BRAVES TAKE ST. LOUIS TEAM INTO CAMP IN CHAMPIONSHIP CONTEST

"Admiral" Perry Holds Saints to One Run in Nine Innings—Hayseiden Pitches Good Ball But Wildness Gives Braves First Run—Markham Goes on Mound in Fifth Inning—Two Fast Double Plays Feature—Fun Luke Stars in Game

It is all over. It is all over as far as the baseball championship is concerned and it is also all over Punch-Lowl. Last evening there was much joy and laughter on the big elevation, and inasmuch as the Braves won the Pacific League title from the St. Louis team by a score of 4 to 1 yesterday afternoon at Athletic Park, there is every reason for the noise that came from that section last evening.

The opponents of the movement to boost junior ball are decreasing rapidly and after yesterday's battle there were very few to be found around the city. The youngsters played good ball from start to finish and the errors were due to the strain that everyone was playing under. Both teams were out to win and it was a hard game for the St. Louis team to lose.

Braves Were Brave
The Braves are entitled to every bit of glory that goes with their victory. They fought their way through and beat a great little ball club. For four innings they did not make the semblance of a hit off Hayseiden, the great little southpaw of the St. Louis team. Hayseiden, as wild and this was responsible for the run made in the third by Ornelias, who walked three times during the day.

Hayseiden was in a hole in the fifth and had to put the ball over and as a consequence Nelson and Thomas hit safely, putting the game in the well for keeps. Markham relieved the southpaw and held the Braves to one run the rest of the game.

Perry Starred
"Admiral" Perry of the Braves' fleet was a busy person yesterday afternoon. He held the St. Louis players to seven scattered hits and but one run was secured off his delivery. He worked well in every inning and on two occasions the Saints had the sacks populated, only to lose out.

Fun Gets Hand
Little Fun Luke got a big hand from the crowd in the second inning when he rec'd back after Mara's drive and caught the sphere while he was falling. The Saint infield also worked in the fashion and Haneberg, King, Tan and You Bun captured everything in real big league style. Mara at second for the Braves made a number of pretty stops and upheld his end of the game.

Lai Sin, who has been considered one of the leading hitters on the St. Louis team, was hopeless against Perry. He fanned four times in succession, making the seventh time that he has been sent back to the bench by Perry in the last two games. He was not well and this may have had something to do with it.

No Scoring
St. Louis had two men on bases in the first inning when Haneberg walked and Lemon singled, but Mara took care of Chun Chew's hard grounder and the side was retired. Ornelias walked in the first, but Hayseiden retired the next three men. In the second inning Kurisaki led off with a hit and King Tan laid down a pretty sacrifice, but Ornelias took care of You Bun's drive and Hayseiden fanned.

In the third of the second the Braves had two men on bases, due to Hayseiden's wildness, but Fun Luke saved his team by a great catch in left field. Hayseiden then fanned Silva. St. Louis could not score after Fun Luke pitched first in the third inning.

Braves Score
Ornelias walked for the second time in the third and then stole on an infield out and then purloined the third base. On a wild throw by Kurisaki he came home with the first score. Hayseiden was pitching good ball and fanned Nelson and Thomas. A fast double play in the fourth, in which Anahu, Silva and Lee featured, caught Chun Chew at the plate after he had walked and Kurisaki had singled, and then Fun Luke flew out to Cordelero. The Braves could not score in the fourth, although Lee, the first man up, was walked. Perry fanned Lai Sin and Haneberg in the fifth and Haneberg's hit did not count.

Silva, the first man up in the fifth, fanned and Ornelias was given his third pass. Hayseiden mused up a grounder, and after Anahu had reached second Nelson singled, scoring Ornelias. Anahu was caught at third on a pretty play. Then Thomas singled, scoring Nelson, and Hayseiden left the hit. Markham relieved him and retired Lee.

The Saints failed to show anything in the sixth, and the Braves came back with another run on doubles by Perry and Mara. Markham tightened, and then retired Ornelias and Anahu.

