Troop 2, Hilo, Does Active, Alert Duty

Troop 2, Boy Scouts of America, Hilo Area. Rev. J. Knox Bodel, scoutmaster; Meryln Forbes, assistant scoutmaster.

This troop was organized in September, 1915, under the leadership of Rev. J. Knox Bodel and consisted of two patrols. A third patrol was organized in December, 1915, and Meryln Forbes appointed assistant scoutmaster. The scouts hold their meetings in St. James' Guild Hall of the Episcopal church, in front of which is a fine large lot for the scouts to use in their drilling, etc., and a basketball court. Last July the scouts con-

structed and decorated a float for the First Trust Company of Hilo, which was used in the Fourth of July parade. The float was called "The Old Homestead" and won praise for the scouts. The trust company was good enough to donate \$50 to the treasury of Troop 2 as a token of appreciation for what the scouts had done. During the recent County Fair the scouts of Troop 2 were called on for various duties for three days. They rendered valu-

able assistance in many ways, acting as guards and especially in guarding a very valuable jewelry exhibit. The services of the scouts during the fair were highly appreciated by the county fair committee and the committee donated \$20 to the scouts' camping fund. Troop 2 at the present time consists of a scoutmaster, assistant scoutmaster and 28 registered scouts.

Just Talks With Scouts

Conducted By Mabel Putnam Chilson

Are your suits all clean and pressed, boys?
And your hands and faces, too?
Do you realize the Carnival
And all you have to do?

Then stop the horse that runs away,
And help the old and lame;
Come, tie a cloth 'round Johnny's head,
For first aid is your aim.

Perchance this malihini here
Will try to breast the waves,
And finds he needs assistance from
The lad who swims and saves.

So we'll show the people something
That's didn't know we grew;
Not coconuts nor taro roots,
Nor anything to chew—

But scouts in khaki and in smites,
Who spring up here and there
To lend a hand on sea or land—
We grow them everywhere!

Through the courtesy of Mr. Hamrick, members of Troop 1 visited the weather bureau department in the Young Hotel last Saturday and inspected the instruments, listening to explanations of maps and watching an observation being taken on the roof.

Mr. Larsen of Lewers & Cooke is to assume the scoutmastership of Troop 11 upon the departure of Mr. Anderson, who has been such an efficient leader.

Troop VII at last week's meeting had an interesting talk by the "weather man," Mr. Hamrick, who related stories about kite-flying for the government. This troop held a reception at Kakaako last night.

NOTICE

Troop XX will give a dance on Friday night, February 16, at 7:45 o'clock, in K. of P. Hall. Music will be furnished by the Knights of Kamehameha orchestra. Refreshments will be served by the scouts and a prize will be given to the best dancing couple. Admission 25 cents.

ATTENTION, SCOUTS!

Remember, the last day of February is the time limit you have for making your article in the contest of the Hawaiian troops in craftsmanship. It is to be typically Hawaiian and the best will be sent to the Greater Boston council, where it will be displayed in a museum for the benefit of the scouts of Boston (as well as ourselves) and for tourists. Be prepared, and when the contest opens have your article on hand, ready to carry off first honors. **BE PREPARED.**

TROOP IV PROUD OF ITS EAGLE SCOUT

At 4:30 p. m. on Tuesday last the meeting was called to order, with 22 scouts present, four absent; three officials and three visitors. The troop was fortunate in having Arthur Neely, Sr., present. Mr. Hutton read a letter from the examiner in seamanship merit badge work, stating that (Earle) Assistant Scoutmaster Neely and Eagle Scout Wilder (Troop 1) had done remarkably well. He said their being of knots and accomplishing of other tests was enough to recommend them to the Inter-Island people as instructors for their men.

The dance to be given on March 9 in Phoenix Hall will be well conducted, the tickets selling for 50 cents and admitting a lady and gentleman each.

Tests passed: Clarke deposited \$1

and passed in first aid for second class; Currie passed first aid and hiking for first class; Chapin passed map and bike for first class; Forbes, II, passed practice in scout law and oath for first class.
C. CHILLINGWORTH,
Assistant Scribe.

TROOP V HAS A DOUBLE INDIAN MASCOT

The meeting was called to order promptly at 7:30 Thursday night and continued for about 10 minutes. Then the rest of the evening was spent in drilling.
At the meeting Scoutmaster Barry said that no one was to visit the queen, as was suggested before, because the queen was not in a fairly well condition, as reported by the Mr. Laukae. He (Laukae) decided to postpone the visit until the queen recovers and is ready to receive the troop. This disappointed the boys greatly, but they still hope that they will see her some day.
Another Indian scout was admitted to the troop and he just matches Mascot Charles Cohen. His name is Barry Oldbury. Watch for the two in the parade!

CARL MORTENSEN,
Troop Scribe.

KAAHUMANU SCHOOL, TROOP XI

During January many things happened to this troop. They played in-door baseball with Troop V and defeated the troop.

