritable, she never suffers from hysteria, she has a reserved surplus of endurance. Healthy nerves will prevent the sleepless mother, although worn with care and nursing, from a "break down" caused by her doubts or treble duty. All men and women who suffer from these forms of nervousness known as Neurasthenia—who have "gone to pieces," who lack energy, who have insomnia, who have succumbed to nervous prostration or nervous exhaustion, either mental or physical, whose condition is one of irritable weakness, will find ready relief and cure in the peculiar properties of

The Girls Who Wore Your Colors at the Game---They Also Serve

When you've dodged a bunch of tacklers, placed the ball across the line, and the stands are all resounding with Oahu—"Give 'em Nine." When you've finished up the battle and you're battered and you're lame. Always try to thank the girls who wore your colors at the game. When you're spilled before you're started, don't you think they ever care? When you're winning, when you're losing you will always find them there. When you're battling for Oahu—keep it up—old boy—be game. Just remember all the girls who wear your colors at the game. Punahou won a signal victory last Saturday from Kamehameha. They won not only on the field, but in the stands where hundreds of students were doing their part to cheer the team on to victory. Punahou has won the championship for 13 years. Many times other teams have had as strong a team man for man. Perhaps it was the Punahou cheering which made an impression on the lovers of football at a Punahou game, that had much to do with the victory. They are all doing their part of bringing victory for their school. Here is a section of the Punahou stands showing the girls ready and willing to cheer for Punahou. The cheering last Saturday was the best that has been seen in Honolulu for many years, and mainland schools could learn much from the resounding section. At the left Miss Margaret Austin, one of the feminine cheer leaders, is urging the students to give "Nine Rahe for Noble." On the right is Miss Peggy Campbell, the other feminine cheer leader who has played an active part in the leading of the Punahou songs and cheers. Gordon Scott, megaphone expert, in center.

LOCAL PIN SPILLERS WIN FROM TUCSON IN BIG LEAGUE CONTEST

The leading match of the Pacific Coast Bowling League between the local Y. M. C. A. bowlers and the Tucson, Ariz., Y. M. C. A., rolled last Tuesday night was won by the Honoluluans. All three games and total pinfall went to the credit of the locals. This good news was received in this morning's wireless from Tucson. It was by a good margin that the Honoluluans took this match, though the first game was taken by just five pins. Last year, in a special match with Tucson the mainlanders walloped the locals in easy style, but the winning of this coast league match gives the Honoluluans sweet revenge.

The scores:
Honolulu 836 844 800 2480
Tucson 831 799 734 2364
with plenty of confidence that they can do the work. Kan Yen will do the receiving for the home guard. Hoon Ki has pitched some fast ball, and if he can hold the invaders safe then the fans will be satisfied. He has a good head, and with fast fielding we all may see a regular game. Guisto and Jackson do not appear to be the type of hitters who will bother Hoon Ki more than Rogan, and it would be a safe bet that neither of these sluggers land as many bingles off the traveling pitcher. Kenworthy is a good hitter and may cause the traveling hurler some trouble. He failed to hit Rogan, but the fans will without doubt see some connecting on the part of the visiting center gardener. The game will be called at 8 o'clock.

This afternoon the All-Oahu will meet the visitors at 3:15 in the second game of the series. Reuther, the southaw pitcher, will work for the Swain crew, while Chilly has not yet selected his moundman.

PACIFIC HEIGHTS TO BE LIGHT TRAFFIC DISTRICT

As a result of a petition from residents of Pacific Heights that their road is being destroyed by the hauling of stone, the board of supervisors Friday afternoon voted to have the city attorney draft an ordinance making Pacific Heights a light traffic district. Supervisor Arnold pointed out that as this district is entirely a residential one without stores which would need heavy vehicles to carry on their business it should be restricted to light traffic.