The Saints made a bid for a run in the seventh, and after You Bun had gone out Markham singled, and Fun Luke was safe on an error. Then Haneberg singled, and the sacks were populated. Lai Sin had fanned three times, but was allowed to bat again and kept up his record by swinging at three bad ones. Lemon then flew out to Mara.

The Braves could not score after this but in the eighth Chun Chew was safe on an error and Kurisaki went out to Perry. Then King Tan walked and You Bun forced King Tan at second, Chun Chew coming home on the play. In the ninth Haneberg hit into a double play and all was over.

EWA TENNIS MEN WIN FROM MANOA

Ewa defeated Manoa yesterday afternoon in the Inter-Club championship and won the right to challenge Beretania for the title. In the matches yesterday Ewa captured two singles matches and one doubles, while the Manoa club won two doubles matches.

William Eklund, Hawaiian champion, found some keen competition in his play with Kenneth Barnes, and the Manoa player captured the second set from the leading player in Hawaii. In the first and third sets Eklund won out 6-4, 6-3. Barnes' playing was one of the features of the tournament, as any player winning a set from Eklund is entitled to a place among the first rank. The sets were 6-4, 4-6, 6-3.

McKeever of Ewa defeated H. E. Savage of Manoa 6-3, 4-6, 7-5 in another spectacular match which brought out good play. Eklund and McKeever defeated Barnes and Savage, 6-3, 7-5. Beardmore and Steere of Manoa defeated Bento and Van Dusen of Ewa 8-6, 6-4. In the last match of the day Singelhurst and Ross won from Renton and Nolan 6-2, 6-1.

MANY GOOD MARKS MADE AT HEXATHLON

Hexathlon events were held in the Y. M. C. A. gym Saturday and three records were broken. These were the 220-yard potato race, in which Edgar Methven negotiated the distance in 1 minute 23.5 seconds, the standing broad jump, in which F. A. Sing leaped 9 feet 7.12 inches, and the 12-pound shotput by J. K. Ioane, who heaved the big pill a distance of 43 feet 9 inches. In the 60-yard potato race Francis Xavier tied his own record of 15 seconds and Kan Leong equaled it.

The old record in the 220-yard potato race was held by Paul Keppeler, who raised it last week in the intermediate meet from 1 minute 32.5 seconds to 1 minute 23.5 seconds. Sing's mark in the broad jump is one inch better than that made by W. H. Dreier last year and Ioane's record is two inches better than the record established last year by Lewis Broadus.

Next Friday is the closing date for senior competition and next Saturday the student clubs will hold an inter-club meet in the hexathlon events.

MRS. COULTER TO ENTER CARNIVAL TENNIS TOURNAMENT

Has Won 13 Cups in Tournaments Here; Records Since 1895 Show Roth Leads

Mrs. George Coulter will enter the Carnival tennis tournament which will be held at the Beretania courts this month. This news will be of much interest to tennis enthusiasts in Hawaii, as Mrs. Coulter was champion of the islands for seven consecutive years, from 1902 to 1908.

Mrs. Coulter, then Miss Ethel Horner, captured the first honors in 1902, when she won the ladies' singles, captured the ladies' doubles playing with Miss Ward, and finished up with the high honors in the mixed doubles, playing with C. A. Elston. In the following year she repeated her victories in all three events, with the same partners.

Great Record
Only one other player in Hawaii has captured three events for two years in succession. William Eklund ruled supreme in three events in 1915 and 1916. Mrs. Coulter continued her play in 1904, winning the singles and finishing first in the ladies' doubles with Miss Ward.

In the following year the ladies' doubles were not scheduled, and no regular play was held until last year. The mixed doubles were also left off the program in this year, and were not revived until 1910, when Mrs. Coulter and A. M. Nowell won the title.

