SENATORS WILL CAUCUS AT FIVE

Members of the senate will gather this afternoon at 5 o'clock at the Pacific Club to complete organization, and it is the universally accepted belief that Charles F. Chillingworth will again be named president.

Applicants for various positions in the senate are said to be more numerous than for years. It was stated today that there are already some 40 names in for the six or seven jobs that are yet to be filled.

Work of organizing yesterday was halted owing to the fact that not all of the senators had arrived from the other islands. Senator Stephen L. Desha of Hawaii arrived this morning with a list of applications.

It was that the faithful and deserving be remembered in the plum offerings, Chairman Emil Berndt of the central committee spoke briefly yesterday to both houses in the caucus which they held during the latter part of the afternoon.

Berndt also suggested that the gathering of bills should be systematized so that duplication may be avoided. He proposed a sort of clearing house plan to provide for this.

It was confidently forecasted today that O. F. Soames would be the clerk of the senate and George Desha, formerly postmaster at Hilo, would be sergeant at arms. Four committee chairmen are said to be slated with others still in doubt. The four said to have been selected are R. W. Shingle, finance; A. L. Castle, judiciary; E. W. Quinn, accounts, and Harry A. Baldwin, public lands.

YOUR SICK CHILD IS CONSTIPATED! LOOK AT TONGUE

If Cross, Feverish or Bilious Give "California Syrup of Figs"

No matter what ails your child, a gentle, thorough laxative should always be the first treatment given.

If your little one is out-of-sorts, half-sick, isn't resting, eating and acting naturally—look, Mother! see if tongue is coated. This is a sure sign that it's little stomach, liver and bowels are clogged with waste. When nerves, irritable, feverish, stomach sour, breath bad, or has stomach-ache, diarrhoea, sore throat, full of cold, give a teaspoonful of "California Syrup of Figs," and in a few hours all the constipated poison, undigested food and sour bile gently moves out of its little bowels without griping, and you have a well, playful child again.

Mothers can rest easy after giving this harmless "fruit laxative," because it never fails to cleanse the little one's liver and bowels and sweeten the stomach and they dearly love its pleasant taste. When nerves, irritable, feverish, stomach sour, breath bad, or has stomach-ache, diarrhoea, sore throat, full of cold, give a teaspoonful of "California Syrup of Figs," and in a few hours all the constipated poison, undigested food and sour bile gently moves out of its little bowels without griping, and you have a well, playful child again.

GREAT NORTHERN WILL NOT KEEP ON ISLAND RUN THROUGH SUMMER

First definite announcement that the Great Northern will not continue in the Hawaiian service through next summer came to Honolulu today, when Capt. A. Ahman, commander of the palatial turbine, showed the Star-Bulletin's marine news reporter a letter to him dated February 12 and issued by the Great Northern Pacific Steamship Company, stating that the final sailing from Honolulu of the present season will be on May 11.

The letter, copies of which have been sent to General Traffic Manager H. A. Jackson, Captain Ahman of the Great Northern, Captain Hunter of the Northern Pacific and the various agencies, is signed by Vice-President Turner of the line.

Drydock for Both Boats

In brief, it says that the Great Northern will leave Honolulu May 11 on her last voyage of this season, will go on drydock at San Francisco, May 16, the day after she arrives there, will remain in port at San Francisco until May 24 for repairs, sailing from San Francisco in coastwise service the same date substituting for the Northern Pacific.

The Northern Pacific will arrive at San Francisco May 25 from Flavel (Portland) and will go on drydock the following day, remaining in port for repairs until June 1, sailing the same date on the old alternating schedule with the Great Northern between Portland and San Francisco. This will continue until next fall, when the Great Northern, although the latter says nothing about this, will undoubtedly be put back in the Hawaiian service.