BAT THE RAT

Boards of health everywhere are trying to exterminate rats, because of their menace to health and destruction of property. But without waiting for the health authorities to do the work for you, do your duty and use the only effective weapon in the war on rats, Stearns Electric Paste. Get a two ounce box from your druggist 25 cents and in one night it should kill off all the rats and mice in your home, barn or garage. Remember above all that killing a rat now is as effective as killing a dozen a couple of months later. Use Stearns Electric Paste now and prevent further breeding. EKLUND-LOWREY MATCH FEATURE OF TOURNAMENT

Finals of Singles Will Be Played at Hawaii Polo and Racing Courts Tomorrow

Today, 10:30 a. m.—Finish of semi-finals of ladies' doubles.
Today, 3 p. m.—Hoogs and Lowrey vs. Loy and Wong; Vinson and Morgan vs. Waterhouse and Norton. 4 p. m.—Cunha and Nowell vs. Henoch and Pfeuffer.
Tomorrow, 3:30—Finals men's singles, Lowrey and Eklund.

William Eklund, champion of Hawaii, will defend his title tomorrow afternoon at the Hawaii Polo and Racing Club's court. In meeting Alan Lowrey he will have a worthy opponent and tennis enthusiasts expect the hardest match of the year when these two racket wielders meet in the best three out of five sets. The match will begin at 3:30.

This match will be the feature card of the tournament, and although the Ewa player has proved to be a speed marvel on the courts, Lowrey has proved his game this year and is certain to be in the running at all times. Sentiment appears to be about evenly divided as to the winner and spectators will see a fast match when the two racket wielders clash tomorrow afternoon. Arrangements have been made to take care of a banner crowd, and the committee, A. L. Castle, Alan Lowrey and Harry Macfarlane, predict that the largest crowd of the year will watch the two stars in action.

Warren Played
Some excellent tennis was played at the Hawaii Polo and Racing Club courts yesterday afternoon and the mixed doubles play brought out Billy Warren for the first time in the tournament, and, considering his lack of practise, he played great tennis. His twist serve was working well and throughout the match he played excellent tennis.

Miss Pauline Schaefer and A. L. Castle won from Miss Capps and William Warren in straight sets, 6-2, 6-2, but the games were hard fought, a number of them running to deuce. Miss Schaefer made a number of place shots which counted and her play of yesterday was an improvement on her tennis of last year. Miss Capps played an excellent game and shows much promise. She was especially good on forehand strokes. Castle made a number of difficult returns during the match.

Miss Williams Starred
In a hard fought match Miss Kathryn Williams, who has created a sensation in the tournament, playing with Lieut. Burlingame, defeated Mr. and Mrs. Hatch, 6-4, 6-3. The feminine star from the Northwest made a number of pretty returns and her loft kick had the opponents at a disadvantage at times. Miss Williams is certain to be a factor in future tournaments here. Burlingame made at least six returns which seemed impossible and his place shots were unusually good. Both Mr. and Mrs. Hatch played consistent tennis throughout. The gloaming champions did considerable gloaming after the shadows had taken a strangle hold on the courts. Norton and Waterhouse, opposing Vinson and Morgan, played until each had won one set and by that time the players were groping around

TERRITORIALS WIN AGAIN IN BOWLING MATCH AT Y. M. C. A.

The Territorials defeated the Sugar Factors, taking two games and total pinfall from them in last night's match of the Commercial Bowling League on the Y. M. C. A. alleys. The Sugar Factors started out well, taking the first game with a good margin, but the Territorials came back strong and carried off the remaining games and total pinfall.

Wikander and Bent of the Territorials and Noble of the Sweets were there with the goods, passing the double century mark once each. Wikander's mark was a high one, running up to 244 pins in the third game. This helped him to high average, which was 199.6.

KOREA RECOVERS FROM EFFECTS OF WAR AND COMMERCE INCREASES

[By Associated Press]
SEOUL, Korea.—Official investigation shows that Korea has gradually recovered from the blow dealt her trade by the European war last year. The export of cow hides shows a great increase, due to the large demand for them by Japan to meet the large order for army boots from Russia. In Korea, some two million yen worth of boots and ammunition pouches were exported to Russia.

Partly as a result of the chemical industry that has developed in Japan to reach markets monopolized by Germany, and partly to meet the general demand in the market owing to the shortage of stock, the export from Korea of rice, linseed, tallow, cotton, alum, gold ore, coal and dye stuffs greatly increased.