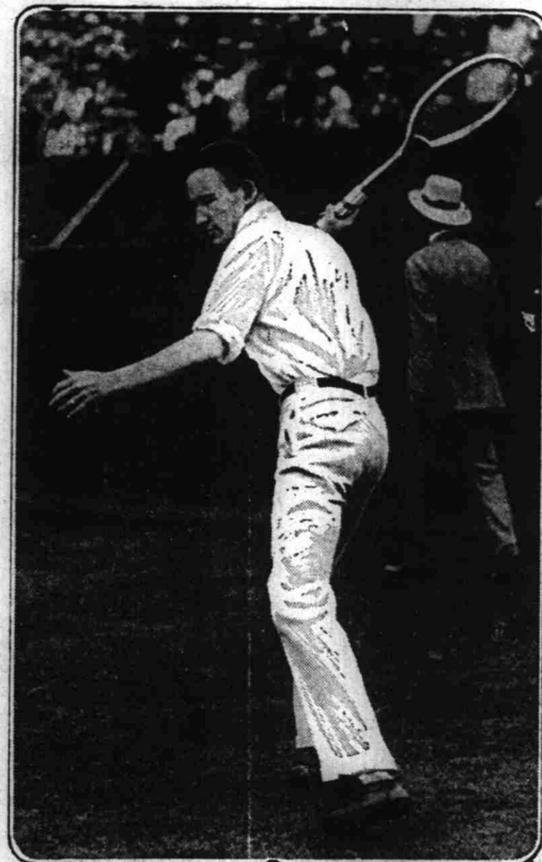

Mrs. Coulter was an easy winner in every tournament up to 1909, when the ladies' singles were also left off the program, due to the fact that there were no feminine players in Hawaii who would oppose the champion. The ladies' singles were not put back on the tournament card until 1912 when Miss Edna Smith won the championship.

Won 13 Cups
Mrs. Coulter has captured 13 cups during her tennis career, and at the end of the season may have the honor of leading all the tennis stars in Hawaii in the number of titles won. W. P. Roth has captured 14 titles during his tennis career. He has won the championship six times in the singles, four in succession, and eight times in the doubles, of which five were won from 1904 to 1908.

Against this record held by Roth, who is now in San Francisco, Mrs. Coulter has a record that has not been equaled, in that she won seven titles in succession in the ladies' singles, and has also captured six cups in the ladies' doubles and mixed doubles. Should she be successful this year in landing two championships, the record held by W. P. Roth will be exceeded.

Mrs. Coulter has been practicing on the Neighborhood courts during the past fortnight, and has had a number of good matches with many of the leading players. She has played Robert Horner, O. Mayall, Allan Marshall and other stars, and in all of her practice matches has shown the ability to play. Without doubt Mrs. Coulter will be the favorite when the ladies' singles are called this year, although it is expected that many of the locals and visitors will give the former champion keen competition.

Bill Will Arrive Tomorrow

William ("Bill") Johnston, former national tennis champion, who will arrive tomorrow to meet the Eastern and local stars in the tennis tourney, which begins at the Beretania courts on Wednesday. Johnston will compete in the singles and doubles, playing with either Griffin or Strachan. He has appeared in Honolulu before and is one of the most popular players ever to appear on a local court.

HANDBALL MATCHES ON THIS AFTERNOON AT "Y"

The annual handball tournament of the Y. M. C. A. starts this afternoon with four matches, the players being R. N. Linn and M. G. Johnston, on court 1, and Kenneth Emerson and Rolla K. Thomas on court 2, in the first matches, and R. E. Taylor and Waldo Gordon on the first court and Phillips and Charles Akana on the second court in the second matches. The first matches start at 5 o'clock, the second matches following immediately after the first.

There are 18 entrants and among them are such stars as J. E. Medeiros and Harry Decker. Harry Decker claims the championship already. He says he is some shark at this sport and will back all the other fellows off the boards.

CHURCH AND THROCKMORTON FIRST OF TENNIS STARS TO ARRIVE FOR EVENT

Victorious at Manila, They Come Here to Win Title From Field of Pacific Coast Stars—Will Play Their First Match at Beretania Courts at 4:45 on Wednesday Afternoon—Facts Show That Both Have Made Great Records in Tennis

George Myers Church, who was ranked No. 3 in 1916, and Harold Throckmorton, junior champion of 1916, arrived in Honolulu today on the Shinyo Maru from Manila, where the two Eastern stars have been making history on the courts.