Walter Akana is still our assistant scoutmaster and Manuel Andrade will be our second assistant scoutmaster. During our Wednesday meeting we had drills. Mr. Akana is our drillmaster.

Many of the Kapaehulu Troop X Boy Scouts have joined this troop, in which William McDermott and Daniel Kaal are the scouts.

The two patrols of this troop are the Tiger and the Eagle. The Tigers are Ah Young Liu, patrol leader; William McDermott, assistant patrol leader; Benjamin Lanahi, Hen Chau Ing, Daniel Kaal, Levi Woodward, Noah Kanawa, Tony Burga.
The Eagles are Ea Shui Dai, patrol leader and founder of Troop XI; Elbert Y. F. Ching, assistant patrol leader; Henry Lee, Carl Karratti, Ah Gunn Liu, Ah Fook Liu, Wah Hing, Ah Put Ho, James Kaku.

TROOP XX SELLING TICKETS

Meeting was again held on Thursday night last, instead of Friday, on account of a dance which was given by one of the classes of the Normal school.
At the meeting which was called to order at 7:30 p. m., at the Normal school there were 20 out of the 27 scouts present. There were also three officials and four visitors who attended the meeting. Troop XX is a fast growing troop.

James Panal and Abel Vierra each passed his second-class number 9, which is the thrift test. Afong Mow

and Wm. Sprout also passed their second-class tests in running and tracking. Other boys have passed numerous other tests, which will soon make them become second-class scouts.

Tickets were distributed to the boys who said they would sell them for a dance which is to be given this coming Friday evening at the Knights of Pythias hall instead of the Normal school, where it was supposed to be given. The scouts of Troop XX are surely busy in town selling the tickets. They are hurrying for two reasons: A present will be given to the scout who sells the most tickets, and secondly every scout wants his suit before the Carnival, which is not a long time to wait till it comes. The present will be given by Mr. Atkinson, instructor in cooking and baking at the cooks' and bakers' school at Fort Shafter. Mr. Atkinson is also our assistant scoutmaster. Meeting was adjourned at 8:30 p. m.
HENRY SYLVA,
Scribe.

Attention: The next meeting of Troop XX will be held on the coming Thursday at 7 p. m.

TROOPS IX AND X HAVE EXTRA DRILL

The meeting was called to order by A. S. M. Chang, President Kuehn and Scribe Crane being absent on account of important engagements. Scout Martin passed his second-class signaling test, completing the tests for second-class scout. He was given his pin.

Mr. Westcott, a lieutenant of the National Guard, helped to instruct the troop in drilling. A. S. M. Arnold gave the older boys a drill for half an hour.

Wm. Charlock took the place of Scribe Crane as scribe. There were 23 scouts present out of 34.
All scouts should be present at the next meeting as important business is to come up. Delinquent scouts please pay registration fees and dues immediately.

E. J. CRANE,
Scribe.

TROOP VI DRILLS HARD

The meeting was called to order by the scoutmaster, R. K. Thomas. There were 21 scouts present at this meeting. The main program of the meeting was drilling. The scouts drilled on the squads left and right, columns left and right, etc. We also rehearsed the play which we have had in mind for a long time. There was a talk from the scoutmaster about the membership fees and the scout dues. Joe Katsunuma and Masachi Hirano are going to pass the 14-mile hike.

Most of the scouts had struggled upward in the various scout tests. Following are the list of names of those who have passed the different tests:
First-class scouts: Shotaro Uyeda, Minoru Sakata, and Toshiyuki F. Kuninobu. S. Uyeda and T. F. Kuninobu had passed few merit badges. Torao Uishi has one more test to become a first-class scout.

Shigetaro Saruhashi and Hideichi Nakamura have to pass the nature study and the practise of the scout law to become first-class scouts.

Yoichi Morikami has passed the swimming, signalling, first aid, judging and recruit for the first class.

Joe Katsunuma has passed the swimming, thrift, first aid, cooking, handicraft and recruit for the first class.
Takeshi Ito has passed the thrift, signalling, cooking and handicraft for the first class.
Second-class scouts: Shigetaro Saruhashi, Joe Katsunuma, Masachi Hirano, Yoichi Morikami, Minoru Mi-

BEST LIVER AND BOWEL LAXATIVE FOR FAMILY USE

"Cascarets" Regulate Women, Men and Children Without Injury

Take When Bilious, Headachy, For Colds, Bad Breath, Sour Stomach

Instead of nasty, harsh pills, salts, castor oil or dangerous cologne, why don't you keep Cascarets handy in your home? Cascarets act on the liver and thirty feet of bowels so gently you don't realize you have taken a cathartic, but they act thoroughly and can be depended upon when a good liver and bowel cleansing is necessary—they move the bile and poison from the bowels without griping and sweeten the stomach. You eat one or two at night like candy and you wake up feeling fine, the headache, biliousness, bad breath, coated tongue, sour stomach, constipation, or bad cold disappears. Mothers should give cascars, sick, feverish or bilious children a whole Cascaret any time—they are harmless and safe for the little folks.