A decrease was generally seen in articles imported from Europe, a remarkable falling off being witnessed in the figures for wheat flour, condensed milk, salted herring, alcohol, aniline dyes, iron and dynamite. Imports from the mother country increased and Japanese goods took the place of foreign articles, especially wheat flour, petroleum, iron nails and plate glass. The deduction is that Korea will more and more depend on Japan for her necessities.

Three White House employees were seriously injured in a collision between a White House automobile and another car near Shadow Lawn, the summer residence of President Wilson. Norton and Waterhouse failed to get the fast play of Vinson and the rug net play of Morgan in the first set, and Vinson's peculiar serve had the opponents at a disadvantage. In the second set Norton and Waterhouse played an improved game and are hereby entitled to the honors as two light champions. The final set will be played today.

KAULUWELA TEAM WINS CLOSE ONE WITH BIG SCORE

Leaders Defeat Star-Bulletin at Kakaako in Indoor Baseball Game, 15 to 14

	W	L
Kauluwela	4	1
Star-Bulletin	3	2
Kakaako	3	2
Korean	0	5

Last night at Kakaako hall the Kauluwela indoor baseball team won the championship from the Bulletin boys in the closest and hardest-fought game of the series by the score of 15 to 14. In the first inning the Kauluwelas batting first scored two and the Bulletins in their half evened things up by putting over a pair of runs. In the second the first two up for Kauluwela fanned, Kelani singled and stole second and went to third when Lam dropped Manabu's third strike and beat the throw to first. With men on first and third, Bung struck out on first and the Bulletin's half they went out one-two-three, the first two on strikes, and Ming grounded out to first.

Rosario, first up in the third, drove the ball to left for two bases and stole third, making a pretty slide, Kazumi singled and by fast running made third on the play at the plate and pitched and went to third, when Klu struck out and Rosario failed to hold the ball. Lam singled, scoring both men, and Chev was safe on a hard grounder to right. Kelani then tightened up and struck out the next two men. With the score four-all at the beginning of the fourth, the Kauluwelas went to the bat and with a base on balls, five hits, one of which was a three-bagger by Bell, scored five runs, in their half the Bulletin got but one. Five more hits in the fifth gave the Kauluwelas four runs and a lead of six runs as the Bulletin scored but two in their half.

Little Nushida will pitch for the Nippons. And Braves, you had better watch out! Little Nushida, who is about as big as a bat bug, walked out on the mound some time ago and shut out the St. Louis team, which had been undefeated up to that time. The little fellow made a hit with the crowd and there is certain to be a banner crowd out at 1 o'clock tomorrow to watch him attempt to stop the Braves.

In the present series the Braves and Nippons are still undefeated, and this game is certain to be a bumper. Nelson or Perry will pitch for the Braves, and the Admiral pitching staff is unusually strong. But with Nushida out there on the mound the Braves hitters are certain to have trouble.

The Nippons have a fast fielding team, and although they have not as a rule hit the ball hard, still they score runs, and that is what counts. The Braves have been practising for this contest, and the fans may expect a hard battle when the two Pacific League teams get together at 1 o'clock.

HOLLINGER OBJECTS TO CITY PAYING LABORERS WHO ATTEND ENCAMPMENT

Because he declared the city and county was not able to pay approximately \$400 to the day laborers in the different departments to enable them to attend the National Guard encampment next week, Ben. Hollinger objected to the motion that they be allowed to go with pay as are the other employes and it was laid on the table until next meeting. The stand which Hollinger took was that as they are going to be paid by the government and territory the city should not pay them. "I am willing for the city to pay them the difference between what they get in camp and would get if they worked, but no more. If they are paid both it is like giving them a vacation with a bonus," he said.

MUSIC AND BASEBALL SUNDAY

The Hawaiian Band will play at Athletic park tomorrow afternoon. They will start the Braves-Nippons game off with music and will also render a number of musical selections during the game between the Travelers and All-Americans.