In the Manila tournament Church and Throckmorton won out in the doubles and Church landed the title from the junior players in a hard match. The two Easterners were called upon to meet a number of good players in that tourney and they upheld the honors of the mainland throughout.

Church and Throckmorton will represent the East in the East vs. West matches which will be played here this month. They will be seen in action at the Beretania courts on Wednesday afternoon at 4:45, when they oppose Henoch and Vinson in the record doubles match. It is no definitely announced whether Griffin or Strachan will play with Johnston in the doubles and the player drawing a bye in this case will pair with Eklund.

George Myers Church is best known at present as the man who in last year's championship beat Ichio Kumagai in straight sets, Maurice E. McLoughlin in four and almost retired R. L. Murray, having him 2 sets to 0 and apparently beaten. Murray rallied, however, and won the next three sets. But these are not only the titles to fame possessed by Church. He has twice been intercollegiate champion—in 1912 and 1914. In the latter year he won the title by beating R. N. Williams II, then champion of America, in four sets.

Church was born in St. Louis August 21, 1891, and is consequently 25 years old. He is 6 feet high and weighs 153 pounds. He began playing tennis in 1908, his first tournament being the Columbia interscholastic. He used a G. M. Church racket, weighing 14.14 ounces and having a 5.78-inch handle.

Class A in 1910
In 1910 Church, then 19 years old, was ranked No. 25. In 1911 he went up into Class 1, as it is now termed, and remained in Class 1 during 1912 and 1913 (it should be borne in mind that there are 10 men in Class 1, and that they are grouped alphabetically, each being supposed to be equal in skill to the other nine). In 1914 Church broke into the first 10, being ranked No. 7. His record that year may be thus epitomized:

Won Delaware state, intercollegiate, finals Niagara.
Defeated George M. Groesbeck, S. H. Voshell, A. S. Cragin, C. M. Bull, Jr., L. I. Graves, Hugh Tallant, W. M. Hall, R. L. Murray, T. R. Pell, N. W. Niles, J. C. Royon, A. W. Sherwell, W. S. McElroy, A. M. Kidder, R. N. Williams II.

Lost to R. L. Murray, W. H. Cloutier, R. N. Williams II, N. W. Niles and C. J. Griffin.
In 1915 Church did well until the championship, when he was beaten unexpectedly by W. M. Washburn. One of the results of this defeat was that he dropped to No. 9. His 1915 record follows:

Won Delaware, Northwestern, Western, finalist clay court.
Defeated J. J. Armstrong, W. M. Washburn, Dean Mathey, W. T. Hayes, H. T. Byford, A. M. Squair, F. C. Inman.
Lost to R. N. Williams II, C. J. Griffin, W. M. Johnston and W. M. Washburn.
Church's record for 1916 follows:
Won Metropolitan, Western, Rockaway and Delaware state.
Defeated J. H. Armstrong, Dean Mathey, T. R. Pell, W. M. Washburn, W. E. Davis (twice), L. Beekman, E. P. Larned, William Rosenbaum, C. H. Griffin, F. C. Inman, E. H. Whitney, S. H. Voshell, R. L. Murray, H. T. Byford, I. Kumagai, Eugene Warren and Maurice E. McLoughlin.

Lost to W. E. Davis, C. B. Doyle, R. N. Williams II and R. L. Murray.
Different Styles of Play
Church's game is an individualistic one and it has carried him to a place that most judges said was impossible of attainment. Church himself says frankly that if he were a few years younger he would "junk" his game and learn a new one, using as his model Johnston and Williams—the former preferred. But that is an if and it needn't be discussed here. Church's game is a three-quarter game—all serve and volley. Ground strokes are little used and the backhand is comparatively weak. During the past year, however, the development of ground strokes has begun and there has been a slight improvement in the backhand. Church usually has little need for either, however, for he is always up at the net.

