NOT A PARTICLE OF DANDRUFF OR A FALLING HAIR

Save Your Hair! Double Its Beauty in Just a Few Moments

25-cent "Danderine" Makes Hair Thick, Glossy, Wavy and Beautiful

Within ten minutes after an application of Danderine you can not find a single trace of dandruff or falling hair and your scalp will not itch, but what will please you most will be after a few weeks' use, when you see new hair, fine and downy at first—yes—but really new hair—growing all over the scalp.

Danderine is to the hair what fresh showers of rain and sunshine are to vegetation. It goes right to the roots, invigorates and strengthens them. Its exhilarating, stimulating and life-producing properties cause the hair to grow long, strong and beautiful.

A little Danderine immediately doubles the beauty of your hair. No difference how dull, faded, brittle and scraggy, just moisten a cloth with Danderine and carefully draw it through your hair, taking one small strand at a time. The effect is amazing—your hair will be light, fluffy and wavy, and have an appearance of abundance; an incomparable lustre, softness and luxuriance.

Get a 25-cent bottle of Knowlton's Danderine from any drug store or toilet counter, and prove that your hair is as pretty and soft as any—that it has been neglected or injured by careless treatment—that all—you surely can have beautiful hair and lots of it if you will just try a little Danderine.—Adv.

IMPORTANT NOTICE TO RESIDENTS OF Punahou, Makiki AND Manoa Districts