Church's serve ranks high and it is an almost certain winner. He follows it to the net and there volleys unerringly and decisively. Overhand he has for years been in the first flight and regarded as the equal of McLoughlin overhead when the Californian was at his best. Church has wonderful control of the ball. He is the greatest master of the art of rotation of the ball that America has ever had. Each stroke is designed to produce a certain spin that will serve the purpose Church has in mind.

Built Right for Game
Church is tall and carries little weight. He is seemingly tireless, and although he is a tremendously hard worker he always lasts. At Princeton he was an all-around athlete, hurdling being one of his specialties. Consequently he is fast on his feet. In his match with Kumagai in the championship he was fast on his feet. Critics have never seen anyone on a court move as fast as he did. He sprinted to the net and it was his speed that enabled him to get to that vacant position and there kill Kumagai's returns with almost unvarying regularity.

It should be remarked in passing that Church is also a first class doubles player. Most of his pairing has been with Dean Mathey, who was just ahead of Church in Princeton, and the combination had won many titles during the past four or five years. They included both the Western championship and the preliminary doubles in 1914. They challenged McLoughlin and Bundy for the national title that year but were unsuccessful.

A Coming Star
Throckmorton's game has been in the process of making and even now when he is Class 1 in the ranking is thought by some to be a possibility for the first 10 next year. It is not easy to describe it. It is a hard-hitting, net-rushing game, based on that of the Californian's. But during the past year or two his back court play has been developed and a considerable degree of finesse has come into it. It is still apt to be streaky. The good streaks are very good, but when he is going badly he is not hard to beat. Fortunately he is making progress in conquering and great things are expected of him within the next few years.

Harold A. Throckmorton was born October 17, 1897, at Hackensack, N. J. He is 5 feet 9.34 inches high and weighs 141 pounds. He uses a Hackensack Alexander racket, weighing 14 ounces and with a 5.18-inch handle. Throckmorton began playing tennis when he was 13 years old, but his first tournament was the New Jersey state championship in 1913. He won the interscholastic championship in 1915 and the junior championship last year, beating Roland Roberts of San Francisco in the final round. He was first ranked in 1914, being placed in Class 3. In 1915 he advanced to Class 1. His record last year is as follows:

Won Chevy Chase, New Jersey state and national interscholastic.
Defeated Dean Mathey, W. M. Hall, R. L. Murray, T. R. Pell, C. B. Doyle, H. C. Brock, C. S. Garland, R. Stevens, W. J. Cloutier, H. Mikami, N. W. Niles, Roland Roberts and W. T. Tilden, Jr.
Lost to W. E. Davis, Dean Mathey, R. L. Murray, C. J. Griffin, H. Mikami, W. M. Johnston, Leonard Beekman and T. R. Pell.

KAM TEAM WILL TRY TO STOP ST. LOUIS AT KAMEHAMEHA TODAY
Kamehameha will attempt to stop the winning streak of the St. Louis basketball team at Kame field this afternoon. To date the Saints have not been defeated and inasmuch as they have a strong squad, the Kam team will have to play at top form to win. In the last game the great work of the two forwards, McGuire and Dower, was responsible for many of the goals, and St. Louis cannot load and win.
The two Vrendenburg brothers will be asked to guard the Kam whirlwinds and this fight should be an interesting one. It is expected that there will be a better crowd out when the players face the official at 3:30 this afternoon. Should St. Louis win they will have the title sewed up for keeps.
The Saints and Kams will line up today as follows:
St. Louis—Lam Wing, Santos, Kanale and Judd; forwards; Christian, center; "Dutch" and "Smiles" Vrendenburg, guards.
Kamehameha—Dower and McGuire, forwards; Clark, center; Kukona and Fuller, guards.
Punahou and McKinley meet at Punahou at 2:30 tomorrow.
Representatives of most of the 95 medical schools of the United States in session at Washington, adopted resolutions advocating universal military training.
Commissioner John E. Dillon of the New York State Department of Foods and Markets and George W. Perkins held a conference to draw up a new bill to regulate food costs.
